Christmas Ornament

Blue loves delivering Christmas trees to his friends! Make a Little Blue Truck ornament for your Christmas tree or to give as a gift to *your* friends!

INSTRUCTIONS

Print this page on card stock using a color printer. Carefully cut out the two ornament pieces. Use a four-inch-long section of ribbon to create a hanger for your ornament: Make a loop of the ribbon and tape the loose ends to the back side of one of the ornament pieces, positioning it so that the ribbon loop extends an inch or so above the top.

Rub a glue stick around the edge of the ornament piece's back side and place the other ornament piece on top of it so that the two printed sides face outward and the ribbon loop extends above the top of the images.
