The Prospector's Only Prospect by Dani Collins

Humor and romance collide in *USA Today* bestselling author Dani Collins' all-new western series, starting with a mail order bride's unexpected arrival in 1859 Colorado.

When Marigold Davis arrives in Denver City in the summer of 1859, she is not the mail order bride Virgil Gardner ordered. She's a penniless divorcee who stole her ticket from her sister.

Marigold refuses to be intimidated by the surly mountain man who greets her. Nor does she expect him to marry her because, honestly, she doesn't want to marry him or anyone else. She proposes she mind his three children until she earns out the value of her fare, then she'll start her life over. She plans to do it right this time.

Virgil doesn't trust the crafty Ms. Davis, but he's out of options. He and his partners have finally struck gold in the remote valley of Quail's Creek and they have to work their claim before the snow flies. An unmarried woman in a mining camp is a world of temptation, though, especially for him. He doesn't particularly want to get hitched again, either, but if he doesn't make her his wife, someone else might!

Author Bio

Award-winning and *USA Today* bestselling author Dani Collins thrives on giving readers emotional, compelling, heart-soaring romance with some laughter and heat thrown in, just like real life.

Dani writes contemporary romance for Harlequin Presents, but her backlist includes erotic romance, romantic comedy, and even an epic medieval fantasy. She lives in Canada with her high school sweetheart husband who occasionally coaxes her out of her attic office to visit their grown children. danicollins.com

The Burning Pages

A Scottish Bookshop Mystery
by Paige Shelton

Delaney Nichols faces off against an elusive arsonist in the seventh Scottish Bookshop Mystery, *The Burning Pages*, from beloved author Paige Shelton.

One winter's night, bookseller Delaney Nichols and her coworker Hamlet are invited to a Burns Night dinner, a traditional Scottish celebration of the poet Robert Burns. She's perplexed by the invitation, but intrigued. The dinner takes place at Burns House itself, a tiny cottage not far from the Cracked Spine bookshop but well hidden. There, it becomes clear that Delaney and Hamlet were summoned in an attempt to make amends between Edwin, Delaney's boss, and one of the other invitees, who suspected Edwin for burning down his own bookshop twenty years ago after a professional disagreement.

But after the dinner, there's another fire. The Burns House itself is burned to the ground, and this time there's a body among the ruins. When Hamlet is accused of the crime, Delaney rushes to prove his innocence, only to discover that he might actually have a plausible motive. . .

The Gatekeeper

A Thriller

by James Byrne

James Byrne's *The Gatekeeper* introduces Dez Limerick in the most anticipated new thriller in years.

A highly trained team of mercenaries launches a well-planned, coordinated attack on a well-guarded military contractor - but they didn't count on one thing, the right man being in the wrong place at the right time.

Desmond Aloysius Limerick (Dez" to all) is a retired mercenary, and enthusiastic amateur musician, currently in Southern California, enjoying the sun and sitting in on the occasional gig, when the hotel he's at falls under attack. A skilled team attempts to kidnap the Chief legal counsel of Triton Expeditors, a major military contractor - in fact, Petra Alexandris is the daughter of the CEO - but their meticulously-planned, seamlessly executed scheme runs into the figurative 'spanner-in-the-works,' Dez himself.

After foiling the attack, and with nothing better to do, Dez agrees to help Alexandris with another problem she's having - someone has embezzled more than a billion dollars from her company and left very few tracks behind. But Dez is a gatekeeper - one who opens doors and keeps them open - and this is just a door of another kind. And the door he opens leads to a dangerous conspiracy involving media manipulation, militias, an armed coup, and an attempt to fracture the United States themselves. There's only one obstacle between the conspirators and success - and that is Dez, The Gatekeeper.

In a genre packed with burly, think-on (...)

Soon after, Adrian was dropped off at her grandparents' house in Maryland, where she spent a long summer drinking lemonade, playing with dogs, making a new best friend - and developing the stirrings of a crush on her friend's ten-year-old brother. Lina, meanwhile, traveled the country promoting her fitness brand and turning it into a billion-dollar business. There was no point in dwelling on the past.

A decade later, Adrian has created her own line of yoga and workout videos, following in Lina's footsteps but intent on maintaining creative control. And she's just as cool-headed and ambitious as her mother. They aren't close, but they're cordial - as long as neither crosses the other.

But while Lina dismisses the death threats that Adrian starts getting as a routine part of her daughter's growing celebrity, Adrian can't help but find the vicious rhymes unsettling. Year after year, they keep arriving - the postmarks changing, but the menacing tone the same. They continue after she returns to Maryland and becomes reacquainted with Raylan, her childhood crush, all grown up and as (...)

One Duke Down

by Anna Bennett

The next delightful novel in Anna Bennett's Rogues to Lovers series, *One Duke Down*!

A FISHERMAN'S DAUGHTER

Miss Poppy Summers is determined to keep her family's fishing business afloat. Her poor widowed father has fallen ill, and her foolhardy brother has moved to London, leaving her precious little time to read or pursue her own dreams. But she'll do anything for her family, so she cheerfully spends mornings in her rowboat, casting her nets. The very last thing Poppy expects or wants to find tangled in them is a dangerously attractive man. Especially one with a head wound - who's convinced he's a duke.

AND A DUKE OUT OF WATER

Andrew Keane is the Duke of Hawking, but he's having the devil of a time convincing his wary, fiery-haired rescuer of that fact. The truth is he came to the seaside resort of Bellehaven Bay to escape his life in London. Unfortunately, *someone* in Bellehaven wants to kill him - and he intends to find out who. He implores Poppy to tend to his injuries and hide him on her beach, reasoning it will be easier to find his attacker if that man assumes Keane is already dead. She wants no part of the scheme but can't refuse the generous sum he offers in exchange for food and shelter while he recovers. It's a mutually beneficial business arrangement. . . nothing more.

Primer and Punishment

by Diane Kelly

Primer and Punishment marks the fifth in the delightful cozy mystery series from Diane Kelly set in Nashville, Tennessee. Whitney Whitaker has a knack for nailing down murderers . . . but this time she might just come unmoored.

Carpenter Whitney Whitaker and her cousin Buck are looking once again to rehab and resell a house, only this particular house is made of fiberglass, floats, and has been dubbed the Skinny Dipper. The old houseboat sure could use some work, but the unusual project has Whitney bubbling with excitement.

The charming and handsome Grant Hardisty lives on the cabin cruiser in the adjacent slip, but the cousins soon learn he's left a half dozen angry ex-wives in his wake and made enemies of all sorts of unsavory folks. The man is clearly caught in an increasingly dangerous current with no life preserver in sight.

Whitney and Buck are spraying primer on their houseboat when - KABOOM! - Grant's boat blows sky high with the man himself inside. Detective Collin Flynn has no shortage of suspects, but the waters become muddied when several of them confess to the crime. Is one of those who confessed truly guilty, or are they taking a dive for someone else? When anonymous threats are made against the cousins, Whitney must quickly determine who killed their neighbor at the lake, or she and Buck might also be sunk.

Sophie Breeze is a brilliant bridesmaid. So brilliant, in fact, that she's made it her full-time job.

ONE LOVE STORY. TWO MARRIAGES. THREE VERSIONS OF THE TRUTH.

Too Good to Be True is an obsessive, addictive love story for fans of Lisa Jewell and *The Wife Upstairs*, from Carola Lovering, the beloved author of *Tell Me Lies*.

Skye Starling is overjoyed when her boyfriend, Burke Michaels, proposes after a whirlwind courtship. Though Skye seems to have the world at her fingertips - she's smart, beautiful, and from a well-off family - she's also battled crippling OCD ever since her mother's death when she was eleven, and her romantic relationships have suffered as a result.

But now Burke - handsome, older, and more emotionally mature than any man she's met before - says he wants her. Forever. Except, Burke isn't who he claims to be. And interspersed letters to his therapist reveal the truth: he's happily married, and using Skye for his own, deceptive ends.

In a third perspective, set thirty years earlier, a scrappy seventeen-year-old named Heather is determined to end things with Burke, a local bad boy, and make a better life for herself in New York City. But can her adolescent love stay firmly in her past - or will he find his way into her future?

On a collision course she doesn't see coming, Skye throws herself into wedding planning, as Burke's scheme grows ever more twisted. But of course, even the best laid plans can go astray. Bella was once a lost dog, but now she lives happily with her people, Lucas and Olivia, only occasionally recalling the hardships in her past. Then a weekend camping trip turns into a harrowing struggle for survival when the Rocky Mountains are engulfed by the biggest wildfire in American history. The raging inferno separates Bella from her people and she is lost once more.

Alone in the wilderness, Bella unexpectedly finds herself responsible for the safety of two defenseless mountain lion cubs. Now she's torn between two equally urgent goals. More than anything, she wants to find her way home to Lucas and Olivia, but not if it means abandoning her new family to danger. And danger abounds, from predators hunting them to the flames threatening at every turn.

Can Bella ever get back to where she truly belongs?

A Chance Inheritance

by Carolyn Brown

Three cousins return down South for a homecoming that's a little bitter, a whole lot sweet, and full of surprises.

Upon inheriting their sassy grandmother's home and family bait shop, three cousins-Lanie, Jodi, and Becky Cornell-return to Catfish, Texas, looking for a fresh start. Turns out living as roommates in Granny Lizzie's tiny two-bedroom house and running the Catfish Fisherman's Hut isn't at all like the idyllic summers they spent as children on the banks of the Red River. The days are long and hot, the tourists demanding and rude. And then there's Chris Adams, a local river guide who seems to have eyes only for Becky.

But Lizzie's death has set in motion a chain of events that will cause a new generation of Cornell women to come together. And thanks to this chance inheritance, some local fishermen, and the love of their grandmother, the Cornell cousins discover that sometimes an ending is really the beginning of a brand-new happily ever after.

Curled Up with an Earl

by Amy Rose Bennett

Ever since we first met, I've imagined what it would be like to be in your arms, to feel your lips upon mine. I'm twenty-eight years old. A shy and oft-times awkward spinster with singular scientific interests, and I've. . . I've never been kissed. Not once. In fact, I never thought I would ever want to be kissed. But then I met you and. . . and I do want this. Very much."

Miss Lucy Bertram is content to spend her days writing scientific articles or curling up with a Gothic romance novel. Indeed, she'd rather stick a hatpin in her eye than attend a ball. But when her father, the eccentric botanist Sir Oswald, insists she accept the suit of a wealthy but stiffer-than-a-poker industrialist to save the family from penury, Lucy decides to act. She's certain her disowned brother, Monty, will take her side. But first she must find him in St. Giles's cutthroat rookeries.

A covert agent for the Crown, William Lockhart, the Earl of Kyle, is on the hunt for a ruthless killer determined to destroy the Linnean Society. Sir Oswald, a botanical poisons expert, is the prime suspect. Posing as a groom in the baronet's household, it shouldn't take Will long to unearth the evidence Scotland Yard needs. If only the beguiling Miss Bertram wasn't so damn distracting. . .

As an unexpected but undeniable passion flares between Lucy and Will, confidences are exchanged and dark secrets come to light. But will a murderer, determined to stay hidden, destroy their chances of finding a happy-ever-after?
