Flame

A Sky Chasers Novel

Amy Kathleen Ryan; Read by Ilyana Kadushin and Matthew Brown

"Kadushin and Brown provide spellbinding narration… Ryan's novel translates perfectly to audio with its combination of compelling characters and exciting edge-of-your-seat action scenes." —*Publis*...

In the thrilling conclusion to the Sky Chasers series, Waverly, Kieran and Seth must survive on-board the enemy ship—and try to take it down before it's too late.

Waverly and the other members of the Empyrean have been scattered, and their home ship destroyed. Their mission to rescue their parents didn't go quite as planned, and now they're at an even greater disadvantage: trapped with their enemies on the New Horizon, trying to find a way to survive. Kieran has been pulled under Anne Mather's wing, but is she actually trying to make peace, or just using Kieran to build her own power? Meanwhile, Waverly is taken in by one of the adults who wants to work with her to bring Anne Mather down—but the more Waverly cooperates with him, the more dangerous her position is, and the more at odds with Kieran she becomes.

After setting out from the Empyrean on his own, with only a vague strategy to guide him, Seth is a fugitive aboard the New Horizon. He's doing what he can to challenge the power of Anne Mather, but is badly hurt, and getting sicker. And all the while, unknown to him, the terrorist Jacob is making plans of his own…

Will Seth ever be able to see Waverly again? Will his health hold out long enough to help her topple their enemy? And will Waverly find a way to unite her friends before they fall? Nothing is sure and every moment is a risk in this explosive finale of the Sky Chasers series.

AMY KATHLEEN RYAN earned an MA in English Literature at the University of Vermont, and an MFA in creative writing from the New School Creative Writing for Children Program in New York City. She is also the author of two widely acclaimed young adult novels, *Zen and Xander Undone* and *Vibes*.
