Metaphrog's Bluebeard
by Metaphrog

Award-winning duo, Metaphrog, transform the classic folktale into a feminist fairy tale, about the blossoming of a young child to womanhood striving for independence. Eve spends an idyllic childhood of long summer days with her sweetheart Tom, and together they dream of exploring the world. But that dream is soon shattered as she comes of age. The mysterious Bluebeard is looking for a new bride and has his sights set on Eve, and rumor has it that his former wives have all disappeared. What will Eve find in the castle beyond the enchanted forest? A forbidden chamber, a golden key and the most terrifying secret, take on a new life in this gothic graphic novel.
