

A Dog's Way Home

W. Bruce Cameron

A triumphant return to the tradition of Cameron's beloved bestselling *A Dog's Purpose*: a classic story of the human-animal bond from a dog's point of view

From W. Bruce Cameron, the author of the *New York Times* and *USA Today* bestselling novel *A Dog's Purpose*, which is now a major motion picture!

Lucas Ray is shocked when an adorable puppy jumps out of an abandoned building and into his arms. Though the apartment he shares with his mother, a disabled veteran, doesn't allow dogs, Lucas can't resist taking Bella home.

Bella is inexplicably drawn to Lucas, even if she doesn't understand the necessity of games like No Barks. As it becomes more difficult to hide her from the neighbors, Lucas begins to sneak Bella into the VA where he works. There, Bella brings joy and comfort where it is needed most.

After Bella is picked up by Animal Control because pit bulls are banned in Denver, Lucas has no choice but to send her to a foster home until he can figure out what to do. But Bella, distraught at the separation, doesn't plan to wait. With four hundred miles of dangerous Colorado wilderness between her and her person, Bella sets off on a seemingly impossible and completely unforgettable adventure home.

A classic story of unwavering loyalty and incredible devotion, *A Dog's Way Home* is a beautifully told, charming tale that explores the unbreakable bond between us and our pets. This fantastic and exhilarating journey of the heart is in the same tradition as the beloved bestseller, *A Dog's Purpose*.

W. BRUCE CAMERON is the *New York Times* and *USA Today* bestselling author of *A Dog's Purpose* (now a major motion picture), *A Dog's Journey*, *The Dog Master*, and *The Midnight Plan of the Repo Man*. He lives in California.

The Distance Home

Orly Konig

A powerful and sparkling women's fiction debut novel of second chances, friendship, and healing: "I couldn't put it down!"—Meg Donohue, *USA Today* bestselling author

Sixteen years ago, a tragic accident cost Emma Metz her two best friends—one human and one equine. Now, following her father's death, Emma has reluctantly returned to the Maryland hometown she'd left under a cloud of guilt.

Sorting through her father's affairs, Emma uncovers a history of lies tying her broken family to the one place she thought she could never return—her girlhood sanctuary, Jumping Frog Farm.

Emma finds herself drawn back to the stable after all these years. It's easy to win forgiveness from a horse, but less so from her former friend Jillian, their once strong bond destroyed by secrets and betrayals. But despite Jillian's cold reception, for the first time in years, Emma feels at home.

To exorcise the past, Emma will have to release her guilt, embrace an uncertain future, and trust again in the healing power of horses.

PRAISE

"Secrets, betrayals, and compelling human and equine characters abound in this absorbing and heartfelt novel about one woman's difficult journey toward forgiveness."—Meg Donohue, *USA Today* bestselling author

"Konig beautifully captures the peace of being with horses, and how fragile that peace can be."—Susan Wilson, *New York Times* bestselling author

"A lovely and evocative story . . . moving easily from past to present, and weaving the two seamlessly, Konig's writing is captivating from beginning to end."—Shelley Noble, *New York Times* and *USA Today* bestselling author

After years in the corporate world (most of it in the space industry), ORLY KONIG took a leap into the creative world of fiction. She is the founding president of the Womens Fiction Writers Association and an active member of the Writers in the Storm blog. She lives in Maryland with her family. *The Distance Home* is her first novel.

Becoming Bonnie

Jenni L. Walsh

From debut historical novelist Jenni L. Walsh comes the untold story of how wholesome Bonnelyn Parker became half of the infamous Bonnie and Clyde duo

The summer of 1927 might be the height of the Roaring Twenties, but Bonnelyn Parker is more likely to belt out a church hymn than sling drinks at an illicit juice joint. She's a sharp girl with plans to overcome her family's poverty, provide for herself, and maybe someday marry her boyfriend, Roy Thornton. But when Roy springs a proposal on her and financial woes jeopardize her ambitions, Bonnelyn finds salvation in an unlikely place: Dallas's newest speakeasy, Doc's.

Living the life of a moll at night, Bonnie remains a wholesome girl by day, engaged to Roy, attending school and working toward a steady future. When Roy discovers her secret life, and embraces it—perhaps too much, especially when it comes to booze and gambling—Bonnie tries to make the pieces fit. Maybe she *can* have it all: the American Dream, the husband, and the intoxicating allure of jazz music. What she doesn't know is that her life—like her country—is headed for a crash.

She's about to meet Clyde Barrow.

Few details are known about Bonnie's life prior to meeting her infamous partner. In *Becoming Bonnie*, Jenni L. Walsh shows a young woman promised the American dream and given the Great Depression, and offers a compelling account of why she fell so hard for a convicted felon—and turned to crime herself.

PRAISE

“A compelling account of a nation and a life in disarray—readers will feel for Bonnelyn as she finds herself scrabbling for survival in a world turned upside down. How do you get from good girl to gangster's moll? Jenni Walsh takes you along for the ride with Bonnelyn Parker in an account so vivid you would think you were there with her.”—*New York Times* bestselling author Lauren Willig

“A dazzling and compulsively-readable adventure of self-discovery, with a voice both singular and irresistible. I dare you not to fall in love with Bonnie, and her intoxicating, wholly immersive world.”—Lee Kelly, author of *City of Savages*

JENNI L. WALSH has spent the past decade enticing readers as an award-winning advertising copywriter. Her passion lies in transporting readers to another world, be it in historical or contemporary settings. She is a proud graduate of Villanova University, and lives in the Philly 'burbs with her husband, daughter, son, and goldendoodle.

Tower Down

A Kirk McGarvey Novel

David Hagberg

The *New York Times* bestselling Kirk McGarvey series continues in this searing thriller about terrorist attacks on NYC's pencil towers

A freelance killer, code-named Al-Nassar, “the Eagle,” blows the supports on a pencil tower in Manhattan and sends it crashing down. Hundreds of people are killed, both the multi-billionaires inside and the innocent bystanders on the street more than one thousand feet below. It's like 9/11 all over again.

CIA legend Kirk McGarvey believes that someone in the Saudi Arabian government, feeling the internal pinch of sharply declining oil revenues and the escalating costs of defending its borders against ISIS, is behind the attack. The Saudis hope to awaken America's will and military might against ISIS.

But no one in the White House or even in the CIA wants to believe that more Americans are going to die. Only McGarvey, his partner Pete Boylan, and his long time friend, the computer genius odd-duck Otto Rencke, believe that another attack on a Manhattan skyscraper is imminent.

The trio embarks on a mission to find the Eagle and stop him before he strikes again. They're hot on his trail—but the clock is ticking.

A Scourge of Vipers

Bruce DeSilva

Liam Mulligan is back in a tale of big stakes gambling, crooked politicians, and mob money shenanigans: "DeSilva delivers a newspaper story that ranks with the best of them."—Michael Connelly

To solve Rhode Island's budget crisis, the state's colorful governor, Attila the Nun, wants to legalize sports gambling; but her plan has unexpected consequences. Organized crime, professional sports leagues, and others who have a lot to lose—or gain—if gambling is made legal flood the state with money to buy the votes of state legislators.

Liam Mulligan, investigative reporter for *The Providence Dispatch*, wants to investigate, but his bottom-feeding corporate bosses at the dying newspaper have no interest in serious reporting. So Mulligan goes rogue, digging into the story on his own. When a powerful state legislator turns up dead, an out-of-state bag man gets shot, and his cash-stuffed briefcase goes missing, Mulligan finds himself the target of shadowy forces who seek to derail his investigation by destroying his career, his reputation, and perhaps even his life.

A Scourge of Vipers is at once a suspenseful crime story and a serious exploration of the hypocrisy surrounding sports gambling and the corrupting influence of big money on politics.

PRAISE

"Taut, tense, and disturbing. *Providence Rag* is a compelling and thought-provoking tale of murder, ethics, and impossible decisions." —Hank Phillippi Ryan, award-winning author of *Truth be Told*

BRUCE DeSILVA spent forty-one years as a journalist before writing *Rogue Island*, his first novel, which won the 2011 Edgar and Macavity Awards for Best First Novel.

Putin's Gambit

A Novel

Lou Dobbs and James O. Born

From TV broadcaster Lou Dobbs, an international financial thriller about a KGB plot to use a series of terrorist attacks as cover for a Russian military incursion into Estonia

Adjusting to civilian life has not been easy for former Marine Derek Walsh. As he navigates a brutal job on Wall Street and a challenging romance, he wonders if he could be doing more with his life. When an inexplicable \$200 million dollar money transfer is made on his computer, he is thrust into the world of international terror, and the global economy is knocked off its hinges.

On the other side of the Atlantic, a dangerous alliance has formed. Radical Islamists and Russian extremists have set the wheels in motion for Russia to assert its power in Europe. The US President has proven to be weak on foreign policy, the military is stretched too thin, and Vladimir Putin judges this to be the time for Russia to regain its Soviet Empire. Troops mass on the Estonian border, waiting for the order to move.

The FBI believes Walsh was involved in the money transfer and a group of Russians are intent on killing him. As New Yorkers become outraged upon learning of the illegal money transfer and the world economy crashes after a series of terrorist attacks, Walsh and his Marine buddies are the only ones who can keep the world from spinning off its axis.

PRAISE

"An engaging, knowing thriller of the first rank. Written with deep knowledge of global security issues and the world's precarious financial system—and with a timely grasp of Vladimir Putin—this is a novel worth moving to the top of your reading list. A stand-out!" —Ralph Peters, *New York Times* bestselling author of *The Damned of Petersburg*

"Dobbs remains a refreshingly bold thinker who refuses to be intellectually pigeon-holed." —*Publishers Weekly*, starred review, on *War on the Middle Class*

LOU DOBBS, the host of Fox Business News' *Lou Dobbs Tonight*, is a legendary broadcaster, bestselling author, and one of the most respected and insightful voices on politics, economics, society, and business.

JAMES O. BORN is an award-winning author who has published articles on history and Florida. He is a former U.S. Drug Enforcement Agent and is currently a Special Agent with the Florida Department of Law Enforcement.

And Into the Fire

Robert Gleason

Brad Meltzer's *Retribution* meets Brad Thor's *Act of War* in this all-too-possible nuclear thriller.

With an undeniable authority on the subject of all things nuclear, Robert Gleason brings readers' worst fears surrounding nuclear terrorism to life in this character-driven, page-turning thriller.

After allying itself with Pakistan's intelligence services and notorious terrorist group, the Tehrik-e-Taliban-Pakistan (TTP), ISIS is ready to achieve its ultimate dream: Forcing the US into a clash of civilizations in the Mideast. The best way to accomplish this mission is to acquire three Pakistani nukes—then set them off in three US cities.

The head of the CIA's Pakistan desk, Elena Moreno, and an intrepid journalist, Jules Meredith, are on their trail. Unfortunately, a powerful Saudi ambassador is blackmailing a corrupt American president, and now both men will do anything to stop these two women—to the point of having them killed. All the while, a notorious Pakistani terrorist, who twenty years ago was Elena's college lover, is leading a highly skilled, highly trained terrorist team into the US. They are armed with three Hiroshima-style nukes and are hell-bent on incinerating the three American cities.

Can the two women stop them? The clock is ticking.

And Into the Fire is a novel to rank with Vince Flynn's *Consent to Kill*, Brad Meltzer's *Retribution*, and Brad Thor's *Act of War*.

PRAISE

"A spectacular thriller . . . Essential reading." —James Rollins

"Gleason nails the complexities of a horrifying scenario, weaving a terrifying web of treason and danger, all steeped in pure fact." —Steve Berry

"The most realistic nuclear-terror scenario I have encountered, whether on the page or in the Pentagon." —Col. Ralph Peters

"A suspenseful, high stakes, high-octane thriller." —Maj. Gen. Sid Schacnow, US Army (Ret.), Special Forces, and award-winning author

ROBERT GLEASON is a highly regarded expert on nuclear terrorism. He's spoken on it at Harvard five times, on the Sean Hannity and Lou Dobbs TV shows, and starred in a two-hour History Channel special largely devoted to the subject. He has discussed it on George Noory's Coast to Coast AM, NPR and many other shows.

Takedown: A Small-Town Cop's Battle Against the Hells Angels and the Nation's Biggest Drug Gang

Jeff Buck with Jon Land and Lindsay Preston

The story of heroic undercover cop Jeff Buck's battle with Hells Angels and drug-smugglers on the American border

Twenty years working undercover in the netherworld of drugs had left Jeff Buck burned out and grateful to assume the quiet job of police chief in the small town of Reminderville, Ohio. That is, until a simple domestic assault case turns out to have links to the murder of a drug runner in upstate New York and a syndicate smuggling billions of dollars in drugs across the U.S.-Canada border.

Buck uncovers a complex chain linking the Hells Angels to the Russian Mafia in a plot to use Native American tribal land to smuggle their deadly wares into the United States. From grow houses set ablaze in Quebec to the insular St. Regis Mohawk Indian Reservation, from board rooms and biker wars to the frozen rivers that serve as private turnpikes for the drug gangs, Buck opposes a serpentine criminal enterprise that has every reason to want to end his crusade in violence and bloodshed.

Ultimately, his efforts lead to an unprecedented slew of indictments on both sides of the border and prison terms for even the kingpins, toppling an empire once deemed invincible. *Takedown* spans the period of December 2007 to June 2009.

Endgame

Bill Pronzini

MWA Grandmaster Bill Pronzini's latest Nameless Detective novel! "Nameless" is a good man to walk you through the noir landscape. —*The New York Times Book Review*

The Nameless Detective has taken many cases over the years... and this is one for the books.

Or rather, two cases that will test his agency's resources. Love is in the air...more to the point, love gone awry. One case involves a woman whose husband who died accidentally in a remote cabin in the Sierras. The wife isn't buying that her husband was alone, and is determined to find out his secret and get closure...in spite of any potential heartbreak.

The other case is a missing person . . . but the person missing was agoraphobic and never left the house. The husband swears that while their relationship was strained due to his wife's condition, he was still in love with her. He begs Nameless to clear him and find his wife before the cops come for him.

Endgame is a classic Nameless tale—twisty puzzles featuring one of mystery's best loved detectives.

PRAISE

"One of the best in the mystery-suspense field."—*The Washington Post Book World*

"The Nameless Detective is a remarkable creation."—*Chicago Sun-Times*

"The best rock 'n' roll songs are 2 minutes 50 seconds long, and the best short detective novels are written by Bill Pronzini. In both genres you are drawn in immediately, have a lot of fun, and when it's over, you look ahead to the next time."—*The Boston Globe*

"The reader's involvement with 'Nameless' and his problems continue to increase in intensity, making the series succeed on an emotional level rare in the field."—*Ellery Queen's Mystery Magazine*

BILL PRONZINI has been nominated for, or won, every prize offered to crime fiction writers, including the Grand Master Award from the Mystery Writers of America. It is no wonder, then, that *Detroit Free Press* said of him, "It's always nice to see masters at work. Pronzini's clear style seamlessly weaves [storylines] together, turning them into a quick, compelling read." He lives and writes in California, with his wife, crime novelist Marcia Muller.

Mad as Hell

America's #1 All-Night Radio Host Takes on the Dangerous World We Live In

George Noory

The problems that drive George Noory crazy every night on his #1-rated All-Night Radio Show, *Coast to Coast AM*.

As the candidacies of Donald Trump and Bernie Sanders have proven, Americans are mad as hell about the problems facing our country. George Noory hears these problems every night, all night, and this is how he would deal with them.

"I'm angry because sometimes I feel like a stranger in America. We live in a dangerous world that is sorely in need of an effective political system that deals with the ongoing destruction of the middle class, an aging population, permeable borders, technology out of control, and shocking, mindless violence and wars. But we can bring back the America that makes us proud. It will take hard work and pulling together as a society.

I have been called a voice in the darkness. The concepts I deal with are not only on the cutting edge of science and technology, but with subjects as provocative as aliens and angels, as challenging as supervolcanos and the fire and brimstone of the End Time. With a radio show heard by millions, I consider myself not an entertainer or someone to dictate how we should live, but a facilitator who can help guide the path chosen.

Join me by reading why I am mad . . . and maybe you will get as angry as I am about conditions in the country we love."

PRAISE

Shoreline

A Nora Khalil Novel

Carolyn Baugh

The second suspense novel featuring FBI agent Nora Khalil by Carolyn Baugh, acclaimed author of *The View from Garden City*.

Officer Nora Khalil is used to navigating different terrains. She fought hard to excel in the competitive atmosphere of Quantico. As a Muslim, she must honor the expectations of her traditional Egyptian American family while living in the secular world. She can hold her own against hardened murderers and rapists, and her years as a competitive runner ensure that no suspect ever escapes on foot.

Assigned to the FBI office in Erie, Pennsylvania, she tries to fit into small-town America after a childhood growing up in the bustle of Philly's dark streets. A series of horrific acts of violence are committed by a well-connected group of domestic terrorists eager to spark a national revolution. The town erupts in chaos and the eyes of the nation are on these events. In turn, this heats up the debate about the fabric of our nation...and how those who feel disenfranchised by our new multiculturalism are determined to take back their birthright and, in their own words, make our nation great again.

Can Nora and her team not only save lives and catch the bad guys but defuse the situation before the carnage goes national?

One Year After

A John Matherson Novel

William R. Forstchen

The *New York Times* bestselling follow-up to William R. Forstchen's smash hit *One Second After*, about a community struggling to survive in the aftermath of an EMP attack

Months before publication, William R. Forstchen's *One Second After* was cited on the floor of Congress as a book all Americans should read. This thrilling follow-up to that smash hit begins one year after *One Second After* ends, two years since nuclear weapons were detonated above the United States and brought America to its knees. After months of suffering starvation, war, and countless deaths, the survivors of Black Mountain, North Carolina, are beginning to recover technology and supplies they had once taken for granted. When a "federal administrator" arrives in a nearby city, they dare to hope that a new national government is finally emerging.

Progress is halted when the young men and women in the community are drafted into the "Army of National Recovery." Town administrator John Matherson and the people of Black Mountain protest vehemently. But "the New Regime" is already tyrannizing one nearby community, and it seems that Matherson's friends and neighbors will be next.

WILLIAM R. FORSTCHEN is the *New York Times* bestselling author of *One Second After*. He holds a Ph.D. in history from Purdue University, with specializations in military history and the history of technology. The Fallen

A Testament Novel

Eric Van Lustbader

A new, pulse-pounding thriller from the *New York Times* bestselling author of the Jason Bourne series and *The Testament*

The End of Days has been predicted for the last two thousand years. Now, without warning, it is upon us. In a hidden cave in the mountains of Lebanon, a man makes a fateful discovery. He will bring what has been forbidden for thousands of years out of the darkness and into the light: the Testament of Lucifer.

In Istanbul, Bravo Shaw, head of the Gnostic Observatine sect, is warned by Fra Leoni of the war between Good and Evil, waged to a standstill since time immemorial. Now an unfathomable danger has arisen: Lucifer's advance guard, the Fallen. Humankind is in danger of being enslaved by the forces of evil.

Bravo, Fra Leoni, and Bravo's blind, brilliant sister, Emma, are the first and last line of defense against the chaos unleashed by the Testament of Lucifer. All roads lead to the Book of Deathly Things: the Testament of Lucifer. But if Bravo and Emma become privy to its dreadful secrets they very might well forfeit far more than just their lives.

In the sequel to his internationally bestselling *The Testament*, Lustbader delivers a new trilogy that explores religion, politics, and civilization, that plumbs the depths of morality, that, finally, asks us to consider what it really means to be human.

PRaise

"Lustbader is an automatic buy-today-read-tonight author for me—and should be for you."—Lee Child, *New York Times* bestselling author of *61 Hours*

"One of the great thriller authors."—Joseph Finder, *New York Times* bestselling author of *Vanished*

"A master who knows how to manipulate the reader in fiendishly exciting ways."—Steve Berry, *New York Times* bestselling author of *The Venetian Betrayal*

ERIC VAN LUSTBADER is the author of many *New York Times* bestselling thrillers, including *First Daughter*, *Last Snow*, and *Blood Trust*. Lustbader was chosen by Robert Ludlum's estate to continue the Jason Bourne series, and his Bourne novels include *The Bourne Legacy* (also a 2012 film) and *The Bourne Betrayal*. He and his wife live on the South Fork of Long Island.

Judgment at Appomattox

Ralph Peters

The fifth novel of *New York Times* bestselling author Ralph Peters's breathtaking, Boyd Award-winning Civil War series

A great war nears its end. Robert E. Lee makes a desperate, dramatic gamble. It fails. Ulysses S. Grant moves. Veteran armies clash around Petersburg, Virginia, as Grant seeks to surround Lee and Lee makes a skillful withdrawal in the night. Richmond falls.

Each day brings new combat and more casualties, as Lee's exhausted, hungry troops race to preserve the Confederacy. But Grant does not intend to let Lee escape...

In one of the most thrilling episodes in American history, heroes North and South, John Brown Gordon and Phillip Sheridan, James Longstreet and Francis Channing Barlow, battle each other across southern Virginia as the armies converge on a sleepy country court house.

Written with the literary flair and historical accuracy readers expect from Ralph Peters, *Judgment* takes us through the Civil War's last grim interludes of combat as flags fall and hearts break. Capping the author's acclaimed five-novel cycle on the war in the East, this "dramatized history" pays homage to all the soldiers who fought, from an Irish-immigrant private wearing gray, to the "boy generals" who mastered modern war. This is a grand climax to a great, prize-winning series that honors—and reveals—America's past.

PRAISE

"A superlative novel." —*Kirkus Reviews*, starred review, on *Valley of the Shadow*

"[Peters's] empathy and insight have never been more powerfully expressed. *Valley of the Shadow* is a blazing masterpiece." —W.E.B. Griffin, *New York Times* bestselling author

"One of the great Civil War novels of our time . . . superbly researched and brought to life . . . [Be] prepared to risk not being able to put it down." —*Booklist*, starred review, on *Hell or Richmond*

RALPH PETERS, *New York Times* bestselling author, is a retired U.S. Army officer; a strategist and veteran of the intelligence world; a journalist who appears frequently in broadcast media; and a lifelong traveler with experience in over seventy countries on six continents. Combining years of walking Civil War fields and painstaking research with insight gleaned from his own military career, Ralph Peters tells great American tales in a masterful style.

The Damned of Petersburg

A Novel

Ralph Peters

New York Times bestselling author Ralph Peters returns with the fourth installment in his Boyd Award-winning series on the Civil War

Glory turned grim, and warfare changed forever. From the butchery of The Crater, where stunning success collapsed into a massacre, through near-constant battles fought by heat-stricken soldiers, to the crucial election of 1864, *The Damned of Petersburg* resurrects the American Civil War's hard reality, as plumes and sabers gave way to miles of trenches.

Amid the slaughter of those fateful months, fabled leaders—Grant and Lee, Winfield Scott Hancock and A. P. Hill—turned for help to rising heroes, Confederates "Little Billy" Mahone and Wade Hampton, last of the cavaliers, or Union warriors such as tragedy-stricken Francis Channing Barlow and the fearless Nelson Miles, a general at twenty-four.

Nor does Ralph Peters forget the men in the ranks, the common soldiers who paid the price for the blunders of commanders who'd never know their names. In desperate battles now forgotten, such as Deep Bottom, Globe Tavern, and Reams Station, soldiers on both sides were pushed to the last human limits—but fought on as their superiors struggled to master a terrible new age of warfare.

The Damned of Petersburg revives heroes aplenty—enriching readers' knowledge of America's most terrible war—but above all, this novel is a tribute to the endurance and courage of the American soldier, North or South.

PRAISE

"Rich in detail and rendered with a literary flair . . . Magnificent." —Kirkus Reviews, starred review

"Another brilliant addition to the best series of Civil War novels ever written." —William Martin

"No one can come close to Peters' unique combination of passion and pride and tragedy. I predict that *The Damned of Petersburg* will be a classic that people will read for the next fifty years." —Thomas Fleming

Night Work

A Michael Cassidy Novel

David C. Taylor

The second book in David C. Taylor's transporting historical crime fiction series, set in Cold War, red-scare era NYC

Michael Cassidy, a New York cop plagued by dreams that sometimes come true, escorts a prisoner accused of murder to Havana on the cusp of Fidel Castro's successful revolution against the Batista dictatorship. After delivering the man to La Cabaña prison and rescuing Dylan McCue, his former lover, from her scheduled execution, Cassidy returns to New York and retreats into the comforts of alcohol and sex.

The arrival of Fidel Castro in New York three months later complicates the cop's life once more. Cassidy's investigation of a young man's murder in Central Park is interrupted when he is assigned to Castro's protective detail.

Castro has many enemies. American mobsters who have been run out of Havana, businessmen who worry about their investments in Cuba, and members of Batista's secret police all want him dead. Cassidy is already investigating one murder. Can he prevent another?

PRAISE

"David Taylor hits the bulls-eye right in the middle of 1950s Manhattan with this riveting, historical thriller." —William Martin

"Superb . . . Taylor's masterly command of historical detail and his powerful delineations of characters both real and fictional should help put this second novel, like his first, into contention for an Edgar Award." —Publishers Weekly, starred review

"Building into a slam-bang finale . . . the novel sails smoothly forward, nicely combining romance, historical detail, and, yes, that delightfully gin-soaked atmosphere." —Booklist

DAVID C. TAYLOR was born and raised in New York City. He spent twenty years in Los Angeles writing for television and the movies. He has published short stories and magazine articles, and has had an Off-Broadway musical produced in New York. He now divides his time between Boston and the coast of Maine.

Gone to Dust

Matt Goldman

The debut private eye murder mystery from Emmy Award-winning Seinfeld writer Matt Goldman: “A perfect blend of light touch and dark story.”—Lee Child

A brutal crime. The ultimate cover-up. How do you solve a murder with no useable evidence?

Private detective Nils Shapiro is focused on forgetting his ex-wife and keeping warm during another Minneapolis winter when a former colleague, neighboring Edina Police Detective Anders Ellegaard, calls with the impossible.

Suburban divorcee Maggie Somerville was found murdered in her bedroom, her body covered with the dust from hundreds of emptied vacuum cleaner bags, all potential DNA evidence obscured by the calculating killer.

Digging into Maggie’s cell phone records, Nils finds that the most frequently called number belongs to a mysterious young woman whose true identity could shatter the Somerville family--but could she be guilty of murder?

After the FBI demands that Nils drop the case, Nils and Ellegaard are forced to take their investigation underground, where the case grows as murky as the contents of the vacuum cleaner bags. Is this a strange case of domestic violence or something with far reaching, sinister implications?

PRAISE

“Sharp wit, complex characters, and masterful plotting makes Goldman a writer to watch. Irreverent and insightful, private detective Nils Shapiro is sure to become a fan favorite.”—Harlan Coben, *New York Times* bestselling author

**“A perfect blend of light touch and dark story—I want more of Nils Shapiro.”
—Lee Child, *New York Times* bestselling author**

“A clever mystery that starts with a unique crime scene, mixes in a package of red herrings, and tops off the plot with Nils Shapiro, a private eye who is as interesting as his name.”—Phillip Margolin, *New York Times* bestselling author

MATT GOLDMAN is a playwright and Emmy Award-winning television writer for *Seinfeld*, *Ellen*, and other shows. He brings his signature storytelling abilities and light touch to his debut novel *Gone to Dust*. He began his career as a stand-up comedian while attending the University of Minnesota before moving to Los Angeles to write full-time.

Assassin's Code

Ward Larsen

David Slaton returns for another adrenaline-packed adventure by *USA Today* bestselling author Ward Larsen

Former assassin David Slaton discovers a cryptic message: on a memory stick, a photograph of the man who will soon assume command of DGSI, France's elite counterterrorism force. With the country reeling under a wave of ISIS attacks, Zavier Baland will be trusted to make the Republic safe again. The problem—Slaton has seen Baland's face before. He is Ali Samir, a terrorist Slaton is certain he killed fifteen years earlier. Unable to reconcile these facts, he heads west to investigate.

Thousands of miles away, ISIS's chief information officer tries to keep networks running amid crumbling infrastructure. With the caliphate's very survival at stake, the leadership commits to a last-ditch gambit: France must be attacked on a massive scale, forcing the West into the battle of the Apocalypse.

Slaton keeps a breakneck pace, traveling from Tel Aviv to Paris and farther, each step uncovering both new threats and new opportunities. A small band of jihadists navigates the Baltic in a hijacked boat, steering toward a strike that will bring France to her knees. On the third side of a devil's triangle, France's incoming counterterrorism chief prepares a labyrinthine plot of his own. Only one man is in a position to stop the gathering storm.

David Slaton—the perfect assassin.

PRAISE

For Assassin's Silence:

"[Larsen's] best yet . . . Slaton is the perfect assassin, and this is the perfect action-adventure thriller." —*Booklist*, starred review

"An engrossing narrative filled with a lively cast of characters." —*Kirkus Reviews*

"Larsen is not just a dazzling new talent; he's a dazzling new *superstar!*" —Stephen Coonts

"Highly reminiscent of Robert Ludlum's Jason Bourne series." —David Hagberg

WARD LARSEN is a *USA Today* bestselling author and three-time winner of the Florida Book Award. His work has been nominated for both the Edgar and Macavity Awards. A former US Air Force fighter pilot, Larsen flew more than twenty missions in Operation Desert Storm. He also served as a federal law enforcement officer and is a trained aircraft accident investigator. His first thriller, *The Perfect Assassin*, is being adapted into a major motion picture by Amber Entertainment.

Dark Light

Dawn

Jon Land; Created by Fabrizio Boccardi

From author Jon Land and creator Fabrizio Boccardi comes the story of a deadly, global epidemic and the man who holds the power to either save the world or destroy it.

With an uncanny ability to survive any combat situation, Max Younger has built a good life for himself as a Navy SEAL. That is, until a rogue rescue operation plunges him back into the past he thought he'd escaped forever.

Waiting for him in New York are terrible, long-hidden truths rooted in the tragic death of his father. But the origin of those truths lie further back than that, and Max finds himself ensnared in a sinister plot involving nothing less than the biblical apocalypse.

The explosive conflagration of events reunites him with the only woman he ever loved: Victoria Lewin, a brilliant expert in infectious disease who may be the only one who can stop the spread of a deadly pestilence threatening the planet. Max's reunion with Vicky comes amid a firestorm being unleashed by forces that date back to the very origins of the universe.

Across the globe, the stage is being set for a final, epic confrontation between the forces of good and evil. Sides are chosen, a fearsome army rises, and the lines between science and superstition become increasingly blurred. Max desperately seeks to discover whether he is fated, under the shadow of the Medusa Strain, to help save the world . . . or destroy it.

PRAISE

Praise for Black Scorpion:

"Land skillfully explores the character amid a heart-pounding adventure that will keep readers turning the pages, effectively bridging the gap between the gritty traditional thriller protagonist and the larger-than-life comic book superhero."

—*New York Journal of Books*

"Fierce, ambitious, and a completely different animal from Land's other fare."

City of Saviors

Rachel Howzell Hall

"Deserves to be compared to Kathy Reichs or Patricia Cornwell, and it will not be long before she is recognised as every bit as big a crime-writing star."—Daily Mail

After a long Labor Day weekend, seventy-three-year-old Eugene Washington is found dead in his Leimert Park home. At first blush, his death seems unremarkable—heatwave combined with food poisoning from a holiday barbecue. But something in the way Washington died doesn't make sense. LAPD Homicide Detective Elouise "Lou" Norton is called to investigate the death and learns that the only family Washington had was the 6,000-member congregation of Blessed Mission Ministries, led by Bishop Solomon Tate.

But something wicked is lurking among the congregants of this church.

Lou's partner, Detective Colin Taggart, thinks her focus on the congregation comes from her distrust of organized religion. But Lou is convinced that the murderer is sitting in one of those red velvet pews—and that Bishop Tate may be protecting the wolf in the flock. Lou must force the truth into the light and confront her own demons in order to save another soul before it's too late.

PRAISE

"Lou . . . is a formidable fighter—someone you want on your side."—New York Times Book Review

"Hall has created a strong and likable African American detective who rivals Michael Connelly's Harry Bosch in grit, intelligence, and tenacity."—Library Journal, starred review on Trail of Echoes

"A fresh voice in crime fiction."—Lee Child, New York Times bestselling author

"A much needed breath of fresh air . . . Quite simply, in this series, Hall is hitting all the right notes."—The Root
