Camp Valor

by Scott McEwen and Hof Williams

Valor: great courage in the face of danger

When Wyatt gets framed for a friend's crime, he thinks his life is over. But then a mysterious stranger visits him in jail with an unusual proposal: spend three months in a secret government camp and have a ten-year prison sentence wiped clean.

Wyatt agrees, and finds himself in a world beyond his wildest dreams, with teenagers like him flying drones, defusing bombs, and jumping out of helicopters. This is no ordinary camp. Camp Valor is a secret training ground for teenage government agents, filled with juvenile offenders-badasses who don't play by the rules-who desperately need a second chance. If they can prove themselves over their three month stay and survive Hell Week, they will enter the ranks of the most esteemed soldiers in the United States military.

But some enemies of the United States have gotten wind of Camp Valor, and they will do everything in their power to find out its secrets. Suddenly Wyatt and his friends have to put their training into practice, and find the bravery to protect their country.

Camp Valor nails today's dangerous Dark net World on so many levels. Teaching our kids a defensive skill set to live in today's threat environment is not only smart, it may well be crucial to their very survival. Gritty, real, and raw, McEwen once again takes his characters to places others are unwilling or unable (...)

Author Bio

Location: Scott McEwen - California

SCOTT MCEWEN is the author of many books and the co-author of #1 *New York Times* bestseller *American Sniper*, which has sold more than one million copies and has been translated into over twenty languages. *American Sniper*, the movie, starring Bradley Cooper, and directed by Clint Eastwood, was the number one movie in the United States for that year, and was nominated for six Academy Awards, winning one. He lives in San Diego, California, where he began writing while practicing law.

Never Quit

How I Became a Special Ops PJ

by Jimmy Settle and Don Rearden

"That Others May Live" is a mantra that defines the fearless men of Alaska's 212th Pararescue Unit, the PJs, one of the most elite military forces on the planet. Whether they are rescuing citizens injured and freezing in the Alaskan wilderness or saving wounded Rangers and SEALs in blazing firefights at war, the PJs are some of the least known and most highly trained of America's warriors.

Superman School is the true story of how Jimmy Settle, an Alaskan shoe store clerk, became a Special Forces Operator and war hero. After being shot in the head during a dangerous high mountain operation in Afghanistan, Jimmy returns to battle with his teammates for a heroic rescue, the bullet fragments stitched over and still in his skull. In a cross between a suicide rescue mission and an against-all-odds mountain battle, his team of PJs risk their lives again in an epic firefight. When his helicopter is hit and begins leaking fuel, Jimmy finds himself in the worst possible position as a rescue specialist-forced to leave members from his own team behind. Jimmy will have to risk everything to get back into the battle and save his brothers.

From death-defying Alaskan wilderness training, wild rescues, and battles against the Taliban and Al Qaeda, this is the true story of how a boy from humble beginnings became an American hero.

Praise for the adult edition, *Never Quit* :

"Whether in training or combat, in Philadelphia or Alaska or Afghanistan, *Never Quit* serves up an inspirational can-do attitude in every adrenaline soaked life-saving page (...)

Stella
A Novel
by Helen Eve

Seventeen-year-old Stella Hamilton is the star blazing at the heart of Temperley High. Leader of the maliciously exclusive elite, she is envied and lusted after in equal measure. And in the Hamilton tradition, she is in the final stage of a six-year campaign to achieve her destiny: love with her equally popular male equivalent, and a triumphant election to Head Girl.

Caitlin Clarke has lived a quietly conformist life in New York City - until, with the collapse of her parents' marriage, she's sent across the Atlantic for a strict English boarding school education. As soon as she arrives at Temperley, she learns that the only important rules are the unwritten ones. The upper echelons of her new society are marked not by neat dresses and Kate Middleton hair, but by skinny jeans, cigarettes and scars. It's a world of the beautiful and the dangerous, and acceptance means staying on the right side of the most beautiful and dangerous of them all.

As Caitlin's popularity grows, she discovers that not everyone is happy under Stella's rule - that it might finally be time for a new order among the Stars and the civilians. Fighting the system, however, means Caitlin must tread the same dark path as Stella, where absolute power and absolute destruction are only a breath away . . .

Sharp, clever, and scandalous; Queen Bee rivalry has never been so entertaining!-J.A. Redmerski, *New York Times* bestselling author of *The Edge of Never*

Author Bio

HELEN EVE grew up in the north of England and attended Oxford University. For the next seven years she ran an outreach initiative encouraging applicants for her college. In this role she visited hundreds of high schools each year before leaving to focus on a creative writing MA, from which she has just graduated with distinction. *Stella* and its prequel *Boarding School Girls* are her first novels.
