An Irish Country Cottage
by Patrick Taylor

The New Year brings challenges and changes to the colorful Irish village of Ballybucklebo. The Christmas holidays have barely passed before a fire engulfs the humble thatched cottage housing Donal Donnally and his family. Although the family escapes the blaze more or less unsinged, Donal, his wife, their three small children, and their beloved dog find themselves with nothing left but the clothes on their back.

Good thing Doctors O'Reilly and Laverty are on hand to rally the good people of Ballybucklebo to come to their aid. Rebuilding the cottage won't be quick or easy, but good neighbors from all walks of life will see to it that the Donallys get back on their feet again, no matter what it takes.

Meanwhile, matters of procreation occupy the doctors and their patients. Young Barry Laverty and his wife, Sue, frustrated in their efforts to start a family, turn to modern medicine for answers. O'Reilly must tread carefully as he advises a married patient on how to avoid another dangerous pregnancy.

As a new and tumultuous decade approaches, sectarian divisions threaten to bring unrest to Ulster, but in Ballybucklebo at least, peace still reigns and neighbors look after neighbors.

Series: Irish Country Books
Once, not too long ago, there was just a single Irish country doctor tending to the lively little village of Ballybucklebo: Doctor Fingal Flahertie O'Reilly. Now his thriving practice is growing by leaps and bounds.

Not only has O'Reilly taken a new trainee under his wing, Doctor Connor Nelson, he's also added a spirited Labrador puppy to his ever-expanding household at Number One Main Street. Meanwhile, his trusted partner, young Doctor Barry Laverty, finds himself wondering if he's truly ready to settle down and start a family with his lovely fiancée, Sue.

As the doctors cope with domestic and professional challenges, they also look after their patients and their ailments, including a mysterious cough, a housewife whose frequent "accidents" may have a disturbing cause, and a respected colleague who might be succumbing to an old vice.

All is not sickness and worry, however. There's plenty of joy and merriment to be found as well, from a visiting circus to racing to sailing . . . and maybe even a happy ending or two.

In the spring of 1896, after thirty years spent dispensing justice in Montana, Judge Harlan Blackthorne expires, leaving Deputy U.S. Marshal Page Murdock, his most steadfast officer, to escort his remains across the continent by rail.

The long journey is interrupted from time to time by station stops for the public to pay its respects, and for various marching bands to serenade the departed with his favorite ballad, "After the Ball." This gives Murdock plenty of opportunity to reflect upon the years of triumphs and tragedies he's seen firsthand, always in the interest of bringing justice to a wilderness that he, his fellow deputies, and the judge played so important a role in its settlement.

As the funeral train chugs through prairie, over mountains, and across rivers once ruled by buffalo herds, Indian nations, trappers, cowboys, U.S. Cavalry, entrepreneurs, and outlaws representing every level of heroism, sacrifice, ambition, and vice, *Wild Justice* provides a capsule history of the American frontier from its untamed beginnings to a civilization balanced on the edge of a new and unpredictable century.

Rachel and Leah
by Orson Scott Card

Tracing their lives from childhood to maturity, Card shows how the women of Genesis change each other-and are changed again by the holy books that Jacob brings with him.

Leah is the oldest daughter of Laban, whose “tender eyes” prevent her from fully participating in the daily work of her nomadic family. Rachel is the spoiled younger daughter, the petted and privileged beauty of the family—or so it seems to Leah.

There is also Bilhah, an orphan who is not quite a slave but not really a family member, a young woman desperately searching to fit in, and Zilpah, who knows only how to use her beauty to manipulate men as she strives to secure for herself something better than the life of drudgery and servitude into which she has been born.

Into the desert camp comes Jacob, a handsome and charismatic kinsman who is clearly destined to be Rachel’s husband. But that doesn’t prevent the other women from vying for his attention.

Ambition, jealousy, fear, and love motivate them as they compete to win the regard of Jacob, heir to the spiritual birthright of Abraham and Isaac.

You will meet characters whose devotions and decisions enthral you long after you put the book down.

The Search for Maggie Ward
by Andrew M. Greeley

Young navy flier Jerry Keenan is supposed to be on his way home to Chicago, law school, and a postwar life that is socially acceptable to a well-off Irish Catholic family. Instead, he is in Arizona, delaying that homecoming while he wrestles with his memories of combat and the men he saw die.

That may be one reason an encounter with a girl at a Tucson lunch counter seems so appealing. Another reason is that she is mysterious, hauntingly beautiful, and very sexy—the perfect antidote for a troubled heart.

But at the very moment Jerry realizes how much he needs Maggie Ward, she dramatically vanishes, or is taken, from him. And Jerry, in search of his destiny and his soul, must be willing to move heaven and earth to find the woman he loves.
