Sunset Beach
A Novel
by Mary Kay Andrews

The New York Times bestselling author and Queen of the Beach Reads delivers her next blockbuster: Sunset Beach is a compelling ride, full of Mary Kay Andrews' signature wit, heart, and charm.

Pull up a lounge chair and have a cocktail at Sunset Beach - it comes with a twist.

Drue Campbell's life is adrift. Out of a job and down on her luck, life doesn't seem to be getting any better when her estranged father, Brice Campbell, a flamboyant personal injury attorney, shows up at her mother's funeral after a twenty-year absence. Worse, he's remarried - to Drue's eighth grade frenemy, Wendy, now his office manager. And they're offering her a job.

It seems like the job from hell, but the offer is sweetened by the news of her inheritance - her grandparents' beach bungalow in the sleepy town of Sunset Beach, a charming but storm-damaged eyesore now surrounded by waterfront McMansions.

With no other prospects, Drue begrudgingly joins the firm, spending her days screening out the grifters whose phone calls flood the law office. Working with Wendy is no picnic either. But when a suspicious death at an exclusive beach resort nearby exposes possible corruption at her father's firm, she goes from unwilling cubicle rat to unwitting investigator, and is drawn into a case that may - or may not - involve her father.

With an office romance building, a decades-old missing persons case re-opened, and a cottage in rehab, one thing is for sure at Sunset Beach: there's a storm on the horizon.

Shotguns and Stagecoaches
The Brave Men Who Rode for Wells Fargo in the Wild West by John Boessenecker

John Boessenecker presents the true stories of the Wild West heroes who guarded the iconic Wells Fargo stagecoaches and trains, battling colorful thieves, vicious highwaymen, and robbers armed with explosives.

The phrase riding shotgun was no teenage game to the men who guarded stagecoaches and trains of the Western frontier. Armed with sawed-off, double-barreled shotguns and an occasional revolver, these express messengers guarded valuable cargo through lawless terrain. They were tough, fighting men who risked their lives every time they climbed into the front boot of a Concord coach.

Boessenecker introduces soon-to-be iconic personalities like "Chips" Hodgkins, an express rider known for his white mule and his ability to outrace his competitors, and Henry Johnson, the first Wells Fargo detective. Their lives weren't just one shootout after another - their encounters with desperadoes were won just as often with quick wits and memorized-by-heart knowledge of the land.

The highway robbers also get their due. It wouldn't be a book about the Wild West without Black Bart, the most infamous stagecoach robber of all time, and Butch Cassidy's gang, America's most legendary train robbers.

Through the Gold Rush and the early days of delivery with horses and saddlebags, to the heyday of stagecoaches and huge shipments of gold, and finally the rise of the railroad and the robbers who concocted unheard-of schemes to loot trains, Wells Fargo always had courageous men to protect its treasure. Their unforgettable bravery and ingenuity make Shotguns and Stagecoaches a thrilling read.

JOHN BOESSENECKER is considered one of the leading authorities on crime and lawlessness in the Old West. He is the award-winning author of Bandido: The Life and Times of Tiburcio Vasquez and When Law Was in the Holster: The Frontier Life of Bob Paul. Things You Save in a Fire
A Novel
by Katherine Center

From the New York Times bestselling author of How to Walk Away comes a stunning new novel about courage, hope, and learning to love against all odds.

Cassie Hanwell was born for emergencies. As one of the only female firefighters in her Texas firehouse, she's seen her fair share of them, and she's a total pro at other people's tragedies. But when her estranged and ailing mother asks her to give up her whole life and move to Boston, Cassie suddenly has an emergency of her own.

The tough, old-school Boston firehouse is as different from Cassie's old job as it could possibly be. Hazing, a lack of funding, and poor facilities mean that the firemen aren't exactly thrilled to have a lady on the crew - even one as competent and smart as Cassie. Except for the infatuation-inspiring rookie, who doesn't seem to mind having Cassie around. But she can't think about that. Because love is girly, and it's not her thing. And don't forget the advice her old captain gave her: Never date firefighters. Cassie can feel her resolve slipping...and it means risking it all - the only job she's ever loved, and the hero she's worked like hell to become.

Katherine Center's Things You Save in a Fire is a heartfelt and healing tour-de-force about the strength of vulnerability, the nourishing magic of forgiveness, and the life-changing power of defining courage, at last, for yourself.

Montauk
A Novel

An epic and cinematic novel by debut author Nicola Harrison, Montauk captures the glamour and extravagance of a summer by the sea with the story of a woman torn between the life she chose and the life she desires.

Montauk, Long Island, 1938.

For three months, this humble fishing village will serve as the playground for New York City's wealthy elite. Beatrice Bordeaux was looking forward to a summer of reigniting the passion between her and her husband, Harry. Instead, tasked with furthering his investment interest in Montauk as a resort destination, she learns she'll be spending twelve weeks sequestered with the high society wives at The Montauk Manor - a two-hundred room seaside hotel - while Harry pursues other interests in the city.

College educated, but raised a modest country girl in Pennsylvania, Bea has never felt fully comfortable among these privileged women, whose days are devoted not to their children but to leisure activities and charities that seemingly benefit no one but themselves. She longs to be a mother herself, as well as a loving wife, but after five years of marriage she remains childless while Harry is increasingly remote and distracted. Despite lavish parties at the Manor and the Yacht Club, Bea is lost and lonely and befriends the manor's laundress whose work ethic and family life stir memories of who she once was.

The Kennedy Heirs
John, Caroline, and the New Generation - A Legacy of Triumph and Tragedy
by J. Randy Taraborrelli

A unique burden was inherited by the children of President John Fitzgerald Kennedy and his celebrated siblings, Senators Robert and Ted Kennedy. Raised in a world of enormous privilege against the backdrop of American history, this third generation of Kennedys often veered between towering accomplishment and devastating defeat. In his revelatory new book, acclaimed Kennedy historian J. Randy Taraborrelli draws back the curtain on the next generation of America's most famous family.

John Kennedy, Jr.’s life in the public eye is explored, following the Kennedy scion as he faced the challenges posed by marrying his great love, Carolyn Bessette. Riveting new details are shared about the couple's tragic demise - and why Ethel Kennedy advised Carolyn not to take the trip that would ultimately end her life. John’s sister, Caroline Kennedy, had her own complicated relationships, including a marriage to Ed Schlossberg that surprised her mother, Jacqueline Kennedy Onassis, and an unexpected bond with her mother-in-law, Mae Schlossberg.

Additional stories, many shared here for the first time, illuminate the rest of the Kennedy dynasty: Kara Kennedy, Ted's daughter, and her valiant battle against lung cancer; how Ted's wife, Vicki, introduced a new era of feminism to the Kennedy family; the lifelong struggles with addiction faced by Bobby Kennedy Jr. and Patrick Kennedy; the unexpected way pop star Taylor Swift helped Conor Kennedy heal after the death of his mother, Bobby's wife Mary; and Congressman Joe Kennedy III's rise to prominence. At the center of it all is the family's indomitable matriarch, Ethel Kennedy - a formidable (...)

When Brooklyn Was Queer
A History
by Hugh Ryan

The never-before-told story of Brooklyn's vibrant and forgotten queer history, from the mid-1850s up to the present day.

***NAMED ONE OF THE BEST LGBTQ BOOKS OF 2019 by Harper's Bazaar***

A romantic, exquisite history of gay culture." - Kirkus Reviews, starred

Hugh Ryan's When Brooklyn Was Queer is a groundbreaking exploration of the LGBT history of Brooklyn, from the early days of Walt Whitman in the 1850s up through the queer women who worked at the Brooklyn Navy Yard during World War II, and beyond. No other book, movie, or exhibition has ever told this sweeping story. Not only has Brooklyn always lived in the shadow of queer Manhattan neighborhoods like Greenwich Village and Harlem, but there has also been a systematic erasure of its queer history - a great forgetting. Ryan is here to unearth that history for the first time. In intimate, evocative, moving prose he discusses in new light the fundamental questions of what history is, who tells it, and how we can only make sense of ourselves through its retelling; and shows how the formation of the Brooklyn we know today is inextricably linked to the stories of the incredible people who created its diverse neighborhoods and cultures. Through them, When Brooklyn Was Queer brings Brooklyn's queer past to (...)

Grace Will Lead Us Home
The Charleston Church Tragedy and the Hard, Inspiring Journey to Forgiveness
by Jennifer Berry Hawes

A groundbreaking” and "definitive must-read" on the tragic shootings at the Mother Emanuel AME church in Charleston, South Carolina, by a Pulitzer Prize-winning journalist.

On June 17, 2015, twelve members of the historically black Emanuel AME Church in Charleston, South Carolina, welcomed a young white man to their evening Bible study. He arrived with a pistol, 88 bullets, and hopes of starting a race war. Dylann Roof's massacre of nine innocents during their closing prayer horrified the nation. Two days later, some relatives of the dead stood at Roof's hearing and said, "I forgive you." That grace offered the country a hopeful ending to an awful story. But for the survivors and victims' families, the journey had just begun.

In Grace Will Lead Us Home, Pulitzer Prize-winning journalist Jennifer Berry Hawes provides a definitive account of the tragedy's aftermath. With unprecedented access to the grieving families and other key figures, Hawes offers a nuanced and moving portrait of the events and emotions that emerged in the massacre's wake.

The two adult survivors of the shooting begin to make sense of their lives again. Rifts form between some of the victims' families and the church. A group of relatives fights to end gun violence, capturing the attention of President Obama. And a city in the Deep South must confront its racist past. This is the story of how, beyond the headlines, a community of people begins to heal.

An unforgettable and deeply human portrait of grief, faith, and forgiveness, Grace Will Lead Us Home is destined to be a classic in the finest tradition of journalism.

Star Trek legend and veteran author William Shatner discusses the meaning of life, finding value in work, and living well whatever your age.

"I have always felt," William Shatner says early in his newest memoir, that "like the great comedian George Burns, who lived to 100, I couldn't die as long as I was booked." And Shatner is always booked. Still, a brief health scare in 2016 forced him to take stock. After mulling over the lessons he's learned, the places he's been, and all the miracles and strange occurrences he's witnessed over the course of an enduring career in Hollywood and on the stage, he arrived at one simple rule for living a long and good life: don't die.

It's the only one-size-fits-all advice, Shatner argues in Live Long and...: What I Learned Along the Way, because everyone has a unique life - but, to help us all out, he's more than willing to share stories from his unique life. With a combination of pithy humor and thoughtful vulnerability, Shatner lays out his journey from childhood to peak stardom and all the bumps in the road. (Sometimes the literal road, as in the case of his 2,400-mile motorcycle trip across the country with a bike that didn't function.)

William Shatner is one of our most beloved entertainers, and he intends never to stop entertaining. His funny, provocative, and poignant reflections offer an unforgettable read about a remarkable man.

David Fisher is the author of more than twenty New York Times bestsellers and coauthor of Bill O'Reilly's Legends and Lies series. His work has also appeared in most major magazines and many newspapers. He lives in New York with his wife and two sons.
America is in crisis, from the university to the workplace. Toxic ideas first spread by higher education have undermined humanistic values, fueled intolerance, and widened divisions in our larger culture. Chaucer, Shakespeare and Milton? Oppressive. American history? Tyranny. Professors correcting grammar and spelling, or employers hiring by merit? Racist and sexist. Students emerge into the working world believing that human beings are defined by their skin color, gender, and sexual preference, and that oppression based on these characteristics is the American experience. Speech that challenges these campus orthodoxies is silenced with brute force.

The Diversity Delusion argues that the root of this problem is the belief in America's endemic racism and sexism, a belief that has engendered a metastasizing diversity bureaucracy in society and academia. Diversity commissars denounce meritocratic standards as discriminatory, enforce hiring quotas, and teach students and adults alike to think of themselves as perpetual victims. From #MeToo mania that blurs flirtations with criminal acts, to implicit bias and diversity compliance training that sees racism in every interaction, Heather Mac Donald argues that we are creating a nation of narrowed minds, primed for grievance, and that we are putting our competitive edge at risk.

But there is hope in the works of authors, composers, and artists who have long inspired the best in us. Compiling the author's decades of research and writing on the subject, The Diversity Delusion calls for a return to the classical liberal pursuits (...)

The second mystery in Susanna Calkins’ captivating new series takes readers into the dark, dangerous, and glittering underworld of a 1920’s Chicago speakeasy.

After nine months on the job, Gina Ricci feels like she’s finally getting into the swing of things as a cigarette girl at the Third Door, one of Chicago’s premier moonshine parlors. The year is 1929, the Chicago Cubs are in the World Series, neighborhood gangs are all-powerful, and though Prohibition is the law of the land they can’t serve the cocktails fast enough at the Third Door.

Two women in particular, Fruma and Adelaide, are throwing drinks back with abandon while chatting with bankers they’ve got their eyes on, and Gina can’t help but notice that the levels of inebriation and the tension at their table seem almost evenly matched. When the group stumbles out into the early morning hours, she tries to put them out of her head and finish her shift in peace.

But on arriving home Gina’s longed-for sleep is interrupted when her cousin Nancy, a police officer, calls–she’s found a dead body. Gina hurries over with her camera in hand, ready to take photos of the crime scene, but stops short when she recognizes the dead body as one of the tipsy women from the night before: Fruma.

Could the Third Door have served the woman bad liquor that led to her demise? Or, as Gina can’t help (…)

Hollywood Godfather
My Life in the Movies and the Mob
by Gianni Russo and Patrick Picciarelli

Hollywood Godfather is Gianni Russo's over-the-top memoir of a real-life mobster-turned-actor who helped make The Godfather a reality, and his story of life on the edge between danger and glamour.

Gianni Russo was a handsome 25-year-old mobster with no acting experience when he walked onto the set of The Godfather and entered Hollywood history. He played Carlo Rizzi, the husband of Connie Corleone, who set her brother Sonny - played by James Caan - up for a hit. Russo didn't have to act - he knew the mob inside and out: from his childhood in Little Italy, where Mafia legend Frank Costello took him under his wing, to acting as a messenger for New Orleans mob boss Carlos Marcello during the Kennedy assassination, to having to go on the lam after shooting and killing a member of the Colombian drug cartel in his Vegas club.

Along the way, Russo befriended Frank Sinatra, who became his son's godfather, and Marlon Brando, who mentored his career as an actor after trying to get Francis Ford Coppola to fire him from The Godfather. Russo had passionate affairs with Marilyn Monroe, Liza Minelli, and scores of other celebrities. He went on to become a producer and starred in The Godfather: Parts I and II, Seabiscuit, Any Given Sunday and Rush Hour 2, among many other films.

Hollywood Godfather is a no-holds-barred account of a life filled with violence, glamour, sex - and fun

Author Bio

GIANNI RUSSO has appeared in more than thirty movies, been involved in the production of several others, and appeared in numerous TV shows. His most well-known roles include parts in The Godfather: Parts I and II; Goodnight, My Love; Lepke; Laserblast; Chances Are; The Freshman; Side Out; Another You; Super Mario Bros.; Any Given Sunday; The Family Man; Seabiscuit; and Rush Hour 2. His life-long association with organized crime has made him a witness to Mob history. He is also a singer, whose shows are sold out across the country.

PATRICK PICCIARELLI is a retired NYPD Lieutenant, Vietnam veteran and private investigator. He is the author of Street Warrior: The True Story of the NYPD's Most Decorated Detective and the Era That Created Him, and other books. He resides in Pennsylvania.

Everyday I Need to Know I Learned in the Twilight Zone
A Fifth-Dimension Guide to Life
by Mark Dawidziak

Now with important life lessons from the Jordan Peele reboot, the earlier TV reboot, and the 1983 movie.

Can you live your life by what The Twilight Zone has to teach you? Yes, and maybe you should. The proof is in this lighthearted collection of life lessons, ground rules, inspirational thoughts, and stirring reminders found in Rod Serling's timeless fantasy series. Written by veteran TV critic Mark Dawidziak, this unauthorized tribute is a celebration of the classic anthology show; but also, on another level, a kind of fifth-dimension self-help book, with each lesson supported by the morality tales told by Serling and his writers. The notion that it's never too late to reinvent yourself" soars through "The Last Flight," in which a World War I flier goes forward in time and gets the chance to trade cowardice for heroism. A visit from an angel blares out the wisdom of "follow your passion" in "A Passage for Trumpet." The meaning of "divided we fall" is driven home with dramatic results when neighbors suspect neighbors of being invading aliens in "The Monsters Are Due on Maple Street." The old maxim about never judging a book by its cover is given a tasty twist when an alien tome is translated in "To Serve Man.

A member of the editorial board of Rod Serling Books, he penned the foreword to the 2015 reissue of Rod Serling's first book, Patterns. He has edited three collections of works by Twilight Zone contributor Richard Matheson. Warrior's Creed
A Life of Preparing for and Facing the Impossible
by Roger Sparks and Don Rearden

The riveting story of how a young boy's upbringing with outlaw culture and charismatic role models forged him into an elite Marine and a decorated Pararescueman.

"Absence of self is my sword" comprises the final line in "The Warrior's Creed," a 14th century poem written by an unknown Japanese Samurai, and this is the code Master Sergeant Roger Sparks embodied as a Recon Marine turned Alaskan Pararescueman. A living legend in the military, Sparks first made a name for himself within elite Marine Reconnaissance units. He went on to become an instructor where he trained future Reconnaissance Marines with unorthodox and ancient indigenous warrior techniques. A decade later, the same methods would keep him and others alive, when he hoisted into a maelstrom of violence to rescue an embattled platoon in the rugged mountains of eastern Afghanistan.

Introduced to a tough code of honor, family, and brotherhood from birth, Roger Sparks rose to become a distinguished instructor in Marine Reconnaissance and a Silver Star recipient as an Alaska Pararescueman. A raw and exhilarating tale of guts, grit, and heart, Warrior's Creed recounts the hidden side of special operations training, heroic and heartbreaking Alaskan wilderness rescues, and the surreal and deadly rescues during Operation Bulldog Bite in Afghanistan's Watapur Valley.

This powerful and inspirational story is as much of a self-help book as it is an edge of your seat military memoir. Warrior's Creed reveals a motivating and mindful approach to overcoming the odds, facing the impossible, and finding mercy and grace in the aftermath.

Gripping, fast paced, and entertaining, Warrior's Creed shares an inside look into the intense challenges and hardships Roger and men like (...)

Marilyn Monroe
The Private Life of a Public Icon
by Charles Casillo

Based on new interviews and research, this ground-breaking biography by Charles Casillo explores the secret selves behind Marilyn Monroe's public facades.

Marilyn Monroe. Her beauty still captivates. Her love life still fascinates. Her story still dominates popular culture. Now, drawing on years of research and dozens of new interviews, this biography cuts through decades of lies and secrets and introduces you to the Marilyn Monroe you always wanted to know: a living, breathing, complex woman, bewitching and maddening, brilliant yet flawed.

Charles Casillo studies Monroe's life through the context of her times - in the days before feminism. Before there was adequate treatment for Marilyn's struggle with bipolar disorder. Starting with her abusive childhood, this biography exposes how - in spite of her fractured psyche - Marilyn's extreme ambition inspired her to transform each celebrated love affair and each tragedy into another step in her journey towards immortality. Casillo fully explores the last two years of her life, including her involvement with both John F. Kennedy and his brother Robert, and the mystery of her last day.

Just a few of Casillo's revelations:
* Despite reports of their bitter rivalry, Elizabeth Taylor secretly reached out and tried to help Marilyn during one of her darkest moments.
* The existence of Marilyn's semi-nude love scene with Clark Gable - long thought to be lost.
* A few nights before she died, Marilyn encountered Warren Beatty at a party and disclosed some of the reasons for her final despair.
* A meticulously detailed account of the events of her last day, revealing how a series of miscommunications and misjudgments contributed to her death.

The Stressed Years of Their Lives
Helping Your Kid Survive and Thrive During Their College Years
by B. Janet Hibbs and Anthony Rostain

From two leading child and adolescent mental health experts comes a guide for the parents of every college and college-bound student who want to know what's normal mental health and behavior, what's not, and how to intervene before it's too late.

The title says it all. . . Chock full of practical tools, resources and the wisdom that comes with years of experience, The Stressed Years of their Lives is destined to become a well-thumbed handbook to help families cope with this modern age of anxiety."
- Brigid Schulte, Pulitzer Prize-winning journalist, author of Overwhelmed and director of the Better Life Lab at New America

All parenting is in preparation for letting go. However, the paradox of parenting is that the more we learn about late adolescent development and risk, the more frightened we become for our children, and the more we want to stay involved in their lives. This becomes particularly necessary, and also particularly challenging, in mid- to late adolescence, the years just before and after students head off to college. These years coincide with the emergence of many mood disorders and other mental health issues.

When family psychologist Dr. B. Janet Hibbs's own son came home from college mired in a dangerous depressive spiral, she turned to Dr. Anthony Rostain. Dr. Rostain has a secret superpower: he understands the arcane rules governing privacy and parental involvement in students' mental health care on college campuses, the same rules that sometimes hold parents back from getting good care for their kids. Now (...)
