COME EXPLORE!

857! This is a very special number for Lonely Planet Kids. It's the number of local experts that we can call upon from all four corners of the globe when we create our books. They help us to achieve our aim of showing our readers 5-12 years what an amazing and rich diversity of people, places and cultures surrounds us.

And this incredible expertise means we can offer brilliant reference titles like THE ANIMAL BOOK, innovative novelty books like DINOSAUR ATLAS and INCREDIBLE CABINET OF WONDERS. 2017 will also bring awesome additions to our essential CITY TRAILS series, including WASHINGTON D.C., with unique insights into the world's great metropolises. And this year you can learn to say 'apple' in three languages with FIRST WORDS and solve the world's most cunning mazes with MAZE ADVENTURES

Wow! It's going to be a big adventure!

INCREDIBLE CABINET OF WONDERS

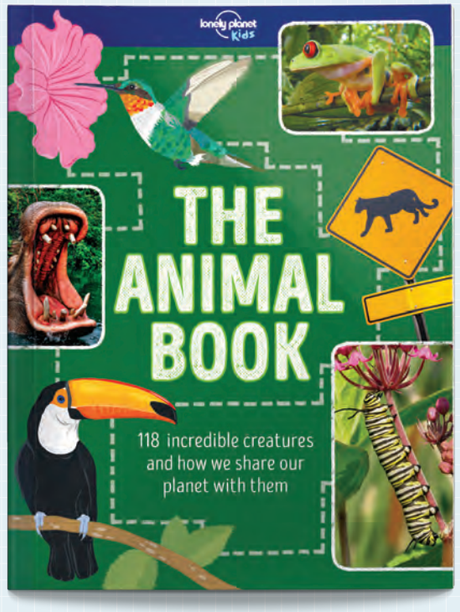
100 little doors to weird and wonderful artifacts from the world's great museums

Open tiny doors, large doors, and strange doors to museum collections around the world – and discover their most astonishing, weird, and surprising objects. This extraordinary life-the-flap book contains 14 themed cabinets, from toy makers and treasure hunters, to sailors and archaeologists. Each cabinet is beautifully brought to life by a different illustrator and full-color photography.

$21.99 | October 2017 | 9781787011045 | 9.1" x 10.6" | Hardback | 28 pp | Ages 8–12

THE ANIMAL BOOK

118 incredible creatures and how we share our planet with them



Animals are all around us, but sometimes we forget just how remarkable they are. In this beautiful hardback, we take a look at some of the world's most incredible creatures, from those you can spot in your back garden, to more endangered species in jungles, deserts, and freezing oceans. We also explore our relationship with these animals and how humans are affecting their lives and habitats. Dawn Cooper's wonderful illustrations are combined with vivid photographs and expert authorship.

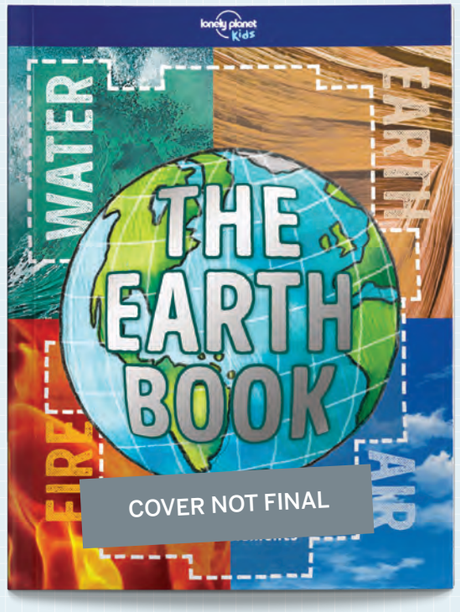
THE EARTH BOOK

How our planet was shaped by the four elements



Planet Earth. Four elements. One incredible story. Get ready for a rollercoaster ride through history, geography, science and more. Take an amazing journey into the planet's past and discover how four elements – earth, fire, air and water – created the world and everything that exists today. This book combines amazing facts with stunning photography and hand-drawn illustrations to bring our planet and its past to life in an exciting and engaging way.

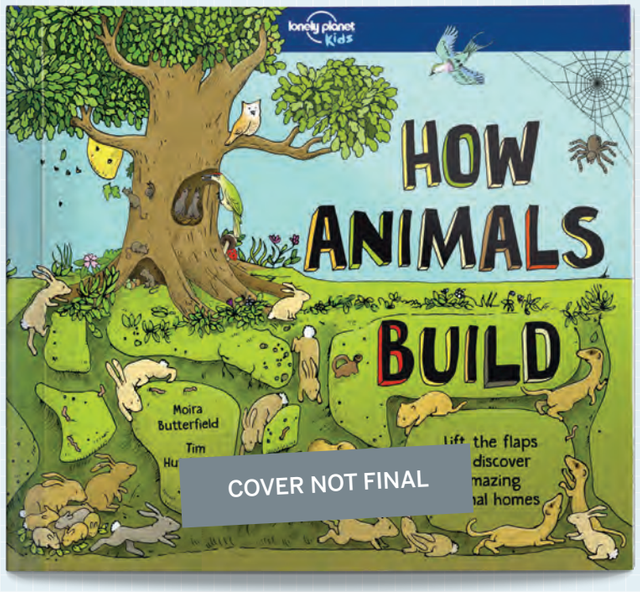
HOW ANIMALS BUILD

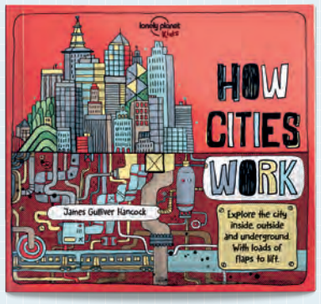
Lift the flaps to discover amazing animal homes



Lift the flaps and open gatefolds to discover the animal kingdom's best builders. Do bees need cement mixers to make hives? Do beavers use cranes to construct dams? Of course not! Like many animals, they're architectural geniuses that rely on their instinct and habitat alone to create their grand designs. From spider webs and rabbit warrens, to bird nests and ant colonies, we reveal the secrets to these incredible structures and how they're built.

$18.99 | September 2017 | 9781786576637 | 10.8" x 10" with integral flaps and shaped gatefolds | 24 pp | Ages 7–10

ALSO IN THIS SERIES...



HOW CITIES WORK

This brilliant book takes younger readers to the heart of the city. Perforated flaps let you see what's going on behind closed doors, while big gatefolds reveal what's under the street you walk on every day. Stylishly illustrated by James Gulliver Hancock.

$18.99 | November 2016 | 9781786570222 | 10.8" x 10" with integral flaps and shaped gatefolds | 24 pp

DINOSAUR ATLAS

Amazing facts, pull-outs and life-size fossils

Travel back in time 150 million years. Open the gatefolds to reveal lost prehistoric lands and the dinosaurs that once roamed them. Uncover the latest dinosaur discoveries and read fascinating stories about how these ancient creatures lived – and who dug them up. Lift the flaps to unearth photographs of life-size fossils and measure yourself against enormous bones, teeth, and claws! Featuring stylish and iconic illustrations by James Gilleard.
