Ana must race against the clock, her competitors, and her own heart! Will she stay ahead or fall behind?

Welcome to the Cosmic Race, where winner takes all - all of Dr. Laslo's immense galactic empire! Eight students compete to find three gems hidden across time and space. The first challenge took place on Earth, from the time of the dinosaurs to Victorian England! Keene is still the favored to win, Ana won the first gem with the help of the mysterious Keio, for reasons Ana still doesn't understand.
