Revised and updated edition of the perfect one-volume go-to source for science information

Science is vital for every inhabitant of today's world, and being scientifically informed and literate is a crucial part of any child's education. Science can seem daunting -- especially as scientific knowledge advances so quickly -- and this volume is the perfect purchase for any family. It will bear repeated use by all the family from 10+ through the teenage years.

Fully updated for this new 4th edition with the very latest facts and data; clear text and more than 1000 photos and illustrations will inform and amaze.

Dr. Mike Goldsmith studied the philosophy of time and space at Keele University in the UK, where he also obtained his PhD in astrophysics. He was formerly the Head of Acoustics at the UK's National Physical Laboratory and is now an author of non-fiction books for children. In 2016, he was made a Fellow of the British Royal Astronomical Society.

Have fun listening to all your favorite machines on the go!

Amazing Airplanes Sound Book is a fantastic addition to the bestselling *Amazing Machines* range. The perennially popular picture book is now available for the first time in this exciting new format. Young children will love hearing the roar of the plane's engines, the sounds of the airport, the pilot in his cockpit, and much more, discovering new sounds on every spread.

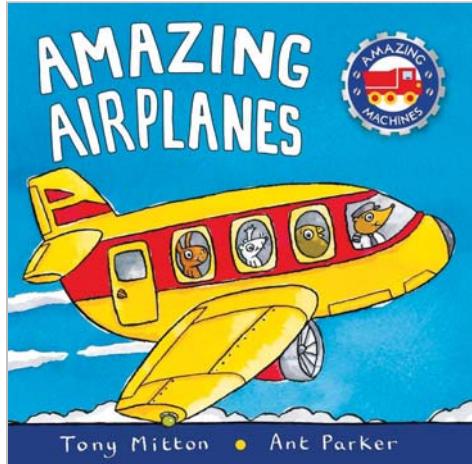

The *Amazing Machines* picture books feature zippy wordplay and zappy art, perfect for entertaining mini motorheads. The much-loved animal characters that feature throughout the series return in this book as they arrive at the airport ready to board their plane.

2017 is the twentieth anniversary of the original *Amazing Machines* picture books, making this the perfect opportunity to engage a whole new generation of young machine-lovers!

Tony Mitton has been reading and writing since he was 9. He began writing specifically for children while still working as a primary school and special needs teacher. He now works full-time as a writer and sometimes performs his poems in schools and libraries. His picture books include *Down by the Cool of the Pool* (with Guy Parker-Rees) and *The Somethingosaurus* (with Russell Ayto). He was recently contracted to rewrite the English verse texts for Dick Bruna's *Miffy* series of preschool books.
