When her FBI agent father is framed for murder, Kylene is forced to move in with her grandfather, back to the small town that turned its back on her, and the boy who betrayed her.

All Ky cares about is clearing her father's name, but someone won't let her forget the photo scandal that drove her away two years ago. As the threats gain momentum, Ky finds an unlikely ally in the annoyingly attractive rookie FBI agent sent to keep an eye on her.

Determined to expose the town's hidden skeletons, Ky unwittingly thrusts herself into a much bigger plot. They thought she'd forgive and forget. They're about to learn they messed with the wrong girl.

A quick-witted heroine, a fast-paced plot, and a twisty whodunit mystery kept me on my toes. Fans of Riverdale and Veronica Mars will adore Kylene Danners and devour this suspenseful story. - USA Today bestselling author, K. A. Tucker

"A snarky, brave, likeable sleuth of a heroine, a thoughtful, fast-paced plot, suspense, mystery and a dash of romance."- New York Times bestselling author Samantha Young

"Equal parts fierce and funny, Kylene Danners is the friend you wish had your back. Natusch throws the reader into a pulse-quickening quest for justice that left me whiplashed in the best possible way. I want-no, need!-to see what Kylene does next!" -Kim Savage

When the state is no longer watching, what will you give to feel safe?

New Earth, 2296. Two years after the destruction of a universal surveillance system called the Intercept, New Earth struggles to keep crime under control. The citizens are free, but not protected.

Violet Crowley, the eighteen-year-old daughter of New Earth's founder, has opened Crowley & Associates, a private detective agency, to handle the overflow from the overburdened police force.

Violet's first case—a death written off as a suicide—becomes an obsession. Soon a series of similar deaths leads Violet to believe the Intercept is not only still running—it's in the hands of a killer.

Dark Mind Rising is a thrilling SF murder mystery about a chilling future in which citizens believe they're free after years of emotional surveillance, only to discover a killer is targeting their deepest fears.

"In this fast-paced book, Julia Keller shows she’s at the top of her game—and her game is creating chills and absolute terror." -R.L. Stine, New York Times bestselling author of Goosebumps and Fear Street

"Keller's futuristic novels aren't just fascinating mysteries and exciting adventures, they're a look into humans as a species and the boundaries of our existence." -Kellee Moye, reading coach and teacher, Orange County Public Schools, Orange County (...)

The Dark Intercept
by Julia Keller

When the state controls your emotions, how hard will you fight to feel free?

In a world of endless summer, the Intercept keeps the peace. Violet Crowley, the sixteen-year-old daughter of New Earth’s Founding Father, has spent her life in comfort and safety. Her days are easy thanks to the Intercept, a crime-prevention device that monitors emotion.

But Violet’s easy life is upended the day her friend and longtime crush, Danny Mayhew, gets into a dangerous altercation on Old Earth. When Danny refuses to explain why he put himself in mortal danger, Violet launches a secret investigation to find out what he’s hiding. An investigation that will lead her to question everything she’s ever known about Danny, her father, and the power of the Intercept.

The Dark Intercept is the beginning of a "riveting" (Emmy Laybourne) science fiction adventure that challenges the voluntary surrender of liberties for the perception of safety.

"The Dark Intercept grabbed me from the first page and shook me until the last." -Emmy Laybourne, author of Monument 14

"A chilling and thought-provoking look at the power of weaponized emotion." -Melissa Landers, author of Starflight

Seriously Hexed
by Tina Connolly

Cam has resigned herself to being a witch. Sort of. She’s willing to do small things, like magically help her boyfriend Devon get over his stage fright. But tangling with other witches is not on her wishlist. Joining her mother's wicked witch coven is right out.

New acquaintance Poppy Jones is a Type A, A+ Student of True Witchery. She’s got all the answers, and she’s delighted to tangle with a bunch of wicked witches. She doesn’t need any reluctant witch getting in her way, especially one who knows less than a dozen spells, and has zero plans for witch college.

Then a coven meeting goes drastically awry. A hex is taking down all thirteen members of the coven, one by one-putting both girls' mothers in jeopardy. Now the two teens are going to have to learn to work together, while simultaneously juggling werewolf puppies, celebrity demons, thirteen nasty hexes, and even nastier witches. They may have to go through hell and high water to save their mothers—but they also might find a new friendship along the way.
