Naturally Tan
A Memoir
by Tan France

In this heartfelt, funny, touching memoir, Tan France, star of Netflix's smash-hit QUEER EYE tells his origin story for the first time. With his trademark wit, humor, and radical compassion, Tan reveals what it was like to grow up gay in a traditional Muslim family, as one of the few people of color in Doncaster, England. He illuminates his winding journey of coming of age, finding his voice (and style!), and how he finally came out to his family at the age of 34, revealing that he was happily married to the love of his life - a Mormon cowboy from Salt Lake City.

In Tan's own words, The book is meant to spread joy, personal acceptance, and most of all understanding. Each of us is living our own private journey, and the more we know about each other, the healthier and happier the world will be.

Under Currents
by Nora Roberts

From the #1 New York Times bestselling author, an audiobook about the power of family to harm - and to heal.

Within the walls of a tasteful, perfectly kept house in North Carolina's Blue Ridge Mountains, young Zane Bigelow feels like a prisoner of war. Strangers - and even Zane's own aunt across the lake - see his parents as a successful surgeon and his stylish wife, making appearances at their children's ballet recitals and baseball games. Zane and his sister know the truth: There is something terribly wrong.

As his father's violent, controlling rages - and his mother's complicity - become more and more oppressive, Zane counts the years, months, days until he can escape. He looks out for little Britt, warning her Be smart. Be careful. In fear for his very life, he plays along with the insidious lie that everything is fine, while scribbling his real thoughts in a secret journal he must carefully hide away.

When one brutal, shattering night finally reveals cracks in the facade, Zane begins to

Almost Midnight
by Paul Doiron, read by Henry Leyva

In this thrilling entry in Edgar Award finalist Paul Doiron's bestselling series, the death of Maine's last wild wolf leads Game Warden Mike Bowditch to an even bigger criminal conspiracy.

Warden Investigator Mike Bowditch already has a troubling mystery on his hands: finding the archer who mortally wounded Maine's only wild wolf. Then he learns his best friend, Billy Cronk, has been released from prison after heroically defending a female guard from a stabbing. Mike comes to believe the assault was orchestrated by a wider criminal conspiracy. When the conspirators pursue Billy's wife and children to a "safe" cabin in the woods, Mike rushes to their defense only to find himself outnumbered, outgunned - and maybe out of options.

The Guest Book
A Novel
by Sarah Blake
An audiobook about past mistakes and betrayals that ripple throughout generations, The Guest Book examines not just a privileged American family, but a privileged America. It is a literary triumph.

The Guest Book follows three generations of a powerful American family, a family that used to run the world.*

And when the audiobook begins in 1935, they still do. Kitty and Ogden Milton appear to have everything - perfect children, good looks, a love everyone envies. But after a tragedy befalls them, Ogden tries to bring Kitty back to life by purchasing an island in Maine. That island, and its house, come to define and burnish the Milton family, year after year after year. And it is there that Kitty issues a refusal that will haunt her till the day she dies.

In 1959 a young Jewish man, Len Levy, will get a job in Ogden's bank and earn the

William & Harry
The Windsor Brothers
by Danny Danziger, read by Danny Danziger

In this insightful biography, Sunday Times columnist Danny Danziger brings to life the special bond between the world's two most famous siblings - Their Royal Highnesses William and Harry.

The royal princes William and Harry come from a family where fraternal relationships have often been hostile - at best. King John paid money to have his older brother Richard the Lionheart unlawfully imprisoned. Richard II murdered Henry IV. King George VI permanently cut off communication with his brother, the Duke of Windsor, after he insisted on marrying divorcee Mrs. Simpson. Prince Charles is currently on frosty terms with his younger brothers, Andrew and Edward. So, historically and genetically it is extraordinary that these two brothers, just two years and two months apart, and temperamentally so dissimilar, should love each other with such depth.

Since birth, William and Harry have been in lockstep, drawn together by their birthright and the unique and tragic circumstances of their childhood. They are, however, not just the living legacy of their beautiful, troubled mother, Princess Diana, nor, by dint of birth, simply successors to a long-lasting dynasty. They are strong individuals in their own

The Daughters of Temperance Hobbs
A Novel
by Katherine Howe, read by Barrie Kreinik
New York Times bestselling author Katherine Howe returns to the world of The Physick Book of Deliverance Dane with a bewitching story of a New England history professor who must race against time to free her fiance from a curse.

Connie Goodwin is an expert on America's fractured past with witchcraft. A young, tenure-track professor in Boston, she's earned career success by studying the history of domestic healing arts - women's home recipes and medicines - and by exposing society's threats against women fluent in those skills. But beyond her studies, Connie harbors a secret: She is the direct descendant of a woman tried as a witch in Salem, an ancestor whose abilities were far more magical than the historical record shows.

When a hint from her mother and clues from her research lead Connie to the startling realization that her beloved fiance's life is in danger, she must hurry to solve the mystery behind a hundreds-years-long deadly cycle to save him.

The British Are Coming
The War for America, Lexington to Princeton, 1775-1777
by Rick Atkinson
From the bestselling author of the Liberation Trilogy comes the extraordinary first volume of his new trilogy about the American Revolution.

Rick Atkinson, author of the Pulitzer Prize-winning An Army at Dawn and two other superb books about World War II, has long been admired for his deeply researched, stunningly vivid narrative histories. Now he turns his attention to a new war, and in the initial volume of the Revolution Trilogy he recounts the first twenty-one months of America's violent war for independence. From the battles at Lexington and Concord in spring 1775 to those at Trenton and Princeton in winter 1777, American militiamen and then the ragged Continental Army take on the world's most formidable fighting force. It is a gripping saga alive with astonishing characters: Henry Knox, the former bookseller with an uncanny understanding of artillery; Nathanael Greene, the blue-eyed bumpkin who becomes a brilliant battle captain; Benjamin Franklin, the self-made man who proves to be the wiliest of diplomats; George Washington, the commander in chief who learns the difficult art of leadership when the war seems all but lost. The story is...
The Electric Hotel
A Novel
by Dominic Smith

From the New York Times bestselling author Dominic Smith, a radiant novel tracing the intertwined fates of a silent-film director and his muse.

Dominic Smith's The Electric Hotel winds through the nascent days of cinema in Paris and Fort Lee, New Jersey - America's first movie town - and on the battlefields of Belgium during World War I. A sweeping work of historical fiction, it shimmers between past and present as it tells the story of the rise and fall of a prodigious film studio and one man's doomed obsession with all that passes in front of the viewer.

For nearly half a century, Claude Ballard has been living at the Hollywood Knickerbocker Hotel. A French pioneer of silent films, who started out as a concession agent for the Lumiere brothers, the inventors of cinema, Claude now spends his days foraging mushrooms in the hills of Los Angeles and taking photographs of runaways and the striplings along Sunset Boulevard. But when a film-history student comes to interview Claude about The Electric Hotel - the lost masterpiece that bankrupted him...

Things You Save in a Fire
by Katherine Center

From the New York Times bestselling author of How to Walk Away comes a stunning new audiobook about family, hope, and learning to love against all odds.

Cassie Hanwell was born for emergencies. As one of the only female firefighters in her Texas firehouse, she's seen her fair share of them, and she's excellent at dealing with other people's tragedies. But when her estranged and ailing mother asks her to uproot her life and move to Boston, it's an emergency of a kind Cassie never anticipated.

The tough, old-school Boston firehouse is as different from Cassie's old job as it could possibly be. Hazing, a lack of funding, and poor facilities mean that the firemen aren't exactly thrilled to have a lady on the crew, even one as competent and smart as Cassie. Except for the handsome rookie, who doesn't seem to mind having Cassie around. But she can't think about that. Because she doesn't fall in love. And because of the advice her old captain gave her: don't date firefighters. Cassie can feel her resolve slipping but will she jeopardize her place in a career where she's worked so hard to be taken seriously?
The Night Before
by Wendy Walker

The night before and the nightmare after.

Rosie and Laura are as different as two sisters can be. One is stable and has the perfect family. The other struggles to break free from her troubled past. When Laura disappears after going on a blind date, Rosie takes matters into her own hands.

But as Rosie begins to search for her sister, her greatest fears come to the surface. Could Laura be more of a danger than the stranger she meets, or is the night before her last night alive?

Told in dual timelines - the night before and the day after - The Night Before is a riveting thriller about family loyalty, obsession, and what happens when the desire for love spins out of control.

Sunset Beach
by Mary Kay Andrews, read by Kathleen McInerney

The New York Times bestselling author and Queen of the Beach Reads delivers her next summer blockbuster.

Drue Campbell's life and career have recently been derailed. The only thing she has left is the house her mother left her: a ramshackle beach bungalow with a missing roof in the once-sleepy town of Sunset Beach, which is rapidly becoming a hot spot for the rich and well-heeled, who are none too pleased about the shabby eyesore in their perfect neighborhood.

When Drue's larger-than-life father unexpectedly turns up at her mother's funeral and offers her a job at his law firm, Drue doesn't know whether to be grateful or resentful that he has suddenly reappeared. She grudgingly accepts the job sifting through cold callers and shysters looking to get rich quick. But when her attention is caught by a suspicious murder case, Drue finds herself entangled in a decades-old mystery - one that may have dire consequences for Drue and the people she loves.
Montauk
by Nicola Harrison
This epic and cinematic debut novel captures the glamour and extravagance of a summer by the sea with the story of a woman torn between the life she chose and the life she desires.

For three months, this humble fishing village will serve as the playground for New York City's wealthy elite. For Beatrice Bordeaux, a college educated farm girl from rural Pennsylvania, her focus is reconnecting with her banker husband Harry. Instead, she'll be spending twelve weeks sequestered with other high society wives at The Montauk Manor - a two-hundred room seaside hotel - while her husband dallies in his "extra-curricular activities."

As Bea drifts further from the Manhattanites and towards Montauk's natural beauty and community spirit, she finds herself drawn to a man nothing like her husband. Finally able to feel her original self emerging, Bea is alive once again. But those moments may be fleeting as fate conspires to tear her whole world apart.

The Russian
A Thriller
by Ben Coes
As the brutal Russian mafia becomes the most powerful and deadly criminal enterprise in the country, the U.S. has a new hero, Rob Tacoma, in New York Times bestseller Ben Coes's new series.

After the break-up of the Soviet Union, some of the most hardened and capable criminals came to the United States. Over the past two decades, they have created a vicious and fearless underworld, breathtaking in its violence, disturbing in its efficiency, and destructive to society at large. With conventional law enforcement methods unable to stem the tide, the President issues top secret Executive Order 12-4b3 creating a small, deadly team to take on this fight behind the scenes - a kill team.

The head of the CIA's Special Operations Group, Bo Coll, is picked to head this group and he, in turn, asks Rob Tacoma to be his deputy. Rob Tacoma - former Navy SEAL and former CIA agent - has a special reason to agree. Tacoma was raised by his grandparents after his own parents were killed by the Russian mafia. But before
The Kennedy Heirs
John, Caroline, and the New Generation - A Legacy of Triumph and Tragedy
by J. Randy Taraborrelli
From New York Times best-selling Kennedy historian J. Randy Taraborrelli comes his most astonishing Kennedy audiobook yet.

A unique burden was inherited by the children born to the original Kennedy icons: JFK and Jackie; Bobby and Ethel; Ted and Joan; and the rest. Raised against a backdrop of American history, their mandate was to be of service, just like their ancestors. Based on exclusive first-hand interviews, as well as oral histories from the JFK Presidential Library and the Ted Kennedy Institute, Taraborrelli takes his listeners behind the scenes of a sweeping and epic family drama as these Kennedy heirs succeed and fail in ways both triumphant and heartbreaking.

These are the Kennedy stories you've never heard before.

The Emotion Code
How to Release Your Trapped Emotions for Abundant Health, Love, and Happiness
by Bradley Nelson

In this newly revised and expanded audiobook edition of The Emotion Code, renowned holistic physician and lecturer Dr. Bradley Nelson skillfully lays bare the inner workings of the subconscious mind. He reveals how emotionally-charged events from your past can still be haunting you in the form of trapped emotions - emotional energies that literally inhabit your body. These trapped emotions can fester in your life and body, creating pain, malfunction, and eventual disease. They can also extract a heavy mental and emotional toll on you, impacting how you think, the choices that you make, and the level of success and abundance you are able to achieve. Perhaps most damaging of all, trapped emotional energies can gather around your heart, cutting off your ability to give and receive love.

The Emotion Code is a powerful and simple way to rid yourself of this unseen baggage. Dr. Nelson's method gives you the tools to identify and release the trapped emotions in your life, eliminating your "emotional baggage," and opening your heart and body to the positive energies of the world. Filled with real-world examples from many years of...
Nottingham
by Nathan Makaryk
No king. No rules.

England, 1191. King Richard is half a world away, fighting for God and his own ambition. Back home, his country languishes, bankrupt and on the verge of anarchy. People with power are running unchecked. People without are growing angry. And in Nottingham, one of the largest shires in England, the sheriff seems intent on doing nothing about it.

As the leaves turn gold in the Sherwood Forest, the lives of six people - Arable, a servant girl with a secret, Robin and William, soldiers running from their pasts, Marion, a noblewoman working for change, Guy of Gisbourne, Nottingham's beleaguered guard captain, and Elena Gamwell, a brash, ambitious thief - become intertwined.

And a strange story begins to spread . . .

Both a gripping historical epic and fascinating deconstruction of the Robin Hood

The Whisper Man
by Alex North

For listeners who love Stephen King and Karin Slaughter, a terrifying and heartbreaking thriller featuring one of the most memorable villains since Silence of the Lambs.

Tom Kennedy and his young son Jake are having a tough time after the sudden death of their wife and mother. A fresh start will help heal. A new beginning, a new house, a new town. Featherbank.

But the town has a dark past. Fifteen years ago a serial killer abducted and murdered five residents. Until Frank Carter was finally caught, he was nicknamed "The Whisper Man," for he would lure his victims out by whispering at their window at night.

Of course, an old crime need not trouble Tom and Jake as they settle into their new home. Except that now a young boy has gone missing under eerily familiar circumstances, reigniting old rumors that The Whisper Man preyed with an accomplice. Detectives Amanda Beck and Pete Willis must find the boy before it's too late, even if that means Pete has to revisit his great foe in prison. The Whisper Man.

Returning from a celebratory dinner with her boyfriend, she finds Lyle dead with a syringe in his lap, and Eve's investigation confirms that this wasn't just another OD. After all his work...
The Long Accomplishment
A Memoir of Struggle and Hope in Matrimony
by Rick Moody, read by Rick Moody

In a plainspoken, emotionally accessible voice that listeners have not heard from him before, Rick Moody, author of *The Ice Storm*, *Hotels of North America*, and other fictions and of *The Black Veil*, a prize-winning previous memoir, lays bare, in an eventful month-by-month account, the first year of his second marriage.

At this story's start, Moody is, by his own description, "a balding middle-aged recovering alcoholic and sexual compulsive with a history of depression who wrote a novel that people liked in the 90s." He is also the newly divorced father of a beloved little girl and a man in love, whose answer to the question "Would you like to be in a committed relationship?" is, fully and for the first time, "Yes."

And so his second marriage begins as he emerges from the wreckage of his past, humbly and with dearest hopes, only to be battered by a stormy sea of external troubles—robberies, miscarriages, and deaths of friends, just for starters. As Moody puts it, this is "a story in which a lot of bad luck is the daily fare of the protagonists, but in
Dragonslayer
by Duncan M. Hamilton, read by Simon Vance
BuzzFeed Greatest Fantasy Book of the Year author

In his magnificent, heroic, adventure fantasy, Dragonslayer, Duncan M. Hamilton debuts the first book in a fast-moving trilogy: a dangerous tale of lost magics, unlikely heroes, and reawakened dragons.

Once a member of the King's personal guard, Guillot dal Villevauvais spends most days drinking and mourning his wife and child. He's astonished - and wary - when the Prince Bishop orders him to find and destroy a dragon. He and the Prince Bishop have never exactly been friends and Gill left the capital in disgrace five years ago. So why him? And, more importantly, how is there a dragon to fight when the beasts were hunted to extinction centuries ago by the ancient Chevaliers of the Silver Circle?

On the way to the capitol city, Gill rescues Solene, a young barmaid, who is about to be burned as a witch. He believes her innocent, but she soon proves that she has plenty of raw, untrained power, a problem in this land, where magic is forbidden. Yet the...
Grace Will Lead Us Home
The Charleston Church Massacre and the Hard, Inspiring Journey to Forgiveness
by Jennifer Berry Hawes

This audiobook is a deeply moving work of narrative nonfiction on the tragic shootings at the Mother Emanuel AME church in Charleston, South Carolina. Listeners will never forget Jennifer Berry Hawes' incredible contribution to ethical journalism.

On June 17, 2015, twelve members of the historically black Emanuel AME Church in Charleston, South Carolina welcomed a young white man to their evening Bible study. He arrived with a pistol, 88 bullets, and hopes of starting a race war. Dylann Roof's massacre of nine innocents during their closing prayer horrified the nation. Two days later, relatives of the dead stood at Roof's hearing and said, I forgive you." That grace offered the country a hopeful ending to an awful story. But for the survivors and victims' families, the journey had just begun.

In *Grace Will Lead Us Home*, Pulitzer Prize-winning journalist Jennifer Berry Hawes provides a definitive account of the tragedy's aftermath With unprecedented access to
Reaper: Threat Zero
by Nicholas Irving and A.J. Tata
The next book in the explosive new thriller series by former special operations sniper and New York Times bestselling author of The Reaper.

A convoy of cars carrying several family members of the President’s cabinet to Camp David for ‘Family Day’ is ambushed, killing and wounding wives, husbands and children.

Immediately in the aftermath, Vick Harwood watches a Facebook live feed of his former ranger buddy Sammie Samuelson’s apparent suicide and confession in his Thurmont, Maryland apartment, just one mile from Camp David. Remnants of a firefight are in the background: sniper rifle, rocket launchers, and ammunition. Simultaneously, an intruder breaks into Harwood’s house.

Harwood arrives in Thurman to investigate the suicide and, with the help of his whip smart and attractive neighbor, traces evidence left by Samuelson to a transnational terrorist group.

The Scent Keeper
by Erica Bauermeister
Erica Bauermeister, the national bestselling author of The School of Essential Ingredients, presents a moving and evocative coming-of-age audiobook about childhood stories, families lost and found, and how a fragrance conjures memories capable of shaping the course of our lives.

Emmeline lives an enchanted childhood on a remote island with her father, who teaches her about the natural world through her senses. What he won’t explain are the mysterious scents stored in the drawers that line the walls of their cabin, or the origin of the machine that creates them. As Emmeline grows, however, so too does her curiosity, until one day the unforeseen happens, and Emmeline is vaulted out into the real world - a place of love, betrayal, ambition, and revenge. To understand her past, Emmeline must unlock the clues to her identity, a quest that challenges the limits of her heart and imagination.

Lyrical and immersive, The Scent Keeper explores the provocative beauty of scent, the way it can reveal hidden truths, lead us to the person we seek, and even help us find our way back home.

Rules of Engagement
by David Bruns and J. R. Olson

A terrorist breach of the computer systems of the three most powerful navies is about to set them on a collision course for World War III.

Rafiq Roshed is one of the most wanted men in the world. A terrorist with a virulent grudge against the West, he’s disappeared into North Korea where he quietly launches cyber sneak attacks in service of Kim Jong-un. But now he’s about to unleash his virtual masterpiece - a computer virus that, once inserted into the command systems of a military, not only takes over, but also learns the art of war. First penetrating the Chinese, he has their war machine launch a series of attacks on the U.S. Pacific forces.

Don Riley, head of U.S. Cyber Command, discovers that not only have the Chinese lost control of their military, but the same virus has infected the American network. It’s only a matter of time before the U.S. loses control of its own military. His secret weapon in this war is a trio of supremely talented midshipman from the U.S. Naval Academy, who uncover the infiltration, and are working to track down the elusive terrorist.

But time is running out. China and Japan have lost control of their military and the U.S.
The Method to the Madness
Donald Trump’s Ascent as Told by Those Who were Hired, Fired, Inspired - and Inaugurated by Allen Salkin and Aaron Short
A Rosetta Stone for understanding Donald Trump’s style, mindset, and every action, made up of over one hundred interviews with his closest associates over the last 15 years.
To his critics, Donald Trump is an impulsive, undisciplined crackpot who accidentally lucked into the presidency. But in The Method to the Madness, reporters Allen Salkin and Aaron Short reveal that nothing could be further from the truth. This objective, nonpartisan oral history shows that Trump had carefully planned his bid for the presidency since he launched what many considered to be a joke candidacy in 1999.
Between 2000 and 2015, when he announced his candidacy in the lobby of Trump Tower, he was able to identify an unserved political constituency, hone a persuasive message that appealed to their needs, and deliver it effectively, despite intense media opposition.

Honestly, We Meant Well
by Grant Ginder
BEAUTIFUL RUINS meets THE NEST in a novel about family, regret, and vacation from the author of THE PEOPLE WE HATE AT THE WEDDING.

The Wright family is in ruins. Sue Ellen, a successful professor of Classics at Berkeley thought she had, if not a perfect life, then at least a not-so-bad one. With a great career, a loving husband, and a son who is just about to leave the nest after college, she thinks the next phase of her life will be a contented one a chance to rest on her laurels.

And then, disaster. Dean, her husband of over twenty years, is caught in an affair. Her son, Will, is not only graduating college with no job prospects, but is harboring a secret that might just leave his family in even worse shape than it already is.

Maybe the life Sue Ellen has had is one she regrets. So when the opportunity to take her family and spend a few weeks on the Greek island of Aegina as a lecturer is presented to her, Sue Ellen jumps at the opportunity. After all, Aegina is where she first

A Chain Across the Dawn
by Drew Williams, read by Brittany Pressley

The only thing more fun than a bonkers space battle is a whole book packed with bonkers space battles. Come for the exploding spaceships, stay for the intriguing universe." - Becky Chambers, on The Stars Now Unclaimed

It's been three years since Esa joined the ranks of the Justified after her rescue from the Pax by Justified agent Jane Kamali. Together, Esa and Jane travel from planet to Pulse-ravaged planet, searching for other children with Esa's supernatural abilities. It's hard work, but Esa has never felt more assured of her place in the universe.

On a visit to a planet so remote that its inhabitants never learned that the Sect Wars ended over a hundred years ago, they learn that the Justified are not the only people searching for gifted children. There is a creature with unexpected powers who will stop at nothing to get its hands on the children that Esa and Jane are trying to rescue.

With their latest recruit in tow - a young Wulf child named Sho - Esa and Jane will travel halfway across the galaxy in pursuit of answers. But the answers only lead to more
Warrior's Creed
A Life of Preparing for and Facing the Impossible
by Roger Sparks and Don Rearden
The riveting story of how a boy raised amidst a biker gang became an elite Marine and pararescue warrior.

'Absence of self is my sword' comprises the final line in 'The Warrior's Creed,' a 14th century poem written by an unknown Japanese Samurai, and this is the code Master Sergeant Roger Sparks embodied as a Marine turned Alaskan Pararescueman. A living legend in the military, Sparks first made a name for himself in the elite Marine Force Reconnaissance. He went on to become an instructor where he trained the future Force Recon recruits with unorthodox and ancient indigenous warrior instruction. A decade later, the same methods would earn him a Silver Star, and keep him alive, when he hoisted into a maelstrom of violence to rescue an embattled platoon of Rangers and CIA operatives in the rugged mountains of eastern Afghanistan.

Born into the tough code of honor, family, and brotherhood of the notoriously violent Mongol Bikers, Roger Sparks rose from the streets of Dallas to become a distinguished...
Kissinger on Kissinger
Reflections on Diplomacy, Grand Strategy, and Leadership
by Winston Lord and Henry Kissinger

In a series of riveting interviews, America's senior statesman discusses the challenges of directing foreign policy during times of great global tension. As National Security Advisor to Richard Nixon, Henry Kissinger transformed America's approach to diplomacy with China, the USSR, Vietnam, and the Middle East, laying the foundations for geopolitics as we know them today.

Nearly fifty years later, escalating tensions between the US, China, and Russia are threatening a swift return to the same diplomatic game of tug-of-war that Kissinger played so masterfully. Kissinger on Kissinger is a series of faithfully transcribed interviews conducted by the elder statesman's longtime associates Winston Lord and K.T. McFarland, capturing his thoughts on the specific challenges that he faced during his tenure as NSA, as well as his general advice on leadership and international relations. The result is a frank and well-informed overview of US foreign policy in the first half of the 70s - essential reading for anyone hoping to tackle tomorrow's global challenges.

I Love You but I Hate Your Politics
How to Protect Your Intimate Relationships in a Poisonous Partisan World
by Jeanne Safer

Since the election of Donald J. Trump, political differences have been ravaging our personal relationships like never before. This already widespread phenomenon will continue to grow unless we can learn to fight it. Drawing from fifty interviews with politically-mixed couples and her own experiences as a die-hard liberal happily married to a stalwart conservative, Dr. Jeanne Safer offers us a path forward in this practical guide to maintaining intimate relationships in our increasingly divided world.

The book is part relationship guide, part anthropological study, and it's sure to educate and entertain anyone who has felt the strain of political differences on their personal relationships. No matter which side of the fence you're on, Dr. Safer offers frank, practical advice for salvaging and strengthening your bonds with your loved ones. I Love You But I Hate Your Politics is required reading for any politically-minded friend, relative, or significant other in the Trump era.
The British Are Coming
The War for America, Lexington to Princeton, 1775-1777
by Rick Atkinson
From the bestselling author of the Liberation Trilogy comes the extraordinary first volume of his new trilogy about the American Revolution.

Rick Atkinson, author of the Pulitzer Prize-winning An Army at Dawn and two other superb books about World War II, has long been admired for his deeply researched, stunningly vivid narrative histories. Now he turns his attention to a new war, and in the initial volume of the Revolution Trilogy he recounts the first twenty-one months of America’s violent war for independence. From the battles at Lexington and Concord in spring 1775 to those at Trenton and Princeton in winter 1777, American militiamen and then the ragged Continental Army take on the world’s most formidable fighting force. It is a gripping saga alive with astonishing characters: Henry Knox, the former bookseller with an uncanny understanding of artillery; Nathanael Greene, the blue-eyed bumpkin who becomes a brilliant battle captain; Benjamin Franklin, the self-made man who proves to be the wiliest of diplomats; George Washington, the commander in chief who learns the difficult art of leadership when the war seems all but lost. The story is...
