Brighten your day with this sparkling collection of sunflowers

A delightful assortment of sunflower blooms in a variety of sizes, plus leaves, vines, and even a few of the critters who live in a sunflower field are featured in this book. Organized into knit and crochet items, the book contains step-by-step directions and charts where appropriate. Included are fifteen beautiful projects for using the sunflowers in varied ways, from embellishing pillows, hats, and bags, decorating a grapevine wreath, to making a child's smiling sunflower rattle, and more!

Over 70 patterns to knit in Lopi

One of the best-known types of yarn, Icelandic wool or Lopi is used to make sweaters that have a long-lasting and classic appeal. For all knitters looking for new designs or traditional styles with a modern twist, this book features sixty-nine gorgeous designs for the whole family—from variations on the traditional Icelandic yoked sweaters and small projects such as woolly hats, socks, and scarves, to stunning lacy garments, and more contemporary designs. Beautifully photographed and created in collaboration with Iceland's largest wool manufacturer, Ístex, the book includes a brief history on the emergence of the Icelandic Lopi sweater and the Icelandic wool industry.

Create a stylish collection of scarves, shrugs, and shawls

Scarves and wraps are the perfect canvases for experimenting with new stitches and techniques. From well-respected Rowan Yarn designer Sarah Hatton, here are twenty-two designs showcasing gorgeous textures and cables, intricate openwork lace, and interesting and appealing shaping. An inspirational "How to Wear It" gallery, offers the myriad ways to wrap your shawl, twist your neck warmer, or tie your scarf, so you can wear them over and over, and still keep them looking fresh! Plus, there are ideas for tweaking the designs to create your own adaptations. For knitters of all levels, this book is both a wonderful source of stunning designs and a handy reference to help you master the art of knitting.

The ethereal beauty and intricacy of Shetland lace knitting magically comes to life

The skills needed for Shetland lace knitting are within the reach of everyone who can knit and purl, cast on, and bind off. Designed to take the novice knitter from their first “yarn over” through complex every-row lace knitting, all the techniques are introduced with clear step-by-step instructions, charts, and detailed photographs of knitted samples. You will learn how to knit all the traditional Shetland motifs, patterns and insertions, including Cat’s Paw, Candlelight, Horse Shoe, and more. With suggestions and patterns for using the different stitches in elegant and traditional Shetland lace accessories such as scarves, hats, socks, and shawls.

How to knit with color, made simple—Erika Knight's next book in her popular series

Erika Knight's designs are loved for their sophisticated use of color and seductive palettes. She now imparts her color expertise using the same workshop-based project format as her previous books, teaching you how to knit with color while creating highly-desirable garments and accessories that are both essential and inspiring. From intarsia to Fair Isle, you will build up and consolidate an essential repertoire of color-knitting skills as you work through the projects featured in the book. Erika puts the basic knowledge of primary, secondary, and tertiary colors, tints and shades, and contrasts and tones into practical terms that the average knitter will understand and relate to.

100 Snowflakes to Crochet

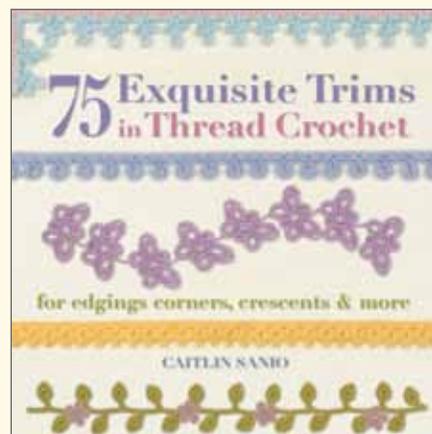

A summer garden of lace flowers to crochet

Fine crochet thread transforms into lush gardens of lacy blossoms, ethereal ferns, abundant ivies, and vibrant wildflowers. Easy-to-make on the go, these beautiful blooms are a great way to use up leftover thread and add a touch of elegance to anything. Organized by color and season, you will turn to this book all year round to create a range of flowers for different occasions, whether you want to make up an entire bouquet to brighten a room or a single appliqué to adorn a favorite project, the possibilities are endless!

Create exquisite crochet trims

Delicate thread crochet trims are the perfect way to customize clothing or to add whimsy to home décor and accessories. This lovely collection of crochet edgings vary in design, from airy geometric patterns, and gossamer calligraphic borders, to lush chains of leaves and flowers, and charming motifs children will love. Organized by theme and cross referenced to the technical instructions, you can easily select the perfect trim and immediately begin crocheting. Also included, are wonderful projects using the finished trims on cardigans, table runners, curtains, and gifts.

Macramé Pattern Book

Includes Over 70 Knots and
Small Repeat Patterns Plus Projects

Marchen Art Studio Supervised by Japan Macramé Association

“Knot” your average reference book on macramé patterns...

Learn how to make over seventy macramé knots and small repeat patterns, then use them to create a wide range of projects. Each knot is featured in a close-up photograph with clear step-by-step diagrams showing how they are tied. Beginning with the basics, the knots progress on to more complicated designs, but the clear diagrams make it a cinch to follow along. This invaluable guidebook covers the different types of threads or cords available, and shows different types of findings and beads to use in your knotwork. It also includes expert tips on how to set up your work board and keep track of the cord ends for less confusion. Thirty-three projects featured in the book range from simple jewelry like a classic friendship bracelet and watch straps to more complex ones like bags and baskets.

Hang it with style—a practical guide for a stunning home

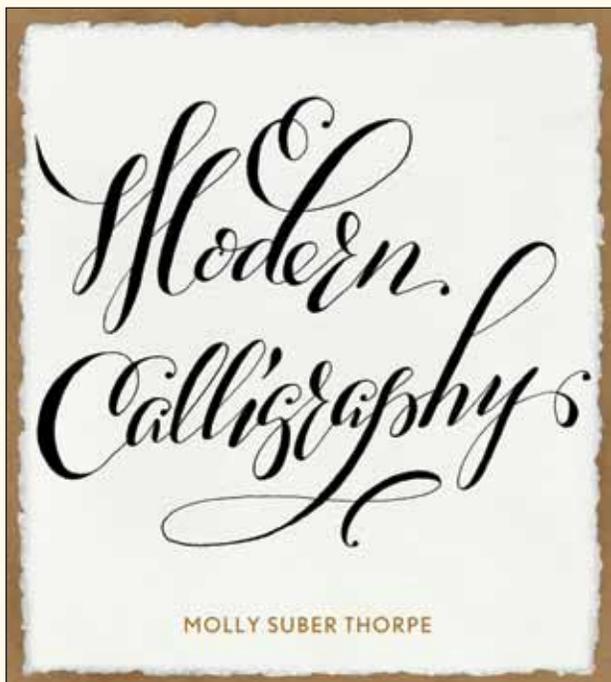

Like tying a Windsor knot, or brewing a perfect cup of coffee, knowing how to hang art on your wall is a hallmark of everyday style. The where, what, and whys of hanging art are an overlooked, under-appreciated line of inquiry. Most of us simply wing it with a quick eyeball and a swing of the hammer resulting in crumbling plaster, ruined antique laths, mismatched art hung too-close together, or a poorly-mounted photograph warping in its frame. Slim and stylish, *How to Hang a Picture* is a user-friendly guidebook that details everything you need to know about hanging, framing, and displaying art. Like *Strunk & White's Elements of Style*, this is a no-nonsense, how-to manual containing simple rules and essential information presented with charm and intelligence.
