

An Irish Country Love Story

A Novel

Patrick Taylor

The eleventh heartwarming installment in Patrick Taylor's beloved and bestselling series!

It's the winter of 1967 and snow is on the ground in the colorful Irish village of Ballybucklebo. But the chilly weather can't stop love from warming hearts all over the county. Not just the love between a man and woman, as with young doctor, Barry Laverty, and his fiancée Sue Nolan, but also the love of an ailing pensioner for a faithful dog that's gone missing, the love of the local gentry for the great estate they are on verge of losing, or Doctor Fingal Flahertie O'Reilly's deep and abiding love for his long-time home and practice.

For decades, since the war, Number One Main Street has housed O'Reilly and his practice. In recent years, it has also opened its doors to O'Reilly's wife, Barry Laverty, and a new addition to the practice, Doctor Nonie Stevens, an occasionally prickly young woman who may not be fitting in. It is to Number One that patients young and old come when they need a doctor's care, for everything from the measles to a rare and baffling blood disease.

An unexpected turn of events threatens to drive O'Reilly from his home for good, unless the entire village can rally behind their doctor and prove that love really can conquer all.

Book of Judas

Linda Stasi

The hunt is on for the apocryphal Gospel of Judas in the thriller Sherrilyn Kenyon calls "an innovative masterpiece," from celebrated New York *Daily News* columnist Linda Stasi

In Linda Stasi's novel *The Sixth Station*, New York City reporter Alessandra Russo was thrust into the middle of a mystery that had the potential to change the world—had Jesus secretly been cloned?

In this exciting follow-up, Russo is forced to save her kidnapped infant son by tracking down the missing pages of the Gospel of Judas, a heretical manuscript that was unearthed in Al-Minya, Egypt in the 1970's. The manuscript declares that Judas was not the betrayer, but the beloved, of Jesus. The Gospel disappeared, only to turn up decades later, rotted beyond repair in a Long Island bank deposit box. Rumors ran rampant that the most important pages had been stolen.

Do the lost pages reveal a secret that will challenge Christianity's very belief about the creation of life, or even the power to unleash Armageddon? What if such explosive documents fell into the hands of modern-day terrorists, dictators, or religious fanatics?

During her investigation, Alessandra is plunged into a dark world of murder, conspiracy, sexual depravity, and most importantly, a race against the clock to save her own child.

An Irish Country Practice

An Irish Country Novel

Patrick Taylor

The twelfth charming entry in Patrick Taylor's bestselling Irish Country series!

Once, not too long ago, there was just a single Irish country doctor tending to the lively little village of Ballybucklebo: Doctor Fingal Flahertie O'Reilly. Now his thriving practice is growing by leaps and bounds.

Not only has O'Reilly taken a new trainee under his wing, Doctor Connor Nelson, he's also added a spirited Labrador puppy to his ever-expanding household at Number One Main Street. Meanwhile, his trusted partner, young Doctor Barry Laverty, finds himself wondering if he's truly ready to settle down and start a family with his lovely fiancée, Sue.

As the doctors cope with domestic and professional challenges, they also look after their patients and their ailments, including a mysterious cough, a housewife whose frequent "accidents" may have a disturbing cause, and a respected colleague who might be succumbing to an old vice.

All is not sickness and worry, however. There's plenty of joy and merriment to be found as well, from a visiting circus to racing to sailing . . . and maybe even a happy ending or two.

Moon Hunt

Kathleen O'Neal Gear and W. Michael Gear

An evocative novel of America's greatest pre-Columbian city by *New York Times* bestselling authors W. Michael Gear and Kathleen O'Neal Gear

Whispering Dawn has come to Cahokia as the Morning Star's promised bride. She brings with her dark secrets, political intrigue, and a terrible Power. When the Morning Star drinks her poisoned nectar, the Night Moth carries his souls off to the Underworld to be slowly sucked into oblivion.

As Cahokia is shaken to the roots and teeters on the verge of civil war, Night Shadow Star realizes that only she—tied to the Underworld as she is—can make the descent into the dark realms to retrieve the Morning Star's captured souls. To do so, she and Fire Cat must travel to the Sacred Cave and physically descend into the cavern's terrifying depths in search of the Morning Star. There, beset by soul-devouring monsters, it may come down to Fire Cat—in the most unlikely of circumstances—to save the man, city, and people he once despised.

Moon Hunt is the third epic tale in the Gears' Morning Star series. Against the intricate majesty that was America's greatest pre-Columbian city, the authors have once again woven the latest archaeological data into a painstakingly accurate reconstruction of Cahokia and provide a rare look into the mystical underpinnings of Native American society.
