### Any Duke in a Storm

by Amalie Howard

Historical romance takes to the high seas. Famed spy Lady Lisbeth Medford is on a ship bound for the West Indies, and the only thing more dangerous than her mission is the elusive Duke she's trying to capture.

Lady Lisbeth Medford, Countess of Waterstone and famed international spy, is caught between the devil and the deep blue sea. She's determined to infiltrate a notorious smuggling ring in the West Indies while on a covert mission as a ship's captain. But even when her identity is compromised and she's forced to flee, the men chasing her are still hot on her heels.

The trouble in front of her, however, might be even worse. Raphael Saint, the Duc de Viel, is her ship's new aggravating and dangerously charming sailing master, who might very well be part of the smuggling ring Lisbeth must bring to justice. But when a new deadly threat on the high seas looms, the only way out of danger might be to face it. . . together.

## Crime and Cherry Pits

by Amanda Flower

Murder is the pits

Shiloh Bellamy can hardly believe it - for the first time in her family farm's seventy-year history, she has managed to score a highly-coveted booth at the Cherry Farm Market in Traverse City, Michigan. It's a huge win in her master plan to bring the rundown farm back to life. . . and the fact that her coup has sent her next-door neighbor and organic farming competitor into fits of jealousy doesn't hurt, either. But the festive atmosphere at the farm market takes a dark turn when a man entered in the famous cherry pit-spitting competition chokes and dies right in front of Shiloh, who is standing near the sidelines as a spectator.

When the death turns out to be more suspicious than a cherry pit down the wrong pipe, Shiloh finds herself under local law enforcement's microscope - she has developed something of a reputation for being unwittingly involved in local murders. And when they discover her cousin Stacey had been secretly dating the man in question - and that he was married to someone else - Shiloh begins to worry that everything she has worked so hard to accomplish with her family's farm is about to be taken away. It will take all her investigative skills, a tenuous friendship (or is it something more?) with the local sheriff, and some help from Shiloh's trusty pug, Huckleberry, to prove the cops are barking up the wrong cherry tree and put the real killer behind bars for good.
