Untitled Stephanie Garber #2

Stephanie Garber

This year's Caraval has concluded. Tella is alive—and safe, to her older sister's relief. And Legend, the master of Caraval, has offered for Scarlett and Tella to stay on with Caraval as players.

But Tella has secrets she has been keeping from Scarlett. Secrets like what Tella promised to Legend in exchange for the sisters' admittance to Caraval in the first place. Secrets about their mother, who disappeared from the girls' lives years ago. And secrets about Julian, the player who won Scarlett's heart.

Afraid of revealing the truth to the person who loves her most, Tella runs away to the capital of the Meridian Empire to meet Legend, who has promised Tella that he can take her to her mother. But in the final days leading up to Elantine's Day, a cross between a masquerade ball, a jubilee, and Caraval, no one is to be trusted.

Stephanie Garber's limitless imagination takes flight once more in the colorful, mesmerizing, and immersive sequel to her *New York Times* bestselling and breakout debut *Caraval*. Welcome, welcome to Elantine's Day . . .
