Abyss

Kirk McGarvey—hero of the *New York Times* bestselling smash *The Expediter*—is back in a high-octane eco-thriller about alternate energy

It's a pleasant summer afternoon in the Gulf Stream, and NOAA scientist Dr. Eve Larsen is about to prove she has the answers to global warming, along with the solution to stopping killer storms across the planet. She is a part of a multi-trillion dollar, multinational project to alter the planet's weather for the better. But Big Oil is ruthlessly hunting for profit after the BP disaster in the Gulf, and the fate of the world hangs in the balance. Enter Kirk McGarvey.

After the Golden Age

From the *New York Times* bestselling author of *Discord's Apple*: Can an accountant defeat a supervillain?

Celia West has had enough of masks and heroics, and wants to live her own quiet life out from under the shadow of West Plaza and her rich and famous parents. Then she's told that as the city's top forensic accountant, Celia is the best chance the prosecution has to catch notorious supervillain the Destructor for tax fraud. Somehow, Celia, too, must come to terms with the fact that she might just be Commerce City's only hope.

Hybrids

A searing new novel from bestselling author Whitley Strieber

For years, people have feared that sexual material removed during alien abductions might lead to the creation of something that modern science considers impossible: hybrids of the alien and the human. Here, Whitley Strieber unleashes his unparalleled skills as a thriller writer and his unique knowledge of the abduction phenomenon to explore what might happen if hybrids invaded the earth—not from the stars, but from exactly where the aliens told him they would emerge, when one of them said, "We will come from within you."

Rapper and *Law & Order: SVU* star Ice-T brings his unique knowledge of the streets to a gritty new crime thriller

Twenty years ago, Marcus “Crush” Casey was the leader of the Vicetown Kings, the most powerful crime syndicate in New York City. Then he was betrayed by his second-in-command and sent to prison. Now he’s back on the streets and he has a lot more on his mind than just getting even. He needs to take back everything he lost, or die trying.

“As vivid and powerful a story as I have read in a long, long time. From the first sentence, you know that this is the real thing. The writer understands crime and desperation and anger, and the secret places in the heart that hide behind the violence. What an extraordinary ride!”

Carrie Vaughn **Kitty Steals the Show**

The *New York Times* bestselling Kitty Norville series is Tor’s pet now....

Kitty Norville certainly didn’t set out to be a werewolf, much less the first celebrity werewolf. But since her supernatural status was revealed to the world, Kitty’s radio talk show has become a forum for Kitty to discuss and investigate everything from vampires to magic. For good or ill, it’s made her the voice of the night.

“Enough excitement, astonishment, pathos, and victory to satisfy any reader.” —Charlaine Harris on *Kitty and the Midnight Hour*

BILL WILLINGHAM

The #1 *New York Times* bestselling graphic novelist of *Fables* presents his first novel for children

DOWN the Mysterly River

ILLUSTRATIONS BY MARK BUCKINGHAM

MAX “THE WOLF” is a top-notch Boy Scout, an expert at orienteering, and a master of being prepared. So it is a little odd that he suddenly finds himself lost in an unfamiliar wood. Even odder still, he encounters a badger named Banderbrock, a black bear named Walden, and McTavish the Monster (who might be an old barn cat)—all of whom talk—and who are as clueless as Max.

Before long, Max and his friends are on the run from a relentless group of hunters and their deadly hounds. Armed with powerful swords and known as the Blue Cutters, these hunters capture and change the very essence of their prey. For what purpose, Max can't guess. But unless he can solve the mystery of the strange forested world he's landed in, Max may find himself and his friends changed beyond recognition, lost in a lost world....

“Willingham’s *Fables* comics tapped into the deep fairy-tale structures in my psyche and never let go. Now, *Down the Mysterly River* finally delivers the same opportunity for younger readers. Lucky them!”

—**CORY DOCTOROW**

New York Times bestselling author of *Little Brother*

★“An action-packed and often touching novel...The end result is a stellar example of a novel working both as an adventure tale and as metafiction.”

All dogs go to heaven...unless they have unfinished business here on Earth

“An amazing book. I laughed and smiled and cried. Wise...and sure to open the hearts of all who read it.”

Alice Walker

“This book gives you a glimpse into the heart and mind of a dog—and will change your view of our furry friends forever.”

GUIDEPOSTS

Heartwarming, insightful, and often laugh-out-loud funny, *A Dog's Purpose* touches on the universal quest for an answer to life's most basic question: Why are we here?

This dog's-eye commentary on human relationships and the unbreakable bonds between man and man's best friend teaches us that love never dies, that our true friends are always with us, and that every creature on Earth is born with a purpose.
