# Oathbringer

Brandon Sanderson; read by Michael Kramer and Kate Reading

**The eagerly awaited third installment following the #1 *New York Times* bestselling *Words of Radiance*, from an epic fantasy author at the top of his game**

In *Oathbringer*, the third volume of the *New York Times* bestselling Stormlight Archive, the War of Reckoning comes to a sudden and destructive close as a new, far greater threat appears on the field of battle, kindled by the deadly Everstorm.

Dalinar and the Alethi forces take refuge in the legendary tower city of Urithiru, once home to the lost Knights Radiant. There, he and the newly raised Radiants must explore the mysteries of the legendary city to understand and train their powers. In doing so they must also face long-lost truths that could upend everything they think they know.

Humanity faces a new Desolation, and with the return of the Voidbringers, an enemy as great in number as in their thirst for vengeance, the world of Roshar will never be the same. Unless the nations unite behind Dalinar, putting aside his blood-soaked past, even the restoration of the Knights Radiant will not prevent the end of civilization.

## An Irish Country Practice

*An Irish Country Novel*

Patrick Taylor; read by John Keating

### A new and heartwarming installment of the beloved bestselling Irish Country series

Once, not too long ago, there was just a single Irish country doctor tending to the lively little village of Ballybucklebo: Doctor Fingal Flahertie O'Reilly. Now a thriving practice is growing by leaps and bounds.

Not only has O'Reilly taken a new trainee, Doctor Connor Nelson, under his wing, he's also added a spirited Labrador puppy to his ever-expanding household at Number One Main Street. Meanwhile, his trusted partner, young Doctor Barry Laverty, finds himself wondering if he's truly ready to settle down and start a family with his lovely fiancée, Sue.

As the doctors cope with domestic and professional challenges, they also look after their patients and their ailments, including a mysterious cough, a housewife whose frequent "accidents" may have a disturbing cause, and a respected colleague who might be succumbing to an old vice.

All is not sickness and worry, however. There's plenty of joy and merriment to be found as well, from a visiting circus to racing to sailing . . . and maybe even a happy ending or two.

## Bored and Brilliant

*Rediscovering the Lost Art of Spacing Out*

Manoush Zomorodi; read by the author

**WNYC's "Note to Self" host, Manoush Zomorodi, gives listeners permission to unplug from their devices, get bored, and tap into a greater storehouse of creativity**

Has your smartphone become your BFF? Do you feel bored when you're not checking Facebook or Instagram? Do you feel that the constant ping of social networks is sapping your creativity and ability to think? In 2015, *Note To Self* podcast host Manoush Zomorodi led thousands of her listeners with the same problems through a week of experiments designed to help them rethink their technology habits, unplug for part of each week and jumpstart their creativity. *Bored and Brilliant: Rediscovering the Lost Art of Spacing Out* explains the connection between boredom and being unplugged and how that state of mind can ignite original thinking. Through interviews with scientists, famous artists, and regular people, Zomorodi explores why putting greater emphasis on "doing nothing" is vital in an age of constant notifications and digital distractions. She speaks with scientists who have researched the links between boredom and creativity. She spends time with a museum security guard who knows how to turn standing in a sometimes-empty room for eight hours into an exercise in creative thinking. She also explores how we can harness boredom's hidden benefits to become our most productive selves. Throughout the audiobook are a series of challenges that will help listeners rethink their relationship to their devices without completely leaving the digital world. *Bored and Brilliant*: It's permission to unplug.

## Ageless Soul

*Living a Full Life with Joy and Purpose*

Thomas Moore; read by the author

**An inspiring, dynamic way to reimagine aging, by the #1 New York Times bestselling author of *Care of the Soul***

Thomas Moore is the renowned author of *Care of the Soul*, which spent 44 weeks on the *New York Times* bestseller list and showed how spiritual practice can heal personal and societal problems. In *Aging with Soul*, Moore reveals a fresh, optimistic, and rewarding path toward aging, one that need not be feared, but rather embraced and cherished. In Moore's view, aging is the process by which one becomes a more distinctive, complex, fulfilled, loving, and connected person.

Using examples from his practice as a psychotherapist and teacher who lectures widely on medicine and spirituality, Moore argues for a new vision of aging: as a dramatic series of initiations, rather than a diminishing experience, one that each of us has the tools—experience, maturity, fulfillment—to embrace. Subjects include:

- \*Why melancholy is a natural part of aging, and how to accept it, rather than confuse it with depression and resort to medication
- \*The vital role of the elder and mentor in the lives of younger people
- \*The many paths of spiritual growth and learning that open later in life
- \*Sex and sensuality
- \*Building new communities and leaving a legacy

*Ageless Soul* will teach listeners how to embrace the richness of experience and how to take life on, embrace invitations to new vitality, and feel fulfilled as they get older. Aging means living into life.

Thomas Moore is the *New York Times*-bestselling author of *Care of the Soul*, as well as nineteen other books on deepening soul and cultivating mindfulness, three of which have received the Books for a Better Life Award. At turns he has been a monk, a musician, a university professor, and a psychotherapist. Today he lectures widely on holistic medicine and spirituality. He lives in New Hampshire.

# The Ninth Hour

*A Novel*

Alice McDermott

**A portrait of the Irish-American experience in the '40s and '50s, by the National Book Award-winning author.**

On a dim winter afternoon a young Irish immigrant opens the gas taps in his Brooklyn tenement. He is determined to prove—to the subway bosses who have recently fired him, to his badgering, pregnant wife—“that the hours of his life belong to himself alone.” In the aftermath of the fire that follows, Sister St. Savior, an aging nun, a Little Sister of the Sick Poor, appears, unbidden, to direct the way forward for his widow and his unborn child. In Catholic Brooklyn, in the early part of the 20th Century, decorum, superstition and shame collude to erase the man’s brief existence, and yet his suicide, although never spoken of, reverberates through many lives—testing the limits and the demands of love, and sacrifice, of forgiveness, and forgetfulness, even through multiple generations. Rendered with remarkable lucidity and intelligence, *The Ninth Hour* is a crowning achievement of one of the finest American writers at work today.

**PRAISE****Praise for Alice McDermott:**

**“There is the temptation, after reading Alice McDermott, to read nothing else for the longest time—to hold every exquisite word of her most exquisite novels in your head. . . . There is the temptation to use the word ‘genius’ in association with McDermott’s name.”—Beth Kephart, *The Baltimore Sun***

**“[Ms McDermott has written] a thoroughly original novel . . . with wisdom and grace, refusing to sentimentalize her characters, even as she forces us to recognize their decency and goodness. She has written a luminous and affecting novel.”**

**—Michiko Kakutani, *The New York Times***

**Alice McDermott** is the author of six previous novels, including *After This*; *Child of My Heart*; *Charming Billy*, winner of the 1998 National Book Award; *At Weddings and Wakes*; and *Someone*—all published by FSG. *That Night*, *At Weddings and Wakes*, and *After This* were all finalists for the Pulitzer Prize. ## Fresh Complaint

*Stories*

Jeffrey Eugenides

**The first collection of short fiction from Pulitzer Prize-winning author Jeffrey Eugenides**

Jeffrey Eugenides' best-selling novels have shown him to be an astute observer of the crises of adolescence, sexual identity, self-discovery, family love, and what it means to be an American in our times. These eight stories continue that tradition. Ranging from the reproductive antics of "Baster" to the bracingly candid account of a young traveler's search for enlightenment in "Air Mail" (selected by Annie Proulx for "Best American Short Stories"), this collection presents characters in the midst of personal and national crises. We meet a failed poet who, envious of other people's wealth during the real-estate bubble, becomes an embezzler, a clavichordist whose dreams of art founder under the obligations of marriage and fatherhood, and a son whose guilt over putting his mother into a nursing home is complicated by rage at the roles forced upon him in childhood; each story is remarkable for its distillation of radically different experience.

Narratively compelling, beautifully written, and packed with a density of ideas that belie their fluid grace, these stories prove Eugenides to be a master of the short form as well as the long.

### PRAISE

**"Eugenides's prose is as lush, unassuming and addictive as ever."**—*Time Out*

**"Eugenides has always been best on young love. . . . The story is wry, engaging, and beautifully constructed."**—*The New York Times Book Review*

**"There has been a storybook quality to much American fiction recently--larger-than life, hyper-exuberant, gaudy like the superhero comics and fairy tales that have inspired it. By sticking to ordinary human truth, Eugenides has bucked this trend and written his most powerful book yet."**—*Newsday*

**"A prodigiously absorbing novel...Brilliant."**—*Kansas City Star*

Jeffrey Eugenides was born in Detroit and attended Brown and Stanford Universities. His first novel, *The Virgin Suicides*, was published by FSG to great acclaim in 1993, and he has received numerous awards for his work. In 2003, Eugenides received the Pulitzer Prize and an Audie Award for his novel *Middlesex* (FSG, 2002), which was also a finalist for the National Book Critics Circle Award, the International IMPAC Dublin Literary Award, and France's Prix Médicis. *The Marriage Plot* (2011) was a fin...

## Sourdough

*A Novel*

Robin Sloan

**In his much-anticipated new audiobook, Robin Sloan does for the world of food what he did for the world of books in *Mr. Penumbra's 24-Hour Bookstore***

Lois Clary is a software engineer at General Dexterity, a San Francisco robotics company with world-changing ambitions. She codes all day and collapses at night, her human contact limited to the two brothers who run the neighborhood hole-in-the-wall from which she orders dinner every evening. Then, disaster! Visa issues. The brothers close up shop, and fast. But they have one last delivery for Lois: their culture, the sourdough starter used to bake their bread. She must keep it alive, they tell her—feed it daily, play it music, and learn to bake with it.

Lois is no baker, but she could use a roommate, even if it is a needy colony of microorganisms. Soon, not only is she eating her own homemade bread, she's providing loaves daily to the General Dexterity cafeteria. The company chef urges her to take her product to the farmer's market, and a whole new world opens up.

When Lois comes before the jury that decides who sells what at Bay Area markets, she encounters a close-knit club with no appetite for new members. But then, an alternative emerges: a secret market that aims to fuse food and technology. But who are these people, exactly?

Leavened by the same infectious intelligence that made Robin Sloan's *Mr. Penumbra's 24-Hour Bookstore* such a sensation, while taking on even more satisfying challenges, *Sourdough* marks the triumphant return of a unique and beloved young writer.

Diane Chamberlain; read by Susan Bennett

**From perennial bestseller Diane Chamberlain, a compelling new novel**

In 1944, twenty-three-year-old Tess DeMello abruptly ends her engagement to the love of her life when she marries a mysterious stranger and moves to Hickory, North Carolina, a small town struggling with racial tension and the hardships imposed by World War II. Tess's new husband, Henry Kraft, is a secretive man who often stays out all night, hides money from his new wife, and shows no interest in making love. Tess quickly realizes she's trapped in a strange and loveless marriage with no way out.

The people of Hickory love and respect Henry and see Tess as an outsider, treating her with suspicion and disdain, especially after one of the town's prominent citizens dies in a terrible accident and Tess is blamed. Tess suspects people are talking about her, plotting behind her back, and following her as she walks around town. What does everyone know about Henry that she does not? Feeling alone and adrift, Tess turns to the one person who seems to understand her, a local medium who gives her hope but seems to know more than he's letting on.

When a sudden polio epidemic strikes the town, the townspeople band together to build a polio hospital. Tess, who has a nursing degree, bucks Henry's wishes and begins to work at the hospital, finding meaning in nursing the young victims. Yet at home, Henry's actions grow more alarming by the day. ## Voice Lessons

### *A Sisters Story*

Cara Mentzel; read by the author with a foreword written and read by Idina Menzel

**Cara Mentzel tells the story of growing up with her mega-star sister Idina Menzel, the voice of Elsa in "Frozen".**

*Voice Lessons* is the story of two sisters.

The first is Cara Mentzel, an elementary school teacher who lives in Boulder, Colorado with her husband, her two teenage boys and their dogs. The second is...well...let's hear it from Cara: "My big sister is Tony-Award-Winning, Gravity-Defying, Let-It-Go-Singing Idina Menzel—the same Idina Menzel who has received top billing on Broadway marquees, whose face has graced the cover of *Billboard* and *Redbook* magazines, who has performed for Barbra Streisand and President Obama, at the Super Bowl and at the Academy Awards. John Travolta may have called her "Adele Dazeem" but I call her Dee."

*Voice Lessons* is Cara's memoir of their growing up on Long Island and moving apart across the country as they became women. It's the story of one woman growing up in the shadow of an older, much-more-talented sister, trying to be like her, fighting with her and, ultimately learning how to live her own life with her own voice. As they grew and Idina clearly became the star in the family, Cara faded into the background. There were fights. They made up. They both had children. Cara had hard times at the same time Idina soared, made her big splash in *Rent*, won a Tony award for *Wicked*, played Lea Michelle's mother on *Glee* and – most spectacularly – taught millions how to "Let It Go" when she provided the voice of Elsa in Disney's blockbuster film *Frozen*.

Their story, told by Cara and boosted with help from Idina...

CARA MENTZEL is an elementary school teacher in Boulder, Colorado. She has her Master's degree in education from the University of Colorado and received her National Board certification in literacy in 2011. She aims to inspire a love of reading and writing in children, especially children who struggle in school. Cara thrives in a household with the love of her life—a man she nearly rejected on match.com—her two teenage boys who reprimand her for cursing too much, and her two dogs with whom she h...

## The Vengeance of Mothers

Jim Fergus

The stunning sequel to the awarding winning novel *One Thousand White Women*

9 March 1876

*My name is Meggie Kelly and I take up this pencil with my twin sister, Susie. We have nothing left, less than nothing. The village of our People has been destroyed, all our possessions burned, our friends butchered by the soldiers, our baby daughters gone, frozen to death on an ungodly trek across these rocky mountains. Empty of human feeling, half-dead ourselves, all that remains of us intact are hearts turned to stone. We curse the U.S. government, we curse the Army, we curse the savagery of mankind, white and Indian alike. We curse God in his heaven. Do not underestimate the power of a mother's vengeance...*

So begins the journal of Margaret Kelly, a woman who participated in the government's "Brides for Indians" program in 1873, a program whose conceit was that the way to peace between the United States and the Cheyenne Nation was for One Thousand White Women to be given as brides in exchange for three hundred horses. These "brides" were mostly fallen women; women in prison, prostitutes, the occasional adventurer, or those incarcerated in asylums. No one expected this program to work. The brides themselves thought it was simply a chance at freedom. But many of them fell in love with the Cheyennes spouses and had children with them...and became Cheyenne themselves.

THE VENGEANCE OF MOTHERS is a novel that explores what happens to the bonds between wives and husbands, children and mothers, when society sees them...

### PRAISE

**"A most impressive novel that melds the physical world to the spiritual. *One Thousand White Women* is engaging, entertaining, well-written, and well-told. It will be widely read for a long time, as will the rest of Jim Fergus's work." --Rick Bass, author of *Where the Sea Used to Be***

**"Jim Fergus knows his country in a way that's evocative of Dee Brown and all the other great writers of the American West and its native peoples. But *One Thousand White Women* is more than a chronicle of the Old West. It's a superb tale of sorrow, suspense, exultation, and triumph that leaves the reader waiting to turn the page and wonderfully wrung out at the end." --...**

**Jim Fergus** is an award winning writer whose work has appeared in numerous national magazines and newspapers. He is the author of several fiction and nonfiction books. Jim divides his time between southern Arizona, northern Colorado, and France.

## The Trouble with Twelfth Grave

Darynda Jones; read by Lorelei King

**Grim Reaper Charley Davidson is back in the twelfth installment of Darynda Jones' *New York Times* bestselling paranormal series.**

Ever since Reyes escaped from a hell dimension in which Charley accidentally trapped him, the son of Satan has been brimstone-bent on destroying the world his heavenly Brother created. His volatile tendencies have put Charley in a bit of a pickle. But that's not the only briny vegetable on her plate. While trying to domesticate the feral being that used to be her husband, she also has to deal with her everyday life of annoying all manner of beings—some corporeal, some not so much—as she struggles to right the wrongs of society. Only this time she's not uncovering a murder. This time she's covering one up.

Add to that her new occupation of keeping a startup PI venture—the indomitable mystery-solving team of Amber Kowalski and Quentin Rutherford—out of trouble and dealing with the Vatican's inquiries into her beloved daughter, and Charley is on the brink of throwing in the towel and becoming a professional shopper. Or possibly a live mannequin. But when someone starts attacking humans who are sensitive to the supernatural world, Charley knows it's time to let loose her razor sharp claws. Then again, her number one suspect is the dark entity she's loved for centuries. So the question becomes, can she tame the unruly beast before it destroys everything she's worked so hard to protect?

**Through inspirational wisdom, compelling storytelling, and practical advice, this audiobook will help you discover your life's purpose.**

What are the two most important days in your life? "The day you are born and the day you find out why," Mark Twain famously wrote.

The search for happiness is hardwired in our DNA. It transcends age, gender, geography, vocation, and personal circumstances. But how do you achieve it?

Dr. Sanjiv Chopra and Gina Vild present a powerful message that shows you how to achieve happiness and harmony no matter what your personal circumstances. As Robert Byrne understood when he wrote "The purpose of life is a life of purpose," the best way to be happy is to live a purpose-driven life. It's a sure path to human flourishing. In fact, you may be surprised to learn that a life lived with purpose can even add years to your life.

Through stories, scientific studies, and captivating exercises, this audiobook will lead to the discovery of your singular life's purpose and that will, in turn, spark sustained happiness, joy, love and bliss.

Do you know your life's purpose? If not, this audiobook will lead you there by illuminating the value of gratitude, forgiveness, meditation, community, music, and so much more.

# UNTITLED book on addiction and recovery

Russell Brand; read by the author

**An irreverent guide to the disease of addiction from a star who has struggled with heroin, alcohol, sex, fame, food and eBay, that will help addicts and their loved ones make the first steps into...**

With a rare mix of honesty, humor and compassion, comedian and movie star Russell Brand mines his own wild story and shares the advice and wisdom he has gained through his thirteen years of recovery. Brand speaks to those suffering along the full spectrum of addiction-- from drugs, alcohol, caffeine, and sugar addictions to addictions to work, stress, bad relationships, and digital media. Brand understands that addiction can take many shapes and sizes and how the process of staying clean, sane, and un-hooked is a daily activity. He believes that the question is not "why are you addicted?" It is: "what pain is your addiction masking? Why are you running—into the wrong job, the wrong life, the wrong person's arms?"

As Russell says, "This manual for self-realization comes not from a mountain but from the mud.... My qualification is not that I am better than you but I am worse." He's been in all the twelve step fellowships going, he's started his own men's group, he's a therapy regular—and while he's worked on this material as part of his comedy and previous bestsellers, he's never before shared the tools that really took him out of it, that keep him clean and clear.

## Global Discontents

*Conversations on the Rising Threats to Democracy*

Noam Chomsky Interviews with David Barsamian

### A compelling new set of interviews on our turbulent times with Noam Chomsky, the world's foremost intellectual activist

In this wide-ranging set of interviews, conducted from 2013 to 2016, Noam Chomsky discusses the latest developments around the globe: the devastation of Syria, increasing climate change, the reach of state surveillance, growing anger over economic inequality, the place of religion in American political culture, and the bitterly contested 2016 U.S. presidential election. In accompanying personal reflections on his Philadelphia childhood and his eighty-seventh birthday, Chomsky also describes his own intellectual journey and the development of his uncompromising stance as America's premier dissident intellectual.

Most urgently, Chomsky asks us to consider "the world we are leaving to our grandchildren," one imperiled by the escalation of climate change and the growing potential for nuclear war. If the current system is incapable of dealing with these threats, he argues, it's up to us to radically change it. In conversation with his longtime interlocutor, David Barsamian, Chomsky puts forward a cutting vision of our current world, and identifies the "dry kindling" of discontent that could someday catch fire.

#### PRAISE

**"Chomsky is a global phenomenon. . . . He may be the most widely read American voice on foreign policy on the planet."**

—*The New York Times Book Review*

**"With relentless logic, Chomsky bids us to listen closely to what our leaders tell us—and to discern what they are leaving out. . . . Agree with him or not, we lose out by not listening."**

—*BusinessWeek*

**"It is possible that, if the United States goes the way of nineteenth-century Britain, Chomsky's interpretation will be the standard among historians a hundred years from now."**

—*The New Yorker*

**Noam Chomsky** is the author of numerous bestselling political works, including *Hegemony or Survival* and *Failed States*. A professor emeritus of linguistics and philosophy at MIT, he is widely credited with having revolutionized modern linguistics. He lives outside Boston, Massachusetts.

## The Saboteur

Andrew Gross; read by Edoardo Ballerini

**The next stunning, provocative historical thriller from *New York Times* bestselling author Andrew Gross**

*February, 1943. Both the Allies and the Nazis are closing in on attempts to construct the decisive weapon of the war.*

Kurt Nordstrum, an engineer in Oslo, puts his life aside to take up arms against the Germans as part of the Norwegian resistance. After the loss of his fiancée, his outfit whittled to shreds, he commandeers a coastal steamer and escapes to England to transmit secret evidence of the Nazis's progress towards an atomic bomb at an isolated factory in Norway. There, he joins a team of dedicated Norwegians in training in the Scottish Highlands for a mission to disrupt the Nazis' plans before they advance any further.

Parachuted onto the most unforgiving terrain in Europe, braving the fiercest of mountain storms, Nordstrum and his team attempt the most daring raid of the war, targeting the heavily-guarded factory built on a shelf of rock thought to be impregnable, a mission even they know they likely will not survive. Months later, Nordstrum is called upon again to do the impossible, opposed by both elite Nazi soldiers and a long-standing enemy who is now a local collaborator—one man against overwhelming odds, with the fate of the war in the balance, but the choice to act means putting the one person he has a chance to love in peril.

Based on the stirring true story, *The Saboteur* is Andrew Gross's follow-up to the riveting historical thriller, *The One Man*. A richly-woven story probing the limits of heroism, sacrifice an...

## Sharapova

### *An Autobiography*

Maria Sharapova with Rich Cohen; read by Maria Sharapova

### The rise, and fall, and rise again of tennis sensation Maria Sharapova

In the middle of the night, a father and his daughter step off a Greyhound bus in Florida and head straight to the Nick Bollettieri Tennis Academy. They ring the bell, though no one is expecting them. They don't speak English. They've arrived from Russia with only \$700 and the conviction that this six-year-old will be the next tennis star. Surprisingly, they are right.

Young Maria Sharapova went on to become one of the best, most famous, and highest-paid athletes. At seventeen, she won Wimbledon. At eighteen, she was ranked number one. To date, she has won five Grand Slams. Her stardom spills off the court to fashion, philanthropy, food. But at the peak of her popularity, Sharapova faced a new challenge, after testing positive for a banned drug. The backlash was shocking—sponsors fled, fans berated her, and she received a two-year suspension. Despite successfully appealing her sentence, she still faced the battle of maintaining her eminence on the court and her place in fans' hearts. In this gripping autobiography, written with the bestselling author Rich Cohen, Sharapova traces her precarious beginnings in Siberia to her controversial doping ban. The same way she plays tennis, she tells her story with a no-holds-barred attitude, fierce and provocative. Sharapova's story transcends the sports genre—this is an inspiring tale of gritty persistence, pulsing with fearlessness and candor, utterly unforgettable.

**Maria Sharapova** is one of the highest-ranked tennis players in the world. Born in Nyagan, Russia, she moved to the United States when she was six years old. To date, she has won five Grand Slams. She lives in Manhattan Beach, California.
