Mirage A Novel by Somaiya Daud

*The crown of Dihya had been stripped from me, my face changed, my body broken.
But I was not a slave and I was not a spare.
I was my mother's daughter, and I would survive and endure. I would find my way back home.*

In a star system dominated by the brutal Vathek empire, sixteen-year-old Amani is a dreamer. She dreams of what life was like before the occupation, she dreams of writing poetry like the old world poetry she loves to hear read, she dreams of receiving a sign from Dihya that one day, she, too, will have adventure, and travel beyond her isolated moon.

But when adventure comes for Amani, it is not what she expects. When she is kidnapped by the government and taken in secret to the royal palace, she discovers that she is nearly identical to the cruel half-Vathek Princess Maram. The princess is so hated by her conquered people that she requires a body double, someone to appear in public as Maram, ready to die in her place. As Amani is forced into her new role, she can't help but enjoy the palace's beauty-and her time with the princess' fiancé, Idris. But the glitter of the royal court belies a world of violence and fear, and one wrong move could lead to her death.

" *Mirage* is full of characters who feel like they existed long before the story began, and a rich world that is as beautiful as it is cruel. Somaiya Daud is a rare talent. A smart, romantic, *exciting* debut."

The Prodigy

A Novel

by John Feinstein

Seventeen-year-old John Franklin Baker, aka "Frank," is a golfing sensation who's dominated junior tournaments for a couple of years. He's set to earn a full ride scholarship at the college of his choice, but his father has even bigger plans for him first: he believes his son has a shot at becoming the youngest winner of the Masters tournament.

After reaching the semifinals of last summer's U.S. Amateur tournament, the wunderkind is about to go back to the Amateur in a few weeks, and sponsors are lining up for a chance to attach Frank's name to their products. The sport hasn't been cheap over all the years—lessons, gear, travel, entry fees, and more have all taken their toll on the family bank account—so his dad is eager to sign his son's name on the dotted line of a few contracts, and even more eager for his son to try turning pro although he has another year of high school to go.

But his entry in the Masters hinges on maintaining his standing as an amateur. Can he keep his dad at bay long enough to bring home the legendary green jacket?

Attucks!

Oscar Robertson and the Basketball Team That Awakened a City

by Phillip Hoose

A rousing rags-to-riches episode, a tale of youth power, and a scarcely told chapter in African-American history, *Attucks!* charts the rise of the legendary Crispus Attucks High School Tigers in the 1950s. By winning the Indiana state high school basketball boys' championship in 1955, ten teens from a school meant to be the centerpiece of racially segregated education in Indiana shattered the myth of their own inferiority. Their brilliant coach had fashioned an unbeatable team from a group of boys born in the South and raised in poverty, anchored by the astonishing player Oscar "The Big O" Robertson. The Crispus Attucks Tigers went down in history as the first state champions from the city of Indianapolis and the first all-black team in U.S. history to win a racially open championship tournament.

Unstoppable Moses

A Novel

by Tyler James Smith

In this coming-of-age debut audiobook from Tyler James Smith, a seventeen-year-old boy has one week in the aftermath of a disastrous prank to prove to the authorities, and to himself, that he's not a worthless jerk who belongs in jail.

Moses and his cousin Charlie were best friends, wisecracking pranksters, unstoppable forces of teenage energy - until the night they became accidental arsonists and set in motion a chain of events that left Moses alone, guilt-stricken, and most likely trapped in his dead-end town.

Then Moses gets a lucky break: the chance to volunteer as a camp counselor for week and prove that the incident at the bowling alley should be expunged from his record. And since a criminal record and enrollment at Duke are mutually exclusive, he's determined to get through his community service and get on with his life. But tragedy seems to follow him wherever he goes, and this time, it might just stop him in his tracks.

Praise for *Unstoppable Moses*:

When people say reading makes us more empathetic, they are talking about books like *Unstoppable Moses* by Tyler James Smith. A lyrical, hilarious, so-real-it-hurts debut that reminds us all just how much we have to lose, and why it's important to never give up. I'm so happy this book is in the world."
