

A Certain Scientific Railgun, vol. 9

Story by Kazuma Kamachi

Art by Motoi Fuyukawa

The New York Times bestselling SF manga series continues

Welcome to a world where mysticism and science collide, and supernatural powers are derived from either science or religion. At the heart of this world is Academy City, an advanced metropolis whose population is comprised mostly of students. The majority of students are enrolled in the city's "Power Curriculum Program," where they must learn to master their latent psychic powers. Out of several million students, only seven are deemed powerful enough to have Level 5 status.

Meet Mikoto Misaka, the third most powerful Level 5 esper in Academy City. Together with her best friend Kuroko Shirai and the other members of Judgment, a student-run law enforcement agency, Mikoto delves deep into the dark heart of the scientific sprawl she calls home and uncovers secrets she wishes she hadn't!

A Certain Scientific Railgun is a must-have manga series for fans of stories that blend science and magic like *Psychic Academy* and *Full Metal Alchemist*.

The "Certain" franchise began with the long-running light novel series *A Certain Magical Index*, which was adapted into both a manga and an anime series. Its spin-off, *A Certain Scientific Railgun*, became a breakout hit with a better selling manga and higher rated anime series. In October 2010, a new anime series following the further adventures of both series' protagonists began airing in Japan. A second season of the TV anime *A Certain Scientific Railgun* began airing in Japan in 2013.

Alice in the Country of Clover: Nightmare

Story by QuinRose;

Art by Yobu

Nightmare in his own solo adventure!

Seven Seas is pleased to present *Alice in the Country of Clover: Nightmare*, a oneshot volume that focuses on the mysterious character of Nightmare Gottschalk, the incubus of bad dreams.

Alice in the Country of Clover: Nightmare chronicles the further adventures of Alice as she goes deeper down the rabbit hole. Like the other *New York Times* bestselling books in the *Alice in the Country of Clover* series, this new volume is an oversized edition that features impressive artwork and color pinups.

Nightmare Gottschalk, the personification of bad dreams in Wonderland, often appears to Alice when she sleeps. But now the sickly incubus, often seen coughing up blood, has come to Alice in person, and claims to love her. Alice must decide if the eccentric Nightmare, who sports an eyepatch and can read minds, is truly the man of her dreams.

Also includes a special bonus *Crimson Empire* short story!

Praise for *Alice in the Country of Hearts*:

"It may be impossible to beat Lewis Carroll at his own game, but as *Alice in the Country of Hearts* shows, there are still ways to succeed." —ANIME NEWS NETWORK

"Nicely done art and hunky hunks make *Alice in the Country of Hearts* eye candy for shoujo manga fans." —ABOUT.COM

Dance in the Vampire Bund Omnibus 5

Story and art by Nozomu Tamaki

The *New York Times* bestselling manga series is now a 656-page omnibus!

This omnibus edition contains volumes 13-14 from the hit manga series *Dance in the Vampire Bund*.

Mina Tepes, the princess of vampires, has set up a special district for vampires off the coast of Tokyo. Mina's extensive preparations include founding a school that she herself attends, along with her passionately loyal werewolf bodyguard, Akira, in tow.

Ever since the day the school opened, rival vampire factions have opposed Mina's grand vision. They continue targeting the human populace in order to smear Mina's reputation and sabotage her well-laid plans of vampires and humans living together in peace.

Dance in the Vampire Bund features stunning artwork and an enthrallingly original supernatural narrative. The manga has been adapted into a hit anime series in Japan and licensed by FUNimation for North America. *Dance in the Vampire Bund* has repeatedly hit the *New York Times* Manga Bestsellers List with each new release.

Nozomu Tamaki is the writer/artist of *Dance in the Vampire Bund* and the artist of *Angel Para Bellum*.

Devils and Realist, vol. 1

Story by Madoka Takadono

Art by Utako Yukihiro

For fans of *Black Butler* comes a new manga about a handsome teen noble and the demons who surround him

Devils and Realist is an all-new supernatural manga series that pits a young, suave nobleman against Hell's princely demons.

Each volume of *Devils and Realist* features beautiful *bishounen*-styled artwork and a color insert. An anime adaptation of *Devils and Realist* will air on Japanese TV in July 2013.

William Twining has it all—a sharp intelligence, dashing good looks, and a noble station in life. There's only one problem: he's broke. With no way to finance his prestigious education, William decides to search through his uncle's mansion for something of value to sell. But William's logical worldview is about to take a hit, when he comes across a mystical seal which he unintentionally uses to summon a demon.

The demon's name is Dantalion, a Grand Duke of Hell, who informs the young nobleman of his destiny—that he is the new "Elector" whose sole responsibility is to appoint the next ruler of Hell in place of Lucifer. Such news might drive a lesser man mad, but not William Twining. He's a realist whose views don't allow for the existence of demons, even when scores of demonic candidates begin to knock down his door and seek his favor. None of this can possibly be real—can it?—and besides, he's got bills to pay.

Madoka Takadono is a Japanese author best known as the writer of *Gun Princess* and *Devils and Realist*.

Utako Yukihiro is a Japanese manga artist whose works include *Uta no Prince-Sama* and *Devils and Realist*.

Dictatorial Grimoire: Red Riding Hood (Volume 3)

Story & Art by Ayumi Kanou

For fans of *Once Upon a Time* and *Fables* comes a shoujo-styled manga series about the Grimm Brothers' most notorious characters!

Dictatorial Grimoire is an all new three-volume manga series that reimagines characters straight out of the Brothers Grimm fairy tales. Much like Seven Seas' bestselling *Alice in the Country of Clover* series, *Dictatorial Grimoire* puts an edgy spin on beloved classic characters, with a focus on Cinderella, Snow White, and Little Red Riding Hood. Each book in the trilogy is presented in an oversized edition that features impressive *shoujo*-styled artwork and color inserts.

Grimm Otogi, a farflung descendant of the renowned Grimm Brothers, has always regarded the fairy tales his ancestors concocted as pure fiction. Unfortunately for the introverted half-Japanese teen, he is about to discover that the Grimm legacy is anything but pure.

Upon receiving a posthumous letter from the father he never knew, Otogi transfers to a new school and moves into an abandoned mansion as part of his inheritance. There, he finds a manuscript that reveals the truth about his ancestors: the Brothers Grimm made a deal with mystical beings known as the Märchen Demons, who now have a claim on Otogi's life. With a dashing male Cinderella as his guide, can Otogi Grimm unlock the power of the manuscript and stop the fairy tale demons before they destroy him first?

Ayumi Kanou is a Japanese manga artist and author best known for her work on the manga adaptation of the *Tales of the Abyss* video game by Namco Bandai.

Love in Hell, vol. 3

Story & Art by Reiji Suzumaru

The manga trilogy about Hell comes to a diabolical conclusion!

Love in Hell is a hilarious and irreverent manga trilogy that takes place in a setting that is endlessly fascinating—Hell. For fans of supernatural comedies like *Rosario + Vampire*, *Love in Hell* is sure to entertain those who like their stories devilishly naughty.

Rintaro Senkawa is a regular guy in his mid-20's who got a little drunk one night and fell to his death. But that is just the beginning of Rintaro's story, as he finds himself unexpectedly in Hell where he meets his guide, the painfully sexy devil Koyori. Can Rintaro take his situation seriously enough to repent for the sins of his former life or is he fated to be eternally tempted, teased, and tortured by scantily clad devils with iron spiked clubs?

Reiji Suzumaru is a Japanese manga creator who is best known for *Love in Hell*.

Strike Witches: Maidens in the Sky, Vol. 2

Story by Humikane Shimada

Art by Yuuki Tanaka

The *dieselpunk* manga sensation!

Strike Witches is a highly popular dieselpunk franchise that spans manga, light novels, video games and anime. The series reimagines World War II as a confrontation between the allied human forces and an invading alien menace. Most of the battles featured are fictional recreations of actual World War II dogfights, but in this alternate history, teen girls with advanced weaponry and magic powers perform aerial combat against alien aircraft.

In addition to the ongoing *Strike Witches* manga series, the franchise has been adapted into light novels, as well as several TV anime which aired in Japan and are available in North America from FUNimation. In 2012, an animated feature film was released entitled "*Strike Witches: The Movie*."

In 1939, an enigmatic alien force called the Neuroi launched a widescale invasion of Earth, destroying nation after nation. Humanity's last hope at survival is to form an international elite fighting force of flying aces known as "Strike Witches!"

Strike Witches are young women with innate magical powers who are equipped with the latest in military technology: Striker Units, which provide the user with a unique array of weaponry that can only be controlled by magic.

Enter a young healer named Yoshika Miyafuji, the newest inductee into the 501st Joint Fighter Wing. Yoshika may be opposed to the military, but if she wants to survive, she better learn quick from veteran ace and strict disciplinarian, Mio Sakamoto, what it means to be a Strike Witch.

Praise for the *Strike Witches* anime:

"Does a fine job of presenting a rich alternate history world and a fun, fanservicey war story that doesn't disappoint."

—ANIME NEWS NETWORK

Humikane Shimada is the creator of the *Strike Witches* franchise and has written numerous manga and novels in the series.

Yuuki Tanaka is a Japanese manga artist whose works include *Code Geass: Queen* and *Strike Witches: Maidens in the Sky*.

World War Blue, vol. 5

Story by Anastasia Shestakova

Art by Crimson

For fans of *Hetalia* comes a video game parody like no other!

World War Blue is an all-new fantasy manga series inspired by the "console wars", the historic struggle for market share between manufacturers in the video game industry. In *World War Blue*, this conflict is represented by satirical versions of famous video game characters, who fight each other in a sprawling RPG-like world.

World War Blue is a ten-volume manga series drawn in the tradition of popular *shonen* manga like *Fairy Tail* and *Rave Master*. Each book includes a large array of extra content, such as color maps and pinups, detailed character bios, and fun bonus features that delve into video game history and lore.

World War Blue has been adapted into an ongoing anime which currently airs on Japanese TV and is simulcast in English on Crunchyroll.

In the continent of Consume, an endless war rages between bitter rivals: the Segua Kingdom vs. the Ninteldo Empire. Upon his dinosaur steed, the stern Emperor Marcus has led the Ninteldo Empire to near-victory. Now, with the majority of Consume under its control, Ninteldo has Segua up against the ropes.

Enter a fleet-footed lad named Gear, who seeks vengeance against Ninteldo for his brother's death. After joining Segua's Army, Gear is enlisted in the Special Forces, due to his amazing speed. Yet the inexperienced, hasty youth may not be ready for the realities of war—or he might just become the Segua Empire's last and greatest hope.

Anastasia Shestakova is the author of *World War Blue*.

Crimson is a Japanese manga artist best known for his work on *World War Blue*.
