Nora Roberts

The #1 *New York Times* bestseller now available in paperback.

A saga of love, family ties, and twisted passions from the #1 *New York Times* bestselling author of *The Obsession*...

The Bodine ranch and resort in western Montana is a family business, an idyllic spot for vacationers. A little over thirty thousand acres and home to four generations, it's kept running by Bodine Longbow with the help of a large staff, including new hire Callen Skinner. There was another member of the family once: Bodine's aunt, Alice, who ran off before Bodine was born. She never returned, and the Longbows don't talk about her much. The younger ones, who never met her, quietly presume she's dead. But she isn't. She is not far away, part of a new family, one she never chose—and her mind has been shattered...

When a bartender leaves the resort late one night, and Bo and Cal discover her battered body in the snow, it's the first sign that danger lurks in the mountains that surround them. The police suspect Cal, but Bo finds herself trusting him—and turning to him as another woman is murdered and the Longbows are stunned by Alice's sudden reappearance. The twisted story she has to tell about the past—and the threat that follows in her wake—will test the bonds of this strong family, and thrust Bodine into a darkness she could never have imagined.

PRAISE

"Roberts always tells a good story that balances romance and suspense, but in this title, the narrative is deeper, the mystery is more layered, and with Alice, Roberts moves into another level of exploring physical and emotional trauma and the powerful balm of family and love. [Roberts] is moving into more complex and darker storytelling, to terrific effect." —*Kirkus Starred Review*

"With its take-no-guff heroine, who understands the importance of family and friends, and a compelling plot peppered with domestic details and composed of equal measures of spine-tingling suspense and sexy romance, this is quintessential Roberts." —*Booklist Rave Revi...*

NORA ROBERTS is the #1 *New York Times* bestselling author of more than 200 novels, including *Come Sundown*, *The Obsession*, *The Liar*, *The Collector*, *Whiskey Beach*, and many more. She is also the author of the bestselling In Death series written under the pen name J.D. Robb. There are more than 500 million copies of her books in print. She lives in Keedysville, MD.

The Glass Room

A Vera Stanhope Mystery

Ann Cleeves

From CWA Diamond Dagger Award winner Ann Cleeves comes *The Glass Room*, the fifth book in the Vera Stanhope series. Published for the first time in the US.

“I do love Vera!” —Val McDermid

“Ann Cleeves is one of my favorite mystery writers! I relish learning more about Vera with each book.”—Louise Penney, *New York Times* Bestselling author of the Inspector Gamache series

DI Vera Stanhope is not one to make friends easily, but her hippy neighbors keep her well-supplied in homebrew and conversation, and somehow bonds have formed. When one of them goes missing, Vera tracks the young woman down to the Writer’s House, a country retreat where aspiring authors work on their stories. Things get complicated when a body is discovered, and Vera’s neighbor is found with a knife in her hand.

Calling in the team, Vera knows that she should hand the case over. She’s too close to the main suspect. But the investigation is too tempting, and she’s never been one to follow the rules. Somewhere there is a killer who has taken murder off the page and is making it real . . .

PRAISE

“Cleeves offers up evocative settings and flawed characters with depth, making her mysteries wonderfully addictive. Her latest is no exception.” —*Library Journal* (Starred Review) on *Harbour Street*

“Winning. It is Stanhope herself—a homely, overweight spinster with blotchy skin, a fondness for alcohol, and a toxic personality—who, using intuition and subtle intimidation, brings all the disorganization to an illogical but satisfying conclusion.” —*Publishers Weekly* on *Silent Voices*

ANN CLEEVES writes two series of traditional mysteries. The Vera Stanhope books have been made into the hit series *Vera* starring Brenda Blethyn and is available in the U.S. through Amazon, Hulu, and the Acorn Channel. The Shetland novels are being filmed by the BBC and are titled Shetland. They are available in the U.S. on Netflix, Amazon Video, and PBS. In 2017, Ann was awarded the CWA Diamond Dagger Award. She lives in England.

Old School

Life in the Sane Lane

Bill O'Reilly and Bruce Feirstein

Old School is in session....

You have probably heard the term *Old School*, but what you might not know is that there is a concentrated effort to tear that school down.

It's a values thing. The anti-Old School forces believe the traditional way of looking at life is oppressive. Not inclusive. The Old School way may harbor microaggressions. Therefore, Old School philosophy must be diminished.

Those crusading against Old School now have a name: Snowflakes. You may have seen them on cable TV whining about social injustice and income inequality. You may have heard them cheering Bernie Sanders as he suggested the government pay for almost everything. The Snowflake movement is proud and loud, and they don't like Old School grads.

So where are you in all this?

Did you get up this morning knowing there are mountains to climb—and deciding how you are going to climb them? Do you show up on time? Do you still bend over to pick up a penny? If so, you're Old School.

Or did you wake up whining about safe spaces and trigger warnings? Do you feel marginalized by your college's mascot? Do you look for something to get outraged about, every single day, so you can fire off a tweet defending your exquisitely precious sensibilities? Then you're a Snowflake.

This book will explain the looming confrontation so even the ladies on *The View* can understand it.

Time to take a stand. Old School or Snowflake. Which will it be?

Bill O'Reilly is a trailblazing TV journalist who has experienced unprecedented success on cable news and in writing thirteen national number-one bestselling nonfiction books. There are currently more than 17 million books in the Killing series in print. He lives on Long Island.

Bruce Feirstein is a screenwriter of the James Bond films *GoldenEye*, *Tomorrow Never Dies*, and *The World Is Not Enough* and the *New York Times* bestselling author of *Real Men Don't Eat Quiche*. He has written for *The New York...*

The Breakdown

The 2017 Gripping Thriller from the Bestselling Author of Behind Closed Doors

B. A. Paris

The next chilling, propulsive novel from the NYT and USA Today bestselling author of *Behind Closed Doors*.

If you can't trust yourself, who can you trust?

Cass is having a hard time since the night she saw the car in the woods, on the winding rural road, in the middle of a downpour, with the woman sitting inside—the woman who was killed. She's been trying to put the crime out of her mind; what could she have done, really? It's a dangerous road to be on in the middle of a storm. Her husband would be furious if he knew she'd broken her promise not to take that shortcut home. And she probably would only have been hurt herself if she'd stopped.

But since then, she's been forgetting every little thing: where she left the car, if she took her pills, the alarm code, why she ordered a pram when she doesn't have a baby.

The only thing she can't forget is that woman, the woman she might have saved, and the terrible nagging guilt.

Or the silent calls she's receiving, or the feeling that someone's watching her....

Glass Houses

A Novel

Louise Penny

The new Chief Inspector Gamache novel from the #1 *New York Times* bestselling author.

When a mysterious figure appears on the village green on a cold November day in Three Pines, Armand Gamache, now Chief Superintendent of the Sûreté du Québec, knows something is seriously wrong. Yet he does nothing. Legally, what can he do? Only watch and wait. And hope his mounting fears are not realized.

From the moment its shadow falls over Three Pines, Gamache suspects the creature has deep roots and a dark purpose. When it suddenly vanishes and a body is discovered, it falls to Gamache to discover if a debt has been paid or levied.

In the early days of the investigation into the murder, and months later, as the trial for the accused begins in a Montreal courtroom on a steamy day in July, the Chief Superintendent continues to struggle with actions he's set in motion, from which there is no going back. "This case began in a higher court," he tells the judge, "and it's going to end there."

And regardless of the trial's outcome, he must face his own conscience.

In her latest utterly gripping book, number-one *New York Times* bestselling author Louise Penny shatters the conventions of the crime novel to explore what Gandhi called the court of conscience. A court that supersedes all others.

PRAISE

"You won't want Louise Penny's latest to end....Any plot summary of Penny's novels inevitably falls short of conveying the dark magic of this series. No other writer, no matter what genre they work in, writes like Penny....It takes nerve and skill — as well as heart — to write mysteries like this." —*The Washington Post*

"Outstanding....On all counts, 'Glass Houses' succeeds brilliantly." —*The Seattle Times*

"A meticulously built mystery that follows a careful ascent toward a breaking point that will leave you breathless. It's Three Pines as you have never seen it before." —*Kirkus Reviews* (starred review)

LOUISE PENNY is the author of the #1 *New York Times* and *Globe and Mail* bestselling series of Chief Inspector Armand Gamache novels. She has won numerous awards, including a CWA Dagger and the Agatha Award (six times), and was a finalist for the Edgar Award for Best Novel. In 2017, she received the Order of Canada for her contributions to Canadian culture. Louise lives in a small village south of Montréal.

Tom Clancy's Op-Center: For Honor

Created by Tom Clancy and Steve Pieczenik, Written by Jeff Rovin

In this chilling new thriller in the *New York Times* bestselling series, simmering tensions threaten to ignite when a silo of Cold War missiles surfaces in the Middle East.

In 1962, at the height of the Cold War, the Soviet Union sent a convoy of nuclear missiles to Cuba. The crisis that followed almost triggered World War III. However, while all eyes were on the Caribbean, not all of the missiles were sent to Cuba. Several ships slipped from the flotilla and headed for a fishing village in a remote, frigid, northeastern Soviet frontier. There, a silo was constructed not far from Alaska.

More than sixty years later, that silo and its lethal contents are intact. Now, Iranian scientists team with a Russian agent and his estranged, arms-smuggling father to bring those missiles to Tehran. When an intel officer at Op Center starts picking up hints of the deal, the government's off-the-grid unit must track the unknown actors – and try to decide whether they can count on data provided by an Iranian defector, a man who has more at stake than anyone realizes.

At the same time, Op-Center sends a lone agent to Havana to try and find an aging revolutionary, a woman, who may hold the key to pinpointing the location of the silo.

Complicating matters is a turf war between Op Center, the White House, and the FBI that threatens to compromise the investigation...as the time to act grows perilously short.

PRAISE

“Suspenseful...An Op-Center book is always a master class in military acronyms and hardware...the simple hostage situations keep the tension cranked high and will satisfy Clancy fans old and new.” —*Publishers Weekly on Dark Zone*

“A top-notch military thriller, combining politics, suspense, and action. Couch and Galdorisi continue to make the Clancy brand shine.” —*Booklist on Into the Fire*

“With intricate plotting, plenty of action, and characters – even villains – that are more than cardboard cutouts, *Tom Clancy's OpCenter: Into the Fire* is definitely a book that will leave you sleep-deprived.” —*Defense Media Network on Into the Fire*

JEFF ROVIN is the author of more than 150 books, fiction and nonfiction, both under his own name, under various pseudonyms, or as a ghostwriter, including numerous *New York Times* bestsellers and over a dozen of the original Tom Clancy's Op-Center novels.

It's Always the Husband

A Novel

Michele Campbell

A suspenseful novel about the troubled friendship among three women and the aftermath when one of them is found dead.

Kate, Aubrey, and Jenny. They first met as college roommates and soon became inseparable, even though they are as different as three women can be. Twenty years later, one of them is standing at the edge of a bridge, and someone else is urging them to jump.

How did things come to this?

As the novel cuts back and forth between their college years and their adult years, you see the exact reasons why these women love *and* hate each other—but can feelings that strong lead to murder? Or will everyone assume, as is often the case, that *it's always the husband*?

PRAISE

“A page-turning whodunnit that will speak to anyone who’s ever had a frenemy.”
—Ruth Ware, bestselling author of *The Woman in Cabin Ten* and *In a Dark, Dark Wood*

“Secrets and scandals in an ivy league setting. What could be more riveting? Michele Campbell’s novel is a page-turning Peyton Place.” —Tess Gerritsen, #1 bestselling author

“A brilliant, twisting read that kept me guessing until the final page. A roller coaster friendship among three college roommates ends in murder years later—unless the husband did it. I read my eyes out!” —Janet Evanovich, #1 bestselling author

A graduate of Harvard University and Stanford Law School, MICHELE CAMPBELL worked at a prestigious Manhattan law firm before spending eight years fighting crime as a federal prosecutor in New York City.

The Vanishing American Adult

Our Coming-of-Age Crisis--and How to Rebuild a Culture of Self-Reliance

Ben Sasse

Senator Ben Sasse's instant *New York Times* bestseller on how to raise resilient, responsible children.

In an age of safe spaces, trigger warnings, and political upheaval, America's kids are not alright.

Many of the coming-of-age rituals that have defined the American experience since the Founding—learning the value of work, leaving home to start a family, becoming economically self-reliant—are being delayed or skipped entirely. The statistics are daunting: a third of all 18- to 34-year-olds live with their parents and most kids over 13 are spending more than 60 percent of their waking hours consuming media.

From these various phenomena, U.S. senator Ben Sasse of Nebraska, who as president of a Midwestern college observed the trials of this generation up close, sees an existential threat to the American way of life.

In *The Vanishing American Adult*, Sasse diagnoses the reasons that this generation can't grow up and offers a path for raising children to become active, engaged citizens. He identifies core experiences for all young people to pursue and parents to encourage—hard work to appreciate the benefits of labor, travel to understand deprivation and want, building a personal library for exposure to new ideas, and nurturing physical health to develop discipline.

Our democracy depends on responsible, contributing adults to function properly. A call to arms, *The Vanishing American Adult* will ignite a crucial debate about the link between the way we're raising our children and the future of our country.

PRAISE

"Sasse's belief that meaningful work gives life purpose, grounded as it is in ancient philosophy and lived experience, is hard to argue with." —*The Weekly Standard*

"If you want to raise a healthy and happy family in a rapidly changing world, [*The Vanishing American Adult*] will provide you with copious notes and ideas... Ultimately, this book has the potential to do what so few books can promise: make you a better person." —*The Daily Beast*

U.S. Senator Ben Sasse is a fifth-generation Nebraskan. He attended public school in Fremont, Neb., and spent his summers working soybean and corn fields. He was recruited to wrestle at Harvard before attending Oxford and later earning a Ph.D. in American history from Yale. Sasse spent five years as president of Midland University back in his hometown. Ben and his wife, Melissa, live in Nebraska but are homeschooling their three children as they commute weekly back and forth to Washington, DC.

The Book of Summer

A Novel

Michelle Gable

“Michelle Gable has moved in on [Elin] Hilderbrand’s home turf with a humorous and smartly written story of two generations of love and vacations.” —Wall Street Journal

The ocean, the wild roses on the dunes and the stunning Cliff House, perched atop a bluff in Sconset, Nantucket. Inside the faded pages of the Cliff House guest book live the spellbinding stories of its female inhabitants: from Ruby, a bright-eyed newlywed on the eve of World War II to her granddaughter Bess, who returns to the beautiful summer estate.

For the first time in four years, physician Bess Codman visits the compound her great-grandparents built almost a century before, but due to erosion, the once-grand home will soon fall into the sea. Bess must now put aside her complicated memories in order to pack up the house and deal with her mother, a notorious town rabble-rouser, who refuses to leave. It’s not just memories of her family home Bess must face though, but also an old love that might hold new possibilities.

In the midst of packing Bess rediscovers the forgotten family guest book. Bess’s grandmother and primary keeper of the book, Ruby, always said Cliff House was a house of women, and by the very last day of the very last summer at Cliff House, Bess will understand the truth of her grandmother’s words in ways she never imagined.

The Killing School

Inside the World's Deadliest Sniper Program

Brandon Webb with John David Mann

***The Killing School* brings readers inside the U.S. Naval Special Warfare (SEAL) Scout/Sniper Course—the grueling three-month training program that produces the world's deadliest snipers.**

As a SEAL sniper and combat veteran, Brandon Webb was tapped to revamp the U.S. Naval Special Warfare (SEAL) Scout/Sniper School, incorporating the latest advances in technology to create an entirely new course that continues to test even the best warriors. In this revealing new book, Webb takes readers through every aspect of this training. Trainees learn to utilize every edge possible to make their shot—from studying crosswinds, barometric pressure, latitude, and even the rotation of the Earth to becoming ballistic experts. In addition to marksmanship, each SEAL's endurance, stealth, and mental and physical stamina are pushed to the breaking point.

Webb also shows how this training plays out in combat, using real-life exploits of the world's top snipers, including Jason Delgado, who made some of the most remarkable kill shots in the Iraq War and Nicholas Irving, the U.S. Army Ranger credited with thirty-three kills in a single tour in Afghanistan.

During Webb's sniper school tenure, the course graduated some of the deadliest snipers of this generation, including Marcus Luttrell (*Lone Survivor*), Adam Brown (*Fearless*), and Chris Kyle (*American Sniper*). *The Killing School* demonstrates how today's sniper is trained to function as an entire military operation rolled into a single individual—an army of one.

PRAISE

"A deeply honest and personal look into what Navy SEAL snipers do for us. . . . As you read all the real-life accounts in this book you'll find they feel so honest and read so well it is hard to put the book down. During Webb's sniper school tenure, the course graduated some of the deadliest and most skilled snipers of this generation, including Adam Brown (*Fearless*) and Chris Kyle (*American Sniper*). . . . *The Killing School* is a bright window into the shadowy world of our elite snipers." —*Forbes*

BRANDON WEBB is the *New York Times* bestselling author of *The Red Circle*. A former U.S. Navy SEAL, he has received numerous distinguished service awards, including the Presidential Unit Citation. As the founder of Hurricane Group, Inc., he runs the largest military content network on the internet. Brandon lives in New York and Puerto Rico.

JOHN DAVID MANN is an award-winning author whose titles include the *New York Times* bestseller *The Red Circle* and the international bestseller *The Go-Giver*.

As Cody makes his way to the lonely stretch of Montana highway where they went missing, Cassie discovers that Gracie and Danielle Sullivan aren't the first girls who have disappeared there. This majestic landscape is the hunting ground for a killer whose viciousness is outmatched only by his intelligence. And he might not be working alone...

I Liked My Life

A Novel

Abby Fabiaschi

Called "marvelous" and "absolutely stunning," this debut asks: What happens when a mother's death leaves her husband and daughter wondering why they thought everything was okay when it was not?

"First-time novelist Abby Fabiaschi unwinds a tale wholly compelling, altogether believable and, at times, so heartbreaking it's hard to believe she isn't already an established author...an impossible-to-put-down and impressive debut." —Associated Press

Maddy was a loving, devoted stay-at-home mother...until she committed suicide, which left her husband Brady and her teenage daughter Eve heartbroken and reeling, wondering how they can possibly continue without her. Maddy, however, isn't quite done with them. In an attempt to fulfill her family's needs, Maddy watches and meddles from beyond the grave, determined to find the perfect wife and mother to replace herself and heal her family. That's when she finds Rory: a free-spirited schoolteacher, who Maddy maneuvers into Eve's confidences, but who turns out to be harboring a tragedy of her own.

PRAISE

"Simultaneously heartbreaking and heartwarming, this hard-to-put-down, engrossing debut will have readers wondering until the very end." —*Library Journal* (starred)

"An absolutely stunning book! *I Liked My Life* is a layered tale with meaningful things to say about life, death, grief and moving forward after tragedy...remarkable." —RT Reviews

"Warm and hopeful, this marvelous debut stands next to novels from Catherine McKenzie and Carolyn Parkhurst in taking the reader on the emotional rides that define marriage and family." —*Booklist* (starred)

ABBY FABIASCHI graduated from The Taft School in 1998 and Babson College in 2002. From there she climbed the corporate ladder in high technology until resigning at the end of 2012 to pursue her lifelong dream of becoming an author. Now Abby and her family divide their time between Tampa, Florida and Park City, Utah. When not writing or watching the comedy show that is her children, she enjoys reading across genres, skiing, hiking, and yoga; *I Liked My Life* is her first novel.

John Oates was born at the perfect time, paralleling the birth of rock 'n roll. Raised in a small Pennsylvania town, he was exposed to folk, blues, soul, and R&B. Meeting and teaming up with Daryl Hall in the late 1960s, they developed a style of music that was uniquely their own but never abandoned their roots. John uncovers the grit and struggle it took to secure a recording contract with the legendary Atlantic Records and chronicles the artistic twists and turns that resulted in a DJ discovering an obscure album track that would become their first hit record. This is not your typical rock and roll story. John was focused creating great music. Along the way he achieved incredible success, battling the ever-changing pop music landscape and coming to terms with complex managerial, business, and personal challenges.

Daryl Hall and John Oates have over 20 albums together, more than 60 million records sold, and 29 Top 40 hits. They are the most successful pop duo in the world and members of the Rock and Roll Hall of Fame. And yet John's story has never been told. Relying on his many hand-written journals, he brings to light many fascinating stories spanning his entire life with a journalist's eye and a poet's heart.

In *Change of Seasons*, John shares his highs, lows, triumphs, and failures. He takes the reader on a wild ride through all the eras, personalities and music that has shaped him into what he is.

PRAISE

"His story stands on its own, and it's one that Oates delights in telling. . . . A charming, almost breezy retrospective. . . . *Change Of Seasons* is Oates' moment in the spotlight, which he handles with aplomb." —*AV Club*

"*Change of Seasons* is not the Hall and Oates story; it's the John Oates story (he's kept diaries for decades), and one is struck not only by how talented he was but how hard he worked at it. It took lots of effort to look that smooth to the tune of 80 million copies." —*Austin American-Statesman*

JOHN OATES grew up outside of Philadelphia in the early '50s. At Temple University, he met fellow musician Daryl Hall. Since the two formed Hall & Oates in the early '70s, they have recorded 21 albums which have sold over 80 million units, making them the most successful duo in rock history. John lives in Nashville and Colorado.

CHRIS EPTING is an author and award-winning journalist who has written for many publications including *The Los Angeles Times*, *The Wall Street Journal*, and *Loudwire*.

Knife Creek

A Mike Bowditch Mystery

Paul Doiron

In this new edge-of-your-seat thriller from Edgar finalist Paul Doiron, Mike Bowditch delves into a long buried investigation to uncover a dangerous secret.

When Maine game warden Mike Bowditch is tasked with shooting invasive feral hogs that are tearing up the forest in his district, he makes a horrific discovery — a dead baby buried in a shallow grave.

Even more disturbing: evidence suggests the infant was the child of a young woman who was presumed to have died four years earlier after she disappeared from a group rafting trip.

As Bowditch assists the reopened investigation, he begins to suspect that some of his neighbors aren't who they seem to be. When violence strikes close to home, he realizes that his unknown enemies will stop at nothing to keep their terrible secrets.

Mike Bowditch has bucked the odds his whole career, but this time the intrepid warden may have finally followed his hunches one step too far.

PRAISE

“A violent, suspenseful, fast-paced tale written in Doiron’s customary tight, vivid prose, with his keen eye for both idiosyncratic Maine characters and the beauty of the natural landscape.” —Associated Press

“*Knife Creek* is a gripping, well-plotted tale. Doiron has reached a new level in his craft, putting him, without a doubt, among the best crime writers working today.” —Portland Press Herald

“The best yet... taut, disturbing and consummately told.” —Maine Sunday Telegram

A native of Maine, bestselling author PAUL DOIRON attended Yale University, where he graduated with a degree in English. *The Poacher's Son*, the first book in the Mike Bowditch series, won the Barry award, the Strand award for best first novel, and has been nominated for the Edgar, Anthony, and Macavity awards in the same category. He is a Registered Maine Guide specializing in fly fishing and lives on a trout stream in coastal Maine with his wife, Kristen Lindquist.

With a nod to tech trailblazers like Sheryl Sandberg and Marissa Mayer, *Geek Girl Rising* introduces readers to the fearless female founders, technologists, and innovators fighting at a grassroots level for an ownership stake in the revolution that's changing the way we live, work and connect. Readers will meet Debbie Sterling, inventor of GoldieBlox, the first engineering toy for girls, which topples the notion that only boys can build; peek inside YouTube sensation Michelle Phan's ipso studios, where she is grooming the next generation of digital video stars while leading her own mega e-commerce beauty business; and tour the headquarters of The Muse, the hottest career site for millennials, and meet its intrepid CEO, Kathryn Minshew, who stared down sexism while raising millions of dollars to fund the company she co-founded. These women are the rebels proving that a female point of view matters in the age of technology and can rock big returns if you have a big idea and the passion to build it.

The Daughter of Sherlock Holmes

A Mystery

Leonard Goldberg

The thrilling tale of Sherlock Holmes' daughter and her companion Dr. John Watson Jr. as they investigate a murder at the highest levels of British society from the *USA Today* bestselling author

1914. Joanna Blalock's keen mind and incredible insight lead her to become a highly-skilled nurse, one of the few professions that allow her to use her finely-tuned brain. But when she and her ten-year-old son witness a man fall to his death, apparently by suicide, they are visited by the elderly Dr. John Watson and his charming, handsome son, Dr. John Watson Jr. Impressed by her forensic skills, they invite her to become the third member of their investigative team.

Caught up in a Holmesian mystery that spans from hidden treasure to the Second Afghan War of 1878-1880, Joanna and her companions must devise an ingenious plan to catch a murderer in the act while dodging familiar culprits, Scotland Yard, and members of the British aristocracy. Unbeknownst to her, Joanna harbors a mystery of her own. The product of a one-time assignation between the now dead Sherlock Holmes and Irene Adler, the only woman to ever outwit the famous detective, Joanna has unwittingly inherited her parents' deductive genius.

The Daughter of Sherlock Holmes is full of excitement and intrigue, sure to be enjoyed by fans of Sherlock Holmes as well as the works of Laurie R. King, Anne Perry, and Charles Finch, all of whom sell well in trade paperback.

An Andy Carpenter Novel

David Rosenfelt

The next novel in David Rosenfelt's witty, heartfelt mystery series featuring lawyer Andy Carpenter and his faithful golden retriever, Tara.

Lawyer Andy Carpenter's true passion is the Tara Foundation, the dog rescue organization he runs with his friend Willie Miller. All kinds of dogs make their way to the foundation, and Andy and Willie aren't surprised to find a dog at the shelter one morning with a note saying someone had found him stray and dropped him off. But they are surprised when they scan the dog's embedded chip. They know this dog. He is the "DNA dog."

Two and a half years ago, Jill Hickman was a single mother of an adopted baby. Her baby and dog were kidnapped in broad daylight in Eastside Park, and they haven't been seen since. A tip came in that a former boyfriend of Hickman's, Keith Wachtel, was the kidnapper. A search of his house showed no sign of the child, but did uncover more incriminating evidence, and the clincher that generated Wachtel's arrest was some dog hair, notable since Wachtel did not have a dog. DNA tests showed conclusively that the hair belonged to Hickman's dog. Wachtel was convicted of kidnapping, but the dog and baby were never found.

Now, with the reappearance of the dog, the case is brought back to light, and the search for the child renewed. Goaded by his wife's desire to help a friend and fellow mother and Andy's desire to make sure the real kidnapper is in jail, Andy and his team enter the case. But what they start to uncover is far more complicated and dangerous than they ever expected.

PRAISE

"Faithful readers will find that Andy has lost none of his sardonic wit and cynical view. Rosenfelt structures chapters to keep the pages turning."

—Booklist

"Smart plot twists ensue, and everyone—Andy, Laurie, and readers—are all the happier for it."

—PW

"Rosenfelt's matchless gift for feather-light exposition that hurtles along without ever feeling rushed or foggy allows him to keep the complications coming until nearly the end."

— Kirkus Reviews

DAVID ROSENFELT is the Edgar and Shamus Award-nominated author of eight stand-alones and fifteen previous Andy Carpenter novels, most recently *Unleashed*. After years living in California,

Eating My Way Through Italy

Heading Off the Main Roads to Discover the Hidden Treasures of the Italian Table

Elizabeth Minchilli

Rome's resident gastronomic expert offers a cultural and culinary celebration of everything that makes Italian cuisine great

After a lifetime of living and eating in Rome, Elizabeth Minchilli is an expert on the city's cuisine. While she's proud to share everything she knows about Rome, she now wants to show her devoted readers that the rest of Italy is a gastronomic treasure trove just waiting to be explored. Far from being a monolithic gastronomic culture, each region of Italy offers its own specialties. While fava beans mean one thing in Rome, they mean an entirely different thing in Puglia. Risotto in a Roman trattoria? Don't even consider it. Visit Venice and not eat cichetti? Unthinkable. *Eating My Way Through Italy*, celebrates the gastronomic differences in the world's favorite cuisine. Divided geographically, *Eating My Way Through Italy* looks at all the different aspects of Italian food culture. Whether it's pizza in Naples, deep fried squid in Venice, street food in Palermo, an elegant dinner in Milan, gathering and cooking capers on Pantelleria, or drinking a chocolate laced coffee in Torino, each chapter includes, not just anecdotes and personal stories, but also recipes that explore the cultural and historical references that make these subjects timeless. For anyone who follows Elizabeth on her blog *Elizabeth Minchilli in Rome*, read her first book *Eating Rome*, or used her brilliant phone app *Eating Italy* to dine well, *Eating My Way Through Italy*, is a must.

PRAISE

Praise for *Eating Rome*:

"Elizabeth Minchilli unlocks the secret door to reveal a thrilling world of Roman food—not just the best places to go but also why Italians adore them. I loved reading this deeply charming book and I can't wait to make the recipes!" —Ina Garten

"A truly insider's culinary guide to Rome, Elizabeth Minchilli takes us into the trattorias, caffès, pizzerias, and gelaterias of Rome." —David Lebovitz, author of *My Paris Kitchen*

Elizabeth Minchilli is the author of seven books on the joys of Italian life. She has written for over 40 magazines and today shares her passion for Italy through her blog, her best-selling apps, and her tour company. She divides her time between a rooftop apartment in Rome and a restored farmhouse in Umbria, with her husband, Domenico.

Winston Graham

The seventh novel in Winston Graham's classic Poldark saga, the major TV series from Masterpiece on PBS.

Cornwall, towards the end of the 18th century. Ross Poldark sits for the borough of Truro as Member of Parliament - his time divided between London and Cornwall, his heart divided about his wife, Demelza.

His old feud with George Warleggan still flares - as does the illicit love between Morwenna and Drake, Demelza's brother.

Before the new century dawns, George and Ross will be drawn together by a loss greater than their rivalry - and Morwenna and Drake by a tragedy that brings them hope

And with the new century, comes much change in the shocking seventh book of Winston Graham's Poldark series, *The Angry Tide*.

The Angry Tide will be part of season 4 of Masterpiece's Poldark TV series, which is scheduled to air in Fall 2018.

The Swamp

Washington's Murky Pool of Corruption and Cronyism and How Trump Can Drain It

Eric Bolling

By the *New York Times* bestselling author of *Wake Up America*: a lively, provocative history of Washington, D.C. political scandal

When Washington D.C. was first built, ironically it was erected on top of an actual swamp that had to be drained. Donald Trump says it's time to drain it again.

In *The Swamp*, bestselling author Eric Bolling presents an infuriating, amusing, revealing, and outrageous history of American politics, past and present, Republican and Democrat. From national political scandals to tempests in a teapot that blew up; sex, bribery, blackmail, bullying, and backroom deals that contradicted public policies; cronyism that cost taxpayers billions upon billions of dollars; and personal conduct that can only be described as regrettable, *The Swamp* is a journey downriver through the bayous and marshes of Capitol Hill and Foggy Bottom.

The presidential election of 2016 was ugly, but it exposed a political, media, industry, and elite establishment that desperately wanted to elect a politician who received millions of dollars from terror-funding states over a businessman willing to tell the corrupt or incompetent, "You're fired."

The book concludes with a series of recommendations for President Trump: practical, hardheaded, commonsensical, and concise ways to drain the swamp and force Washington to be more transparent, accountable, and effective in how it serves those who have elected its politicians and pay the bills for their decisions. Entertaining and timely, *The Swamp* is the perfect book for today's political climate.

Eric Bolling is the author of *Wake Up America*, a *New York Times*, *Wall Street Journal*, *USA Today*, and *Publishers Weekly* bestseller. A native of Chicago, he now lives in New Jersey.

A THOMAS DUNNE BOOK FOR ST. MARTIN'S GRIFFIN

Robert Kirkman's The Walking Dead: Return to Woodbury

Jay Bonansinga

The latest novel in the *New York Times* bestselling *The Walking Dead* series!

To risk everything...

She has weathered over four years of the apocalypse. She has done things that she would not have dreamt of doing in her darkest nightmares. But she has survived. And now, she has staked a claim in the plague-ravaged city of Atlanta. It is a safe haven for her people, rising high above the walker-ridden streets, a place of warmth and comfort.

But for Lilly Caul, something is missing...

She still dreams of her former home—the quaint little village known as Woodbury—a place of heartache as well as hope. For Lilly, Woodbury, Georgia, has become a symbol of the future, of family, of a return to normal life amidst this hell on earth. The call is so powerful that Lilly decides to risk everything in order to go back... to reclaim that little oasis in the wilderness.

Against all odds, against the wishes of her people, Lilly leads a ragtag group of true believers back across the impossible landscape of walker swarms, flooded rivers, psychotic bands of murderers, and dangers the likes of which she has never known. Along the way, she discovers a disturbing truth about herself. She is willing to go to the darkest place in order to survive, in order to save her people, in order to do the one thing she knows she has to do: *Return to Woodbury*.

Trophy Son

A Novel

Douglas Brunt

"Keenly observed and provocative." - Sports Illustrated

Anton Stratis has the physical gifts to become the greatest tennis player in the world. But at what cost? A modern coming-of-age story in the era of overscheduled, overstructured youth, *Trophy Son* tells the story of a tennis prodigy from his childhood through a career in professional tennis, including Wimbledon and the U.S. Open, a world full of drama and big egos. Struggling to find a balance between fame and family amidst his rocketing star power in the tennis world, Anton's life and career are marked with deeply felt emotions, exhilarating highs and desolate lows, scandals, fame, and inner battles.

Drawing on numerous interviews with some of the top players in professional tennis, *Trophy Son* offers an inside look at life on the Tour, both on and off the court, as well as an examination of what it costs to get there and what it takes to live a full life after.

PRAISE

"Trophy Son brings Conroy's *The Great Santini* and Malamud's *The Natural* into the present day, tackling our dangerous obsession with youth athletics and single-sport specialization. A terrific book." - Harlan Coben

"Trophy Son is a fascinating look at what sporting professionals sacrifice in order to succeed." - Associated Press

"Convincingly renders a pro-sports fishbowl peopled by drug-enhanced, endorsement-emblazoned warriors - and the attempts of one weary soldier to escape with his soul." - Vogue

Until 2011, DOUGLAS BRUNT was CEO of Authentium, Inc., an internet security company. He is the author of two previous novels, *The New York Times* bestselling *Ghosts of Manhattan* and *The Means*. A Philadelphia native, he lives in New York with his wife and their three children.

The Map That Leads to You

J. P. Monninger

The most romantic novel of the summer — a book that has been praised by Nicholas Sparks as "unforgettable."

Heather Mulgrew's world is already mapped out: she is going to travel abroad with her friends after college, come back to a great career in September, and head into a life where not much is left to chance. But that was before an encounter on an overnight train introduces her to Jack, a passionate adventurer who changes the course of her journey and her life.

Throwing Heather's careful itinerary to the wind, they follow Jack's grandfather's journal through post-World War II era Europe: Vienna, Budapest, Turkey —exotic places that serve only to heighten their feelings. As September looms, Jack urges Heather to stay with him, to keep traveling, to give in to the romance of their experience; Heather convinces him to return to the United States.

Jack has a secret that could change everything. And Heather's world is about to be shaken to the core.

The Map That Leads to You is a breathtaking novel about love, loss, and the best-laid plans that are meant to be broken.

PRAISE

"Romantic and unforgettable." —Nicholas Sparks

"Monninger's debut novel will strike a chord with fans of Nicholas Sparks' sweeping and sentimental tales." —Booklist

"JP Monninger has written a beautiful novel about the joys of friendship, the risk of romantic love and the power of a secret to unravel a future that appears to offer every possibility of happiness." —Adriana Trigiani

J.P. MONNINGER, author of *The Map That Leads to You*, is an award-winning writer in New England and Professor of English at Plymouth State University.

The Animal Lover's Guide to Changing the World

*Practical Advice and Everyday Actions for a More Sustainable,
Humane, and Compassionate Planet*

Stephanie Feldstein

A practical, far-reaching exploration of how anyone who cares about animals can take action in their own lives and beyond to create a better world for us and them

The Animal Lover's Guide to Changing the World is the book for everyone who loves animals and wants to live a more animal-friendly life, even if they aren't ready to join a movement or give up bacon. With Stephanie Feldstein's guidance, just a few small lifestyle changes can have a huge impact.

The numbers are daunting. With 7.4 billion people on the planet — a number that's doubled over the past 50 years as wildlife populations have plummeted by half, wildlife is going extinct at the fastest rate since the dinosaurs. Three to four million dogs and cats are killed in shelters every year; billions of chickens, pigs, and cows are killed for food; and countless animals are killed in research labs or their habitat. So what can we do?

THE ANIMAL LOVERS' GUIDE TO CHANGING THE WORLD will show readers how to take action — online and in real life — to create a better world for us and the animals we love. It starts with changes as simple as taking a shorter shower, skipping meat once a week, wearing "this" not "that," and extends to political action.

Stephanie Feldstein's message is not one of doom and gloom. It's inspiring and empowering. The animals need us; so let's get on with some world changing!

PRAISE

“Too many animal advocates have a lot of passion, but they're not sure how to actually make a difference. Stephanie Feldstein both wants to build a kinder world and knows how to make it happen. In fact, she's been doing it for years. I can't wait to tout her book when it's out.” —Paul Shapiro, Vice President, Farm Animal Protection, The Humane Society of the United States

Feldstein is the Population and Sustainability Director at the Center for Biological Diversity, where she heads a national program that addresses the connection between human population growth, overconsumption, and the wildlife extinction crisis. She created the innovative Take Extinction Off Your Plate campaign feature, and her work has been featured in *The Huffington Post*, *NPR's The Salt*, *Salon*, *The Guardian*, *The Washington Post* and more.

California Summer

Anita Hughes

***California Summer* is a charming and beautiful love story about a former Hollywood producer who trades her cast list in for cookbooks in the hopes of following her dreams and finding new love.**

Ben and Rosie are Hollywood's newest director/producer dream team. After hitting it big at Sundance, it seems that their ten years of love and hard work are finally paying off. Rosie is happy making independent films, but Ben wants the A-List celebrity package: a house in Beverly Hills, fancy cars in the driveway, and his name on the biggest blockbusters. He's willing to do anything, even sleep with the most famous producer in town, to get them.

Rosie is devastated by Ben's affair, and she decides to take a break from show business. She accepts her best friend's invitation to spend the summer at her parents' estate in Montecito. It's far away from L.A., the perfect place to start over.

In Montecito, Rosie meets a colorful cast of characters including Rachel, who owns a chocolate store, and Josh, a handsome local who splits his time between surfing and classic cars. Suddenly Rosie has new friends and a new purpose. She opens a fish taco store in the village with her secret college recipe. Everyone is buzzing about Rosie's tacos, including Colby, the "it" teen heartthrob who writes a Billboard hit song about Rosie following her dreams. The store is an instant sensation, but Rosie knows that success comes with a price, and the price might be losing Josh.

CALIFORNIA SUMMER is a touching and romantic story about following your dreams but not letting them get in the way of love.

Godsgrave

Book Two of the Nevernight Chronicle

Jay Kristoff

A ruthless young assassin continues her journey for revenge in this new epic fantasy from *New York Times* bestselling author Jay Kristoff.

The Nevernight Chronicle is a complex fantasy series about protagonist Mia Corvere, a kick-butt, flawed heroine on a mission for revenge. Her tale takes place in the immersive world of Godsgrave which, although based on ancient Rome and Venice, is imaginative with many historical details provided by a beloved snarky narrator.

In a land where three suns almost never set, a ruthless assassin continues her quest for vengeance. When it's announced that Consul Scaeva – one of the men responsible for destroying her familia – will be making a rare public appearance at the conclusion of the grand games in Godsgrave, Mia defies the Red Church of assassins and sells herself to a gladiatorial collegium for a chance to finally end him. Upon the sands of the arena, Mia finds new allies, bitter rivals, and more questions about her strange affinity for the shadows. But as conspiracies unfold within the collegium walls, and the body count rises, Mia will be forced to choose between love and revenge, and uncover a secret that could change the very face of her world.

New York Times and internationally bestselling author Jay Kristoff's writing has been praised by critics and readers alike and has won many awards, including four Aurealis Awards, an ABIA, and David Gemmell Morningstar and Legend awards.

Full of plot twists and gore, *Godsgrave* is sure to please Jay's rabid fans and bring new readers to the trilogy.

PRAISE

"Through tragedy, betrayal, and victory, this glorious adventure thrills and satisfies with cold violence, terrifying monsters, roaring crowds, and bloody honor." —*Publishers Weekly* (starred review)

"Sexier, grittier, fiercer, bloodier — Jay Kristoff's *Godsgrave* is an action-packed showstopper." —*USA Today*

JAY KRISTOFF is the *New York Times* bestselling author of *The Lotus War*, *The Illuminae Files* and *The Nevernight Chronicle*. He is the winner of four Aurealis Awards, an ABIA, nominee for the Locus award, David Gemmell Morningstar and Legend awards, and published in over thirty countries. Never Quit

From Alaskan Wilderness Rescues to Afghanistan Firefights as an Elite Special Ops PJ

Jimmy Settle with Don Rearden

Now in paperback, the epic memoir of an Alaskan pararescue jumper, Special Forces Operator, and decorated war hero.

“That Others May Live” is a mantra that defines the fearless men of Alaska’s 212th Pararescue Unit, the PJs, one of the most elite military forces on the planet. Whether they are rescuing citizens injured and freezing in the Alaskan wilderness or saving wounded Rangers and SEALs in blazing firefights at war, the PJs are the least known and most highly trained of America’s warriors.

Never Quit is the true story of how Jimmy Settle, an Alaskan shoe store clerk, became a Special Forces Operator and war hero. After being shot in the head during a dangerous high mountain operation in the rugged Watapur Valley in Afghanistan, Jimmy returns to battle with his teammates for a heroic rescue, the bullet fragments stitched over and still in his skull. In a cross between a suicide rescue mission and an against-all-odds mountain battle, his team of PJs risk their lives again in an epic firefight. When his helicopter is hit and begins leaking fuel, Jimmy finds himself in the worst possible position as a rescue specialist—forced to leave members from his own team behind. Jimmy will have to risk everything to get back into the battle and bring back his brothers.

From death-defying Alaskan wilderness training, wild rescues, and vicious battles against the Taliban and Al Qaeda, this is an explosive special operations memoir unlike any that has come before, and the true story of a man from humble beginnings who became an American hero.

PRAISE

"Settle, a gifted storyteller, takes us into the world of intense PJ training. . . . More than an adventure story, it's a testament to ambition, persistence, spirit and resilience. It should be widely read." —*Alaska Dispatch News*

"The thrills come a mile a minute Settle delves into his hair-raising training experiences and rescue missions in Alaska. . . . This is classic military writing, and Settle's stories will be readily enjoyed by those seeking to know more about this unusual military force." —*Booklist*

JIMMY SETTLE is an accomplished Pararescue Specialist in the Air Force, now retired. He was awarded a Purple Heart and an Airman’s Medal and with commendations for Valor in Afghanistan. He is credited for saving 38 lives, and assisting in 28 others in combat, and others in the Alaskan wilderness. He lives outside of Seattle.

DON REARDEN is a professor, a produced screenwriter, and the author of *The Washington Post* Notable novel, *The Raven’s Gift*. He lives in Anchorage, Alaska.

The Last Place You Look

A Mystery

Kristen Lepionka

Kinsey Millhone meets *Serial*, *The Last Place You Look* is a head-on collision between an allegedly closed case and a tenacious, troubled private investigator who doesn't know when to quit.

Nobody knows what happened to Sarah Cook. The beautiful blonde teenager disappeared fifteen years ago, the same night her parents were brutally murdered in their suburban Ohio home. Her boyfriend Brad Stockton—black and from the wrong side of the tracks—was convicted of the murders and is now on death row. Though he's maintained his innocence all along, the clock is running out. His execution is only weeks away when his devoted sister insists she spied Sarah at an area gas station. Willing to try anything, she hires PI Roxane Weary to look at the case and see if she can locate Sarah.

Brad might be in a bad way, but private investigator Roxane Weary isn't doing so hot herself. Still reeling from the recent death of her cop father in the line of duty, her main way of dealing with her grief has been working as little and drinking as much as possible. But Roxane finds herself drawn in to the story of Sarah's vanishing act, especially when she links the disappearance to one of her father's unsolved murder cases involving another teen girl.

The stakes get higher as Roxane discovers that the two girls may not be the only beautiful blonde teenagers who've turned up missing or dead. As her investigation gets darker and darker, Roxane will have to risk everything to find the truth. Lives depend on her cracking this case—hers included.

A Killing in the Hills

Julia Keller

This reissue is part of the Minotaur Signature Editions program.

What's happening in Acker's Gap, West Virginia? Three elderly men are gunned down over their coffee at a local diner, and seemingly half the town is there to witness the act. Still, it happened so fast, and no one seems to have gotten a good look at the shooter. Was it random? Was it connected to the spate of drug violence plaguing poor areas of the country just like Acker's Gap? Or were Dean Streeter, Shorty McClurg, and Lee Rader targeted somehow?

One of the witnesses to the brutal incident was Carla Elkins, teenaged daughter of Bell Elkins, the prosecuting attorney for Raythune County, WV. Carla was shocked and horrified by what she saw, but after a few days, she begins to recover enough to believe that she might be uniquely placed to help her mother do her job.

After all, what better way to repair their fragile, damaged relationship? But could Carla also end up doing more harm than good—in fact, putting her own life in danger?

In this powerful, intricate debut from a Pulitzer Prize–winning journalist, a mother and a daughter try to do right by a town and each other before it's too late.

PRAISE

"Combines gripping suspense, a fabulous sense of place and nuanced characters."
—Karin Slaughter

The Gypsy Moth Summer

A Novel

Julia Fierro

"The Gypsy Moth Summer plunges the reader into a hazy, hot daydream of hidden truth, scandal, and racial prejudice." - Jodi Picoult, author of Small Great Things

It is the summer of 1992 and a gypsy moth invasion blankets Avalon Island, an islet off the coast of Long Island. Leslie Day Marshall—only daughter of Avalon's most prominent family—returns to live in "The Castle," the island's grandest estate. Leslie's husband Jules is African-American, and their children biracial, and islanders from both sides of the tracks form fast and dangerous opinions about the new arrivals.

Maddie Pencott LaRosa straddles those tracks: a teen queen with roots in the tony precincts of East Avalon and the crowded working class corner of West Avalon, home to Grudder Aviation factory, the island's bread-and-butter. Maddie falls in love with Brooks, Leslie's and Jules' son, and that love feels as urgent to Maddie as the questions about the new and deadly cancers showing up across the island.

Vivid with young lovers, gangs of anxious outsiders; a plotting aged matriarch, a demented military patriarch; and a troubled young boy, *The Gypsy Moth Summer* is about love, gaps in understanding, and the struggle to connect: within families, among friends, between neighbors and entire generations.

PRAISE

"Fierro brings a light touch to bear on the most important subjects." - Francine Prose, author of Mister Monkey

"Irresistible storytelling." - Amy Bloom, bestselling author of Away

I Was Told to Come Alone

My Journey Behind the Lines of Jihad

Souad Mekhennet

"I was told to come alone. I was not to carry any identification, and would have to leave my cell phone, audio recorder, watch, and purse at my hotel. . . ."

For her whole life, Souad Mekhennet, a reporter for *The Washington Post* who was born and educated in Germany, has had to balance the two sides of her upbringing – Muslim and Western. She has also sought to provide a mediating voice between these cultures, which too often misunderstand each other.

In this compelling and evocative memoir, Mekhennet journeys behind the lines of jihad, starting in the German cities where the 9/11 plotters were radicalized and the Iraqi neighborhoods where Sunnis and Shia turned against one another, and culminating on the Turkish/Syrian border region where ISIS is a daily presence. In the Middle East and North Africa, she documents her chilling run-ins with various intelligence services and shows why the Arab Spring never lived up to its promise. She then returns to Europe, first in London, where she uncovers the identity of the notorious ISIS executioner "Jihadi John," and then in France, Belgium, and native Germany, where terror has come to the heart of Western civilization.

Mekhennet's background has given her unique access to the world's most wanted men, and she is not afraid to face personal danger to reach out to individuals in the inner circles of Al Qaeda, the Taliban, ISIS, and their affiliates; when she is told to come alone to an interview, she never knows what awaits at her destination.

PRAISE

Longlisted for the Baillie Gifford Prize

"An enthralling and sometimes shocking blend of reportage and memoir from the centers of jihadi networks in the Middle East and North Africa." —*The New Yorker*

"A brilliant narrative of risky first-person interviews and encounters." —*Elle*

"[An] arresting new book . . . A much-needed cry of tough, informed humanism, needed now more than ever." —*Christian Science Monitor*

Souad Mekhennet is a national security correspondent for *The Washington Post*, and she has reported on terrorism for *The New York Times* and other news organizations. She is the coauthor of three previous books and was named a Young Global Leader by the World Economic Forum. She was a Nieman Fellow at Harvard University and has also held fellowships at the Johns Hopkins School of Advanced International Studies and the Geneva Center for Security Policy.

A Cast of Vultures

A Mystery

Judith Flanders

“Whip-smart” (Louise Penny) amateur sleuth Samantha Clair returns in the newest novel from Judith Flanders, the *New York Times* bestselling and critically acclaimed author of *A Murder of Magpies*.

There was every possibility that I was dead, and my brain hadn't got the memo. Or maybe it was that I wished I were dead. On reflection, that was more likely.

Normally sharp-witted, book editor Sam Clair stumbles through a post-launch party morning with the hangover to end all hangovers. But before the Nurofen has even kicked in, she finds herself entangled in an elaborate saga of missing neighbors, suspected arson and an odd, unidentified body.

By the time the grisly news breaks that the fire has claimed another victim, Sam is already hot in pursuit. Armed once again with her biting commentary, her boyfriend Inspector Jake Field, and her stalwart Goth assistant, Sam must track down the murderer and face a pair from Thugs ‘R’ Us in this uproariously funny and fast-paced mystery.

PRAISE

Praise for A Bed of Scorpions

"Sam's second appearance (*A Murder of Magpies*, 2015, etc.) is a joy to read, filled with diverting characters, a socially clumsy but clever heroine, and a mystery filled with dubious characters." —*Kirkus Reviews*

"Art and money are the linchpins of Flanders's enjoyable follow-up to 2015's *A Murder of Magpies*...The finer points of book design, the navigation of Sam and Jake's relationship, and a tense climax featuring archival shelving units add texture to the narrative." —*Publishers Weekly*

JUDITH FLANDERS is the *New York Times* bestselling author of *The Invention of Murder* and one of the foremost social historians of the Victorian era. Her book *The Victorian City* was a finalist for the 2014 Los Angeles Times Book Prize. She lives in London.

The Real Deal

Lauren Blakely

Sophie Kinsella meets Jennifer Crusie in your next favorite romantic comedy, THE REAL DEAL!

April Hamilton wants you to know she hasn't been on Craigslist since that time she sold her futon after college. She doesn't even spend *that* much time online. And even if she did, she would not be looking up personal ads. But going home alone for her family's summer reunion is an invitation for every single relative to butt into her personal life. She simply can't handle another blind date with the butcher, the baker or the candlestick maker from her hometown. So when she finds the Craigslist ad for a boyfriend-for-hire, she's ready to pay to play.

Heading Home and Need a Buffer? I'm the REAL DEAL.

Theo Banks has been running from the past for years. He's *this* close to finally settling all his debts, and one more job as a boyfriend-for-hire will do the trick. He's no gigolo. *Please*. He's something of an actor, and he knows how to slip into any role, including pretending to be April's new beau--the bad boy with the heart of gold.

Even if it means sleeping in close quarters in that tiny little bed in her parents' inn. Even if it means spinning tales of a romance that starts to feel all too true. What neither one of them counts on is that amid the egg toss, the arm wrestling, and a fierce game of Lawn Twister that has them tangled up together, they might be feeling the real deal.

But can a masterful game of pretend result in true love?

PRAISE**Praise for The Knocked Up Plan**

"A sexy, swoony, standalone with humor and heart. Lauren Blakely never fails to deliver." - New York Times bestselling author Laurelin Paige

Class Mom

A Novel

Laurie Gelman

Laurie Gelman's clever debut novel about a year in the life of a kindergarten class mom—a brilliant send-up of the petty and surprisingly cutthroat terrain of parent politics.

Jen Dixon is not your typical Kansas City kindergarten class mom—or mom in general. She already has two college-age daughters by two different (probably) musicians, and it's her second time around the class mom block with five-year-old Max—this time with a husband and father by her side. Though her best friend and PTA President sees her as the “wisest” candidate for the job (or oldest), not all of the other parents agree.

From recording parents' response times to her emails about helping in the classroom, to requesting contributions of “special” brownies for curriculum night, not all of Jen's methods win approval from the other moms. Throw in an old flame from Jen's past, a hyper-sensitive “allergy mom,” a surprisingly sexy kindergarten teacher, and an impossible-to-please Real Housewife-wannabe, causing problems at every turn, and the job really becomes much more than she signed up for.

Relatable, irreverent, and hilarious in the spirit of Maria Semple, this is a fresh, welcome voice in fiction—the kind of novel that real moms clamor for, and a vicarious thrill-read for all mothers, who will be laughing as they are liberated by Gelman's acerbic truths.

PRAISE

“Don't miss this hilarious send-up of parental politics.”—*People Magazine*, Best New Books feature

“Gelman's debut is a literary stand-up routine, and you might as well just give in: this woman is going to get a laugh out of you.”—*Kirkus Reviews*

“Gelman's debut draws a delightfully snarky character in Jen Dixon, kindergarten-class mom and purveyor of jaw-dropping but spot-on class updates...Snappy dialogue and quick pacing make this a fast and fun read...fans of Jen Lancaster and Maria Semple will love meeting Jen Dixon.” —*Booklist*

Laurie Gelman was born and raised in the Great White North. She spent twenty-five years as a broadcaster in both Canada and the United States before trying her hand at writing novels. Laurie lives in New York City with her husband, Michael Gelman, and two teenage daughters. *Class Mom* is her first book.

Two Paths

America Divided or United

John Kasich

The New York Times bestseller about the urgent decision our nation faces-- and how to choose the right path for America.

When Ohio governor John Kasich ran for president, his powerful message of hope and togetherness struck a chord with American voters. In *Two Paths: America Divided or United*, he carries that message forward by reflecting on the tumultuous 2016 campaign, sharing his concerns for America and his hopes for our future, and sounding a clarion call to reason and purpose, humility and dignity, righteousness and calm.

“The country never looked so grand and magnificent as it did from ten thousand feet,” he writes of his time on the campaign trail, “and it was always a thrilling, faith-affirming thing to look out our window and see the sun splashing across Bryce Canyon in Utah, or the lights of the New York skyline at night as we flew past the Statue of Liberty.... I’d look out and think what an honor it would be to lead this great nation, what a blessing.”

The full story of the 2016 Presidential race will be written over time, but to understand what it was to be on the front lines of one of the most divisive and corrosive campaign battlegrounds in history, readers won’t find a richer, more thoughtful firsthand account than this one—a frank, refreshing assessment of the American dynamic and a clear path we might follow toward a more promising tomorrow.

JOHN KASICH is the Governor of Ohio and a former U.S. presidential candidate. With his mother's medical bills piling up, the temptation of the criminal life becomes too real once again. His solution is to escape the rough streets of New York for the equally ruthless beaches of Kingston, Jamaica. Fast Falls the Night

A Bell Elkins Novel

Julia Keller

In the next powerful mystery from Julia Keller, a murder investigation leads West Virginia prosecuting attorney Bell Elkins to the shattering truth about her own past.

The first drug overdose comes just after midnight, when a young woman dies on the dirty floor of a gas station bathroom. To the people of Acker's Gap, it is just another tragedy. It is sad—but depressingly familiar.

But then there is another overdose. And another. And another.

Prosecutor Bell Elkins soon realizes that her Appalachian hometown is facing its grimmest challenge yet: an unprecedented number of heroin overdoses from a batch tainted with a lethal tranquilizer. While the clock ticks and the bodies fall, Bell and her colleagues desperately track the source of the deadly drug—and engage in fierce debates over the wisdom of expending precious resources to save the lives of self-destructive addicts.

Based on a real-life event, *Fast Falls the Night* takes place in a single 24-hour period, unfurling against the backdrop of a shattering personal revelation that will change Bell's life forever.

Susie Orman Schnall

From the author of *The Balance Project* comes a dual-timeline narrative featuring a 1949 Miss Subways contestant and a modern-day advertising executive whose careers and lives intersect.

In 1949, dutiful and ambitious Charlotte's dream of a career in advertising is shattered when her father demands she help out with the family business. Meanwhile, Charlotte is swept into the glamorous world of the Miss Subways beauty contest, which promises irresistible opportunities with its Park Avenue luster and local fame status. But when her new friend—the intriguing and gorgeous fellow-participant Rose—does something unforgivable, Charlotte must make a heart-wrenching decision that will change the lives of those around her forever.

When the charismatic boss she's secretly in love with pits her against her misogynistic nemesis, Olivia's urgent search for the winning strategy leads her to the historic Miss Subways campaign. As the pitch date closes in on her, Olivia finds herself dealing with a broken heart, an unlikely new love interest, and an unexpected personal connection to Miss Subways that could save her job—and her future.

Blackout

A Thriller

Ragnar Jonasson

A huge bestseller in England, France, and Australia, the third book in the Dark Iceland series from a spectacular new crime writer.

"Easily the best yet. Beautifully written and elegantly paced with a plot that only gradually becomes visible, as if the reader had been staring into the freezing fog waiting for shapes to emerge."—*The Guardian*, UK (Readers' Books of the Year 2016)

"A chiller of a thriller whose style and pace are influenced by Jonasson's admiration for Agatha Christie. It's good enough to share shelf space with the works of Yrsa Sigurdardottir and Arnaldur Indridason, Iceland's crime novel royalty."—*The Washington Post*

On the shores of a tranquil fjord in Northern Iceland, a man is brutally beaten to death on a bright summer's night. As the 24-hour light of the arctic summer is transformed into darkness by an ash cloud from a recent volcanic eruption, a young reporter leaves Reykjavik to investigate on her own, unaware that an innocent person's life hangs in the balance. Ari Thor Arason and his colleagues on the tiny police force in Siglufjordur struggle with an increasingly perplexing case, while their own serious personal problems push them to the limit. What secrets does the dead man harbour, and what is the young reporter hiding? As silent, unspoken horrors from the past threaten them all, and the darkness deepens, it's a race against time to find the killer before someone else dies...

Dark, terrifying and complex, *Blackout* is an exceptional, atmospheric thriller from one of Iceland's finest crime writers.

PRAISE

"This is one book you won't be disappointed by. ... It's official, Jónasson has written himself into my heart and onto my list of great crime writers."-The Crime Book Blog on *Blackout*

#1 New York Times bestseller Charlaine Harris's second book in the Shakespeare series returns to print in this stunning mystery.

Shakespeare, Arkansas, is a small Southern town with plenty of secrets, and Charlaine Harris's Lily Bard, fresh from her acclaimed debut in *Shakespeare's Landlord*, is just one more of its residents—albeit one harboring a few secrets of her own—with a desire to live quietly.

Lily keeps to herself, between her job as a cleaning woman for several townspeople and her visits to the gym, where she's a devotee of karate and bodybuilding. These two pursuits seem a bit odd for the petite Southern woman, but as work and play, they keep her focused and balanced.

When a fellow gym member is found dead after a workout with a barbell across his throat, Lily wants to believe it's an accident. But looking at the incident against the background of other recent events in Shakespeare, including a few incidents that appear to be racially motivated, she's afraid it could be a part of something much, much bigger—and more sinister...in *Shakespeare's Champion*.

PRAISE

"Opening it is like diving into the water. It is shocking, chilling and fun" — Louisville Courier-Journal, on *Shakespeare's Trollop*

"Charlaine Harris is a talented writer who has created a most original and compelling female sleuth. On a scale of 1 to 5, this is a 4 ½"— Tulsa World on *Shakespeare's Trollop*

"Charlaine Harris just keeps getting better. In each book, she delivers both a compelling mystery and the equally absorbing story of a shattered woman who rebuilds her life with strength and grace. Lily Bard's quiet determination touches many emotional levels. I adore this series."— Margaret Maron, author of *Home Fires*

CHARLAINE HARRIS is a *New York Times* bestselling author who has been writing for over thirty years. She was born and raised in the Mississippi River Delta area. In addition to the Shakespeare mysteries, she is also the author of the Aurora Teagarden mysteries, the Harper Connelly mysteries, the Cemetery Girl mysteries, and the Sookie Stackhouse urban fantasy series, which is the basis for the HBO show *True Blood*. Harris now lives in Texas with her husband.

1965: The Most Revolutionary Year in Music

Andrew Grant Jackson

A fascinating account of the music and epic social change of 1965, a defining year for Bob Dylan, The Beatles, The Rolling Stones, The Who, James Brown and John Coltrane

Fifty years ago, friendly rivalry between musicians turned 1965 into the most ground-breaking year in music history. It was the year rock and roll evolved into the premier art form of its time and accelerated the drive for personal freedom throughout the Western world.

The feedback loop between the artists and their times ignited an unprecedented explosion of creativity. The Beatles made their first artistic statement with *Rubber Soul* and performed at Shea Stadium, the first rock concert to be held in a major American stadium. Bob Dylan released "Like a Rolling Stone," arguably the greatest song of all time, and went electric at the Newport Folk Festival. And the Rolling Stones's "Satisfaction" catapulted the band to world-wide success.

This was not only the year of rock as new genres such as funk and psychedelia were born. Soul music became a prime force of desegregation as Motown crossed out of the R&B charts on to the top of the Billboard Top 100. Country music reached new heights with Nashville and the Bakersfield sound and competition between musicians coincided with seismic cultural shifts wrought by the Civil Rights Movement, Vietnam, psychedelics and fashion with designer Mary Quant's introduction of the miniskirt.

In *1965*, Andrew Grant Jackson combines fascinating and often surprising personal stories with a panoramic historical narrative.

PRAISE

"Jackson has a better ear than a lot of music writers, and one of the best parts of this book is his many casual citations of songs that echo others... a lot of the best insights come from writers who show us the familiar through fresh eyes, as Jackson does." —*The Washington Post*

"Jackson combines personal stories with a panoramic historical narrative of the music and epic social change of 1965, a defining year for Bob Dylan, the Beatles, the Rolling Stones, The Who, James Brown, and John Coltrane." —*Publishers Weekly*, "The Most Anticipated Books of Spring 2015"

ANDREW JACKSON is the author of *Still the Greatest: The Essential Songs of the Beatles' Solo Careers*. He directed and co-wrote the feature film *The Discontents* (2004) starring Amy Madigan. He has written for *Slate's* 'Blogging the Beatles,' *Yahoo!*, music magazines *Burn Lounge*, *Mean Street*, *Dispatch* and the Hollywood monthly magazine *Ingenue*. He lives in California.

Death in St. Petersburg

A Lady Emily Mystery

Tasha Alexander

When the body of a prima ballerina is discovered in the snow, Lady Emily races through Saint Petersburg to solve the murder, while a ghostly dancer appears to take the lost ingenue's place.

After the final curtain of Swan Lake, an animated crowd exits the Mariinsky theatre brimming with excitement from the night's performance. But outside the scene is somber. A ballerina's body lies face down in the snow, blood splattered like rose petals over the costume of the Swan Queen. The crowd is silenced by a single cry—"Nemetseva is dead!"

Amongst the theatergoers is Lady Emily, accompanying her dashing husband Colin in Russia on assignment from the Crown. But it soon becomes clear that Colin isn't the only one with work to do. When the dead ballerina's aristocratic lover comes begging for justice, Emily must apply her own set of skills to discover the rising star's murderer. Her investigation takes her on a dance across the stage of Tsarist Russia, from the opulence of the Winter Palace, to the modest flats of ex-ballerinas and the locked attics of political radicals. A mysterious dancer in white follows closely behind, making waves through St. Petersburg with her surprise performances and trail of red scarves. Is it the sweet Katenka, Nemetseva's childhood friend and favorite rival? The ghost of the murdered étoile herself? Or, something even more sinister?

PRAISE

Bless the Bride

A Molly Murphy Mystery

Rhys Bowen

Irish sleuth Molly Murphy is hired to find a girl on the run in Chinatown only to find that the man who wanted her found has been killed in Rhys Bowen's tenth in this award-winning series.

With Molly Murphy's wedding to NYPD Captain Daniel Sullivan approaching, the Irish sleuth heads to the countryside where his mother advises her on a bride's proper place. And shockingly, Molly seems to be agreeing. She has already promised that she'll settle down after marrying, but that doesn't mean she can't squeeze in one last case. A wealthy Chinese immigrant wants her to find his missing bride, and Molly--sure she isn't getting the whole story--suspects that his bride ran off. But where? The only Chinese women in early twentieth century New York are kept under lock and key, and Molly can't help but wonder if she saving the woman from the streets or locking her away for good. With a deft touch and charming wit, Rhys Bowen adds another stellar mystery to her acclaimed series.

The Cake and the Rain

A Memoir

Jimmy Webb

Songwriter Jimmy Webb's snapshot of his life from 1955 to 1970, from simple and sere Oklahoma to fast and fantastical Los Angeles.

Jimmy Webb's words have been sung to his music by a rich and deep roster of pop artists, including Glen Campbell, Art Garfunkel, Frank Sinatra, Donna Summer and Linda Ronstadt.

Webb was a preacher's son whose father climbed off a tractor to receive his epiphany, and Jimmy, barely out of his teen age years, sank down into the driver's seat of a Cobra to speed to Las Vegas to meet with Elvis. Classics such as "Up, Up and Away", "Wichita Lineman", "Galveston", and "MacArthur Park" were all recorded by some of the most important voices in pop before Webb's twenty-fifth birthday: he thought it was easy.

The sixties were a supernova, and Webb was at their center, whipsawed from the proverbial humble beginnings into a moneyed and manic international world of beautiful women, drugs, cars and planes. That stew almost took him down—but Webb survived, his passion for music among his lifelines.

The Cake and The Rain is a surprising and unusual book: Webb's talent as a writer and storyteller is here on every page.

PRAISE

"*The Cake and the Rain* is novelistic, perfectly plotted and quite possibly the best pop-star autobiography yet written." - *The Wall Street Journal*

"I am devouring Jimmy Webb's autobiography right now. *The Cake and the Rain* takes me inside the life of the extraordinary, gifted friend of mine." - Art Garfunkel

"During the late Sixties and early Seventies, Jimmy Webb was arguably the most successful mainstream songwriter alive...At the heart [of *The Cake and The Rain*] is his struggle to carve out his own identity as he lived a double life as a Middle American fixture with countercultural artistic ambitions." —*Rolling Stone*

JIMMY WEBB is a songwriter, composer, singer, and the author of *Tunesmith: Inside the Art of Songwriting*. His songs have been recorded or performed by artists such as Frank Sinatra, Elvis Presley, and Carly Simon. Webb is the only artist ever to have received Grammy Awards for music, lyrics, and orchestration and was the youngest man ever inducted into the National Songwriters' Hall of Fame. Webb is married to Laura Savini, a PBS host and television producer. He has five sons and a daughter.

A Warrior of the People

How Susan La Flesche Overcame Racial and Gender Inequality to Become America's First Indian Doctor

Joe Starita

The poignant and moving biography of Susan La Flesche Picotte, the first Native American doctor in U.S. history.

On March 14, 1889, Susan La Flesche received her medical degree—becoming the first Native American doctor in U.S. history. She earned her degree thirty-one years before women could vote and thirty-five years before Indians could become citizens in their own country.

By age twenty-six, this indomitable Indian woman became the doctor to her tribe. Overnight, she acquired 1,244 patients scattered across 850 square miles of rolling countryside with few roads, often desperately poor and desperately sick, whose last hope was a young woman who spoke their language and knew their customs.

This is the story of an Indian woman who effectively became the chief of an entrenched patriarchal tribe, the story of a woman who crashed through thick walls of ethnic, racial and gender prejudice, then spent the rest of her life using a unique bi-cultural identity to improve the lot of her people—physically, emotionally, politically, and spiritually. *A Warrior of the People* is the moving biography of Susan La Flesche's inspirational life, and it will finally shine a light on her numerous accomplishments.

PRAISE

"Starita tells [La Flesche's] fascinating story with a skill that kept me turning the pages."—Ian Frazier, author of *On the Rez*

"An important and riveting story."—*Chicago Tribune*

"A layered, nuanced portrait. Starita is a fine writer...and presents a layered portrait. La Flesche's story is moving and illuminating, and Starita has done it justice."—*Minneapolis Star Tribune*

JOE STARITA was the New York Bureau Chief for Knight-Ridder newspapers and a veteran investigative reporter for *The Miami Herald*. His stories have won more than two dozen awards, one of which was a Pulitzer Prize finalist for local reporting. For the last nine years, he has held an endowed chair at the University of Nebraska's College of Journalism. *The Dull Knives of Pine Ridge* won the MPIBA Award and received a second Pulitzer nomination. He is also the author of *"I am a Man."*

The Lost Order

A Novel

Steve Berry

***The Lost Order* continues renowned New York Times top 5 bestseller Steve Berry's Cotton Malone series with another riveting, history-based thriller.**

The Knights of the Golden Circle was the largest and most dangerous clandestine organization in American history. It amassed billions in stolen gold and silver, all buried in caches across the United States. Since 1865 treasure hunters have searched, but little of that immense wealth has ever been found.

Now, 160 years later, two factions of what remains of the Knights of the Golden Circle want that lost treasure—one to spend it for their own ends, the other to preserve it.

Thrust into this battle is former Justice Department agent Cotton Malone, whose connection to the knights is deeper than he ever imagined. At the center is the Smithsonian Institution—linked to the knights, its treasure, and Malone himself through an ancestor, a Confederate spy named Angus “Cotton” Adams, whose story holds the key to everything. Complicating matters are the political ambitions of a reckless Speaker of the House and the bitter widow of a United States Senator, who are planning radical changes to the country. And while Malone and Cassiopeia Vitt face the past, ex-president Danny Daniels and Stephanie Nelle confront a new and unexpected challenge, a threat that may cost one of them their life.

From the backrooms of the Smithsonian to the deepest woods in Arkansas, and finally up into the mountains of New Mexico, *The Lost Order* is a perilous adventure into our country's dark past, and a potentially darker future.

PRAISE

“Steve Berry reminds us of how much fun a book can be with his superb *The Lost Order* the latest and maybe best yet in the series featuring his seminal hero Cotton Malone. He is a master of historical reinvention with a deft hand and keen eye. *The Lost Order* is a found masterpiece of storytelling genius that is not to be missed.” – Providence Journal

“*The Lost Order* Steve Berry's latest Cotton Malone adventure, combines the history of a secret society with a look inside the Smithsonian Institution — and it's terrific. Berry has written another gripping novel.” – Associated Press

STEVE BERRY is the *New York Times* and #1 internationally bestselling author of twelve Cotton Malone novels and four standalones. He has 20 million books in print, translated into 40 languages. With his wife, Elizabeth, he is the founder of History Matters, which is dedicated to historical preservation. He serves on the Smithsonian Libraries Advisory Board and was a founding member of International Thriller Writers, formerly serving as its co-president.

Incendiary

*The Psychiatrist, the Mad Bomber, and the Invention of
Criminal Profiling*

Michael Cannell

Long before the specter of terrorism haunted the public imagination, a serial bomber stalked 1950s New York. The race to catch him would give birth to a new science called criminal profiling.

Grand Central, Penn Station, Radio City Music Hall—for almost two decades, no place was safe from the man who signed his anonymous letters “FP” and left his lethal devices in phone booths, storage lockers, even tucked into the plush seats of movie theaters. His victims were left cruelly maimed. Tabloids called him “the greatest individual menace New York City ever faced.”

In desperation, Police Captain Howard Finney sought the help of a little known psychiatrist, Dr. James Brussel, whose expertise was the criminal mind. Examining crime scene evidence and the strange wording in the bomber’s letters, he compiled a portrait of the suspect down to the cut of his jacket. But how to put a name to the description? Seymour Berkson—a handsome New York socialite, protégé of William Randolph Hearst, and publisher of the tabloid *The Journal-American*—joined in pursuit of the Mad Bomber. The three men hatched a brilliant scheme to catch him at his own game. Together, they would capture a monster and change the face of American law enforcement.

4th and Goal Every Day

Alabama's Relentless Pursuit of Perfection

Phil Savage and Ray Glier

Alabama has won 4 national titles in 8 seasons. Fans want to know, "How does Alabama do it?"

With a Preface by Alabama Football Coach Nick Saban and a Foreword by ESPN's *College Gameday* Host Rece Davis.

Phil Savage first worked with Nick Saban when they both joined the Cleveland Browns' coaching staff in 1991. They were reunited in 2009 when Savage became part of the Crimson Tide Sports Network as the radio color analyst. Since then, Savage has enjoyed an up-close view of the Alabama program's dedication to recruiting, its commitment to practice, and devotion to fundamentals.

Now comes his 360-degree perspective on Alabama football and Coach Nick Saban's unique coaching style, a style that has led the Crimson Tide to five Southeastern Conference titles, three consecutive College Football Playoff appearances and four national championships.

Savage details Coach Saban's year-round preparation, his willingness to adjust and his belief in "complimentary football." The book offers a close look at their player development and practice habits and gives a glimpse of the Crimson Tide's approach of playing every single down like it's 4th and goal.

You won't find another person who can intelligently discuss Alabama football in public better than Phil Savage. Together with Ray Glier, this in-depth story chronicles how the Crimson Tide re-emerged as one of the true superpowers in college football.

PRAISE

"Fans of college football generally and Alabama in particular will especially value the book." —*Kirkus Reviews*

"A distinctly original approach to understanding not only Saban's Crimson Tide team but Belichick's coaching mind-set as well." —*Library Journal*

My Mother's Kitchen

Breakfast, Lunch, Dinner, and the Meaning of Life

Peter Gethers

A funny, moving memoir about a son's discovery that his mother has a genius for understanding the intimate connections between cooking, people and love

Peter Gethers wants to give his aging mother a very personal and perhaps final gift: a spectacular feast featuring all her favorite dishes. The problem is, although he was raised to love food and wine he doesn't really know how to cook. So he embarks upon an often hilarious and always touching culinary journey that will ultimately allow him to bring his mother's friends and loved ones to the table one last time.

The daughter of a restaurateur—the restaurant was New York's legendary Ratner's—Judy Gethers discovered a passion for cooking in her 50s. In time, she became a mentor and friend to several of the most famous chefs in America, including Wolfgang Puck, Nancy Silverton and Jonathan Waxman; she also wrote many cookbooks and taught cooking alongside Julia Child. In her 80s, she was robbed of her ability to cook by a debilitating stroke. But illness has brought her closer than ever to her son: Peter regularly visits her so they can share meals, and he can ask questions about her colorful past, while learning her kitchen secrets. Gradually his ambition becomes manifest: he decides to learn how to cook his mother the meal of her dreams and thereby tell the story of her life to all those who have loved her.

With his trademark wit and knowing eye, Peter Gethers has written an unforgettable memoir about how food and family can do much more than feed us—they can nourish our souls.

Peter Gethers is an author, screenwriter, playwright, book editor, and film and television producer. His eleven previous books include *The Cat Who Went to Paris*, the first in a bestselling trilogy about his extraordinary cat, Norton. He is also the cocreator and coproducer of the hit off-Broadway play *Old Jews Telling Jokes*. He lives in New York City, Sag Harbor, New York, and, whenever possible, Sicily.

Ararat

A Novel

Christopher Golden

NYT bestselling author Christopher Golden's supernatural thriller about a mountain adventure that quickly turns into a horrific nightmare of biblical proportions.

Christopher Golden's *Ararat* is the heart-pounding tale of an adventure that goes wrong...on a biblical scale. When an earthquake reveals a secret cave hidden inside Mount Ararat in Turkey, a daring, newly-engaged couple are determined to be the first ones inside...and what they discover will change everything.

The cave is actually an ancient, buried ship that many quickly come to believe is really Noah's Ark. When a team of scholars, archaeologists, and filmmakers make it inside the ark, they discover an elaborate coffin in its recesses. Inside the coffin they find an ugly, misshapen cadaver—not the holy man they expected, but a hideous creature with horns. Shock and fear turn to horror when a massive blizzard blows in, trapping them thousands of meters up the side of a remote mountain. All they can do is pray for safety. But something wicked is listening to their prayers...and it wants to answer.

PRAISE

Snakes! Guillotines! Electric Chairs!

My Adventures in The Alice Cooper Group

Dennis Dunaway and Chris Hodenfield

A hair-raising backstage memoir of the Alice Cooper group, from the bassist and co-songwriter, co-written by the journalist who first covered the band for *Rolling Stone*.

As the Rock & Roll Hall of Fame says: "Before the world heard of KISS, the New York Dolls, Marilyn Manson or Ozzy Osbourne, there was Alice Cooper, the original shock-rock band."

When Alice Cooper became the stuff of legend in the early '70s, their shows were monuments of fun and invention. Riding on a string of hits like "I'm 18" and "School's Out," they became America's highest-grossing act, producing four platinum albums and hitting number one on the U.S. and U.K. charts with *Billion Dollar Babies* in 1973. Their utterly original performance style and look, known as Shock Rock, was swiftly copied by countless bands. Dennis Dunaway, the bassist and co-songwriter for the band, tells a story just as over-the-top crazy as their (in)famous shows.

As teenagers in Phoenix, Dennis Dunaway and lead singer Vince Furnier, who would later change his name to Alice Cooper, formed a hard-knuckles band that played prisons, cowboy bars and teen clubs. Their journey took them from Hollywood to the ferocious Detroit music scene, along the way adding new dimensions of rock theater. From struggling for recognition to topping the charts, the Alice Cooper group was entertaining, outrageous, and one-of-a-kind.

Snakes! Guillotines! Electric Chairs! is the riveting account of the band's creation in the '60s, strange glory in the '70s, and the legendary characters they met along the way.

PRAISE

"I still consider Dennis Dunaway to be one of my best friends. Dennis is one of the few true surrealists that I've ever met....This book carries on in Dennis' own private surrealistic world." —*Alice Cooper*

"If you think you've heard all the Alice Cooper stories, think again...Though Alice was the iconic face of the band, Dunaway was the brains behind many of their best-known songs...Without Dunaway, the group's now-legendary look and sound would have been vastly different." —*Village Voice*

DENNIS DUNAWAY was the bass player, lead songwriter, and theatrical conceptionalist of Alice Cooper and was inducted in the Rock and Roll Hall of Fame in 2011. CHRIS HODENFIELD was a staff writer at *Rolling Stone* magazine for 12 years. He currently writes about automobiles for a number of publications. Hodenfield and his family of five live in Connecticut.

Improper Cross-Stitch

Haley Pierson-Cox

A fun, witty, nerdy, and irreverent craft book for the modern cross-stitcher.

Sometimes it's good to be a little..improper. Profane, funny, and smart, Haley Pierson-Cox's *THE IMPROPER CROSS STITCH* invites the modern crafter to bring personality and humor to their cross stitch projects. From a fully designed "Damn it feels good to be a crafter" to the beautiful Art Deco inspired "fuck," Haley's patterns are fresh, lively and just what the crafter ordered.

In this book, she'll introduce readers to the joys of stitching the naughty, the profane, the irreverent, and the just plain awesome. First, she starts with a basic lesson in cross-stitch technique, no previous experience required. Then, once readers know your way around an embroidery hoop and a skein of floss, the books moves on to the designs—35 in total, ranging from hip, to nerdy, to ironically domestic—where Haley encourages crafters to embrace their inner snark with gleeful abandon.

Her easy to follow instructions and colorful designs can make a cross stitcher out of anyone. In all her years of crafting, Haley's learned many things, but this simple fact remains one of the most important: There is absolutely nothing in this world quite so satisfying as enshrining something deeply inappropriate within the delicate stitches of a cross-stitch sampler. It's truly one of life's great delights!

HALEY PIERSON-COX is a designer and craft writer with a focus on fabric and fiber crafts, including sewing, needlework, knitting, crochet, and geek crafts. Her hobbies include organizing things, speaking to her cat as though he's a person, and mining the pages old books for antique expletives. Find her online at redhandledscissors.com for craft tutorials and printable patterns, along with a healthy dose of gleeful snark.

The American Heiress

A Novel

Daisy Goodwin

*In the delicious and sophisticated style of Edith Wharton and Jane Austen... "A wonderful, guilty pleasure of a read..."**

***AMANDA FOREMAN, AUTHOR OF THE NEW YORK TIMES BESTSELLER, GEORGIANA, DUC...**

Be careful what you wish for. Traveling abroad with her mother at the turn of the twentieth century to seek a titled husband, beautiful, vivacious Cora Cash, whose family mansion in Newport dwarfs the Vanderbilts', suddenly finds herself Duchess of Wareham, married to Ivo, the most eligible bachelor in England. Nothing is quite as it seems, however: Ivo is withdrawn and secretive, and the English social scene is full of traps and betrayals. Money, Cora soon learns, cannot buy everything, as she must decide what is truly worth the price in her life and her marriage.

Witty, moving, and brilliantly entertaining, Cora's story marks the debut of a glorious storyteller who brings a fresh new spirit to the world of Edith Wharton and Henry James.

"For daughters of the new American billionaires of the 19th century, it was the ultimate deal: marriage to a cash-strapped British Aristocrat in return for a title and social status. But money didn't always buy them happiness." —DAISY GOODWIN IN *THE DAILY MAIL*
