# The Dysasters

P. C. Cast and Kristin Cast

## 1 New York Times bestselling authors P.C. and Kristin Cast are back with a brand-new YA fantasy series!

House of Night meets X-Men in this exciting new series from #1 New York Times mother/daughter writing duo, PC Cast and Kristin Cast.

Foster Stewart knows she's different. Her life has never been "normal." Talking to plants and controlling cloud formations aren't things most seventeen year olds are into. Tate "Nighthawk" Taylor is perfect. Star quarterback and all around dreamy boy next door he never thought about his "extra" abilities. What quarterback wouldn't want night vision? That's not weird, right? It's cool!

But on the night of their first meeting a deadly tornado brings them together and awakens their true abilities - the power to control the element air. Unbeknown to Tate and Foster, they are the first in a group of teens that were genetically manipulated before birth to bond with the elements. Which truly sucks for Foster, as she has to face the fact that Dr. Rick Stewart, her beloved scientist father, betrayed her and now wants to use her and the others for his own nefarious world domination plot.

Foster and Tate must stop Dr. Stewart and his minions before he destroys their lives and the world. In this new superhero multiverse the Cast duo again combine real world teens and an adventure filled with danger, romance, and superpowers that will thrill House of Night fans looking for their next action packed fix.

## Smothered

Autumn Chiklis

**A humorous debut young adult novel about what happens when entering the "real world" means moving back in with your mother, inspired by actress and celebrity Autumn Chiklis' real life.**

Eloise "Lou" Hansen is graduating from Columbia University *summa cum laude*, and she's ready to conquer the world. Just a few minor problems: she has no job, no prospects, and she's moving back into her childhood bedroom. Lou is grimly determined to stick to a rigorous schedule to get a job and get out of her parents' house. Shelly "Mama Shell" Hansen, on the other hand, is ecstatic, and just as determined to keep her at home. Who else will help her hide her latest binge-shopping purchases from her husband, go to SoulCycle with her, and hold her hand during Botox shots?

*Smothered* is a hilarious roman à clef told via journal entries, text messages, emails, bills, receipts, tweets, doctor's prescriptions, job applications and rejections, parking tickets, and pug pictures, chronicling the year that Lou moves back home after college. Told from Lou's point-of-view, *Smothered* tells the story of two young(ish) women, just trying to get it right, and learning that just because we all grow up doesn't mean we necessarily have to grow old. (After all, what is Juvaderm for?)

### PRAISE

**"The next great female writer and millennial Hollywood voice, Autumn Chiklis' glimpse into, and realization of, the mom and adult daughter dynamic of today is altogether entertaining, accurate, poignant, startling, educational and INCREDIBLY hilarious. This is a must read enabling you to say you discovered her first!"** —Maria Menounos, actress and television host

**"Autumn Chiklis is a bright new voice in fiction, a hilarious and astute observer of all things fun and female. There isn't a mother or daughter on earth who won't fall in love with Autumn Chiklis and *Smothered*."** —Randi Mayem Singer, screenwriter, *Mrs. Doubtfire*

AUTUMN CHIKLIS is a recent graduate of the University of Southern California, where she studied theater and screenwriting. She's an actor, stand-up comedian, and contributor to *The Huffington Post*. She currently resides in Los Angeles, California, where she lives with her mother and two pugs.

## Sky in the Deep

Adrienne Young

**In this stunning debut, a young Viking warrior must challenge everything she's been taught in order to survive and protect those she loves.**

**A lush and vivid debut that is part Wonderwoman part Vikings and all action and heart.**

Raised to be a warrior, seventeen-year-old Eelyn fights alongside her Aska clansmen in an ancient, god-decreed rivalry against the Riki clan. Her life is brutal but simple: train to fight and fight to survive. Until the day she sees the impossible on the battlefield—her brother, fighting with the enemy—the brother she watched die five years ago.

Eelyn loses her focus and is captured. Now, she must survive the winter in the mountains with the Riki, in a village where every neighbor is an enemy, every battle scar possibly one she delivered. But when the Riki village is raided by a ruthless clan settling in the valley, Eelyn is even more desperate to get back to her beloved family.

She is given no choice but to trust Fiske, her brother's friend who tried to kill her the day she was captured. They must do the impossible: unite the clans to fight together, or risk being slaughtered one by one. Driven by a love for her clan and her growing love for Fiske, Eelyn must confront her own definition of loyalty and find a way to forgive her brother while daring to put her faith in the people she's spent her life hating.

## Kissing Games

*A Novel*

Tara Eglington

**After a perfect first kiss, Aurora's second kiss lands her boyfriend in the hospital, and her matchmaking strategies start to backfire in this sequel to *How to Keep a Boy from Kissing You*.**

For a girl who shares her name with a princess (aka Sleeping Beauty), Aurora Skye's romantic life seems fathoms away from a fairy tale. Sure, she's landed her prince charming, Hayden Paris. And she got her wish—one first kiss with all the knee-trembling, butterfly-inducing gloriousness she'd hoped for. But instead of happily ever after, their second kiss landed Hayden in the emergency room. If that's not mortifying enough, the whole school is now referring to her as "Lethal Lips."

When Aurora's best friend decides to run for class president and offers up Aurora's matchmaking service as one of her campaign initiatives, the kissing games begin. Aurora has to convince everyone that her program works—but that might be hard to do when it seems like her own love life might be falling apart.

**PRAISE**

**"Adorably sweet and full of hilarious pratfalls, this rom-com is the rare one that delivers equally on both the rom *and* the com!" -Jen Malone, author of *Wanderlost***

**"Aurora's indefatigable enthusiasm permeates Eglington's writing, and keeps every plot twist frothy and fun, whether it involves family, boys, or the production of *Much Ado About Nothing* Hayden and Aurora star in. . . . Eglington celebrates female friendship and loyalty, too, and Aurora's sunny outlook will satisfy readers looking for a romantic comedy with a dash of Shakespeare." —*Publishers Weekly*, on *How to Keep a Boy from Kissing You***

TARA EGLINGTON grew up in Byron Bay, Australia. Her hobbies when she's not writing include watching endless cat videos on YouTube, planning pretend holidays to the Maldives, and day-dreaming about who would play Hayden Paris in a film adaptation of *How to Keep a Boy from Kissing You*, her first novel. She lives in Australia.

## 30 Before 30

Marina Shifrin

**A charming, relatable and hilarious collection of essays documenting a young woman's attempt to accomplish thirty life goals before turning thirty.**

Something was nagging Marina. As a freshly minted adult with student loan payments, a barely hospitable New York apartment, a “real” job she hated that paid her enough to get by if she also worked two other jobs, something needed to change. Over a few bottles of Two Buck Chuck, Marina and her friend each made lists of thirty things they’d do before the age of thirty. The first thing on Marina’s list was, “Quit My Shitty Job.” So she did, and just like that the List powered her through her twenties.

In *30 Before 30*, Marina takes readers through her list and shares personal stories about achieving those goals. Ranging in scope from the simple (Ride A Bike Over the Brooklyn Bridge, Donate Hair) to the life-changing (Move to A Different Country, Become internet Famous), each story shows readers that we don’t all have it figured out, and that’s okay. But for Marina, she did become internet famous (a viral video of her quitting her job after moving to Asia has nearly 19 million views on You Tube) and now writes for Comedy Central’s hit show @Midnight, is also an in-demand stand up, and had a very popular Modern Love column published in the New York Times. None of that would have happened if she didn’t start her list that night. Thank you, Two Buck Chuck.

Told with humor and heart, *30 Before 30* will entertain, motivate, and challenge readers to get out of their comfort zones and live their best lives.

Marina V. Shifrin is a published writer who lives in East Hollywood and likes it. Sometimes. She’s written for TV, but not enough. She’s written for free, but too much. Her middle name is Vladimirovna. *30 Before 30* is her first book.
