Angels and Archangels
The Western Path to Enlightenment
by Damien Echols

Learn to call on the divine assistance of angelic forces to shape your life in this in-depth guide from Damien Echols.

Angels do not belong to any one single religion, system, or dogma, " teaches Damien Echols. "They don't care what religion we subscribe to. The angels are here to help us grow, evolve, and reach our full potential." With Angels and Archangels, this bestselling author combines his unique blend of hard-won experience and scholarship to create a breakthrough guide to understanding what angels are, how they make themselves available, and magickal practices to invoke their power to transform your life.

Damien Echols has helped ignite a wave of new interest in magick - the Western path of spiritual growth and awakening. Here Echols clears away the cultural confusion and misrepresentation of angels to provide a lucid and practical set of tools for working with these timeless forces for divine wisdom and healing power.

When Echols was wrongly convicted of murder as part of the West Memphis Three case, he had every reason to reject angels as being part of the dogma his persecutors wielded against him. "Never in a million years did I think that one day I would have a passion for the subject of angels," he says. "Yet these days, nearly every act of magick I perform involves evoking angels. Because angel magick works. Always. I've never found any other form of magick that comes close.

DAMIEN ECHOLS was born in 1974 and grew up in Mississippi, Tennessee, Maryland, Oregon, Texas, Louisiana, and Arkansas. When he was 18, Damien and two other young men were wrongfully convicted of murder, eventually becoming known as the West Memphis Three. Having received a death sentence, Damien spent almost two decades on death row, until he was released in 2011. While in prison, Damien was ordained into the Rinzai Zen Buddhist tradition. He is the subject of Paradise Lost, a three-part documentary series produced by HBO, and West of Memphis, a documentary produced by Peter Jackson and Fran Walsh. Damien is also the author of the New York Times bestseller Life After Death and Yours For Eternity (with his wife Lorri Davis).

Damien teaches classes on magick around the country and works as a visual artist. His artwork entails glyphs, sigils, and symbols designed to bypass the conscious mind and speak directly to the subconscious, combining magick techniques with his own alphabet and writing system to break down concepts and scenarios into abstract designs. He and Lorri live in New York City with their three cats.

F*ck Like a Goddess
by Alexandra Roxo

Reclaim your power, heal your wounds, and step into your confidence as a modern woman with this practical, dynamic guide

Many modern women are fed up with the status quo that tries to put us into boxes and take away our power. With cultural movements like #MeToo and an ever-changing political climate, we can find ourselves overwhelmed by the powerful emotions and issues that are bubbling up. How do we release the trauma? Deal with the pain? Empower ourselves and move through as a culture?

F*ck Like a Goddess is a road map for modern women. As a prominent voice in transformational healing and the divine feminine who has emerged stronger and wiser from her own experiences with sexual abuse, mental abuse, and body shaming, Alexandra Roxo has developed the tried-and-true methods in this book for getting beyond our cultural programming and beginning to live and fuck "like a Goddess - metaphorically and literally. This book will guide you to see that healing, reclaiming your voice, and stepping into your full security can be magical . . . and will lead to finding power that is truly yours. As Alexandra says, "We are in need of an uprising of messy, wild women, who have reclaimed their bodies, standing in their sacred sexuality for them. We need women living from their own hearts. We need the balance between the fierce and the mindful; the Warrior Woman and the gentle, compassionate lover.

Dreams of Light
The Profound Daytime Practice of Lucid Dreaming
by Andrew Holecek

With Dreams of Light, a world-renowned expert in lucid dreaming and Tibetan dream yoga guides us into the tradition's daytime practices.

Most of us are absolutely certain that we're awake here and now - it's a given, right? Yet, according to Tibetan dream yoga, ordinary waking life is in fact a delusion, as illusory as our nightly dreams.

In his previous book Dream Yoga, Andrew Holecek guided us into Tibet's nocturnal path of lucid dreaming and other dimensions of sleeping consciousness. Now, with Dreams of Light, he offers us a step-by-step guide to Tibetan dream yoga's daytime practices.

Known in Tibet as the illusory form* practices, these teachings include insights, meditations, and actions to help us realize the dreamlike nature of our lives.

Through an in-depth exploration of the tradition, beginners and seasoned practitioners alike will learn everything they need to enter the unexplored realms of our waking states.

"If you've struggled to awaken in your dreams," teaches Holecek, "these techniques will often spark spontaneous lucidity during sleep. And if you're already a successful lucid dreamer, they will open you to new depths of experience throughout your day."

For those curious about altered states of consciousness, psychedelic therapies, and near-death and out-of-body experiences, Dreams of Light opens a time-honored gateway to kindred - and for many, even more profound - terrains of perception.

The Way of the Monk
How to Find Purpose, Balance, and Lasting Happiness by Gaur Gopal Das

What can a member of a Mumbai ashram offer the modern world? Gaur Gopal Das shows that a monk still has much to teach about living a happy and balanced life.

In contemporary culture, the popular conception of a monk is often of a dour ascetic who lives apart from society and never engages with the day-to-day problems of humanity. Gaur Gopal Das, a monk from an ashram in Mumbai, shows that this image couldn't be further from the truth.

In *The Way of the Monk*, Gopal Das presents a guide to navigating some of the contemporary world's most fundamental questions. How can we achieve peace when the world is so full of noise and conflict? How do we learn to let go of attachment when consumer culture constantly tells us that we are unfulfilled? How can we embody love when our interactions with others are so fraught with old wounds and misunderstanding?

According to Gopal Das, the keys to unraveling these dilemmas have existed for thousands of years throughout the world's great wisdom traditions. Structured around the four "wheels" of behavior that support a healthy, balanced life, *The Way of the Monk* teaches fundamental skills of mindfulness, self-inquiry, positive communication, and more. Gopal Das writes from the perspective of a trusted friend, weaving tales he's encountered over the years into a single, overarching teaching story.

Already a bestseller in India, *The Way of the Monk* is an ideal entry point for those who are just stepping onto the spiritual path. Here you will find a humorous and profound journey into truths that exist beyond the boundaries of geography, tradition, and nationality.

Gaur Gopal Das is a former Hewlett Packard engineer who joined the International Society for Krishna Consciousness (ISKCON) as a monk in 1996. Since then, he has become a popular speaker and motivational coach both on YouTube and in public. For more, see gaurgopaldas.com.
The Bloom Book
A Flower Essence Guide to Cosmic Balance
by Heidi Smith, illustrated by Chelsea Granger

Flowers represent a branch of plant medicine that is specifically concerned with our consciousness and evolution. To connect with their essence catalyzes the blossoming of our own healing and spiritual journeys." - Heidi Smith

From lavender's ability to soothe frazzled nerves to rose's charms in healing the heart, flowers don't just delight the senses - they have a secret history as doorways to transformation. With The Bloom Book, Heidi Smith offers a holistic and comprehensive guide for working with flower essences - the vibrational signatures of our botanical allies - to bring about healing, awakening, and deep change.

A psychosomatic therapist, flower essence practitioner, registered herbalist, and long-time student of ancient wisdom traditions, Smith seamlessly integrates the healing power of flower essences with vibrational medicine, and the rise of the divine feminine. The result is a cosmic doctrine of healing that empowers readers to align with their highest selves and help to bring about planetary transformation.

Highlights include:
- An intuitive approach to working with flower essences for balance and optimal health
- Detailed instructions for making, selecting, and formulating flower essences
- Rituals, recipes, and case studies for protection, grounding, dreamwork, grief, love, and more
- Complementary applications of vibrational healing - including breath work, moon cycles, colors, chakras, and sacred symbols
- Working with trauma and systemic oppression - how flower essences can support multi-general, intersectional healing
- Reconnecting with nature, the divine feminine, and your true self through the healing power of flowers

Filled with gorgeous illustrations by artist Chelsea Granger, The Bloom Book is both an information-rich resource and interactive guidebook for anyone who wants to awaken their most vibrant, balanced, and empowered self through the healing power of flower essences.

Living Between Worlds
Finding Personal Resilience in Changing Times
by James Hollis, Ph.D.

What guides us when our world is changing? Discover the path to deeper meaning and purpose through depth psychology.

What makes the challenges of our time so unique and daunting in human history? Technology? Resource depletion? In Living Between Worlds, Dr. James Hollis challenges us to look within for the real cause. Few of our ancestors, if any, became enemies of themselves as we do; few split themselves off from their internal forms of guidance," he explains. "We can serve the drives for power, wealth, status, whatever, but we cannot create meaning. Meaning is a by-product of being in right relationship to our soul."

Dr. Hollis's readers know him as a penetrating thinker who brings profound insight and sophistication to the inner journey. In Living Between Worlds, he broadens his lens to encompass the relationship between our inner struggles and the rapidly shifting realities of modern human existence. This is not a journey that will yield easy answers or pat reassurances. Yet by invoking the guidance of depth psychology, classical literature, philosophy, and myth, you will gain access to resources of purpose, courage, and hope that transcend time and circumstance. "We will always live in in-between times," Hollis teaches. "Perhaps we may drop our plumb line into those same guiding currents which ran through the souls of the ancients . . . and run through ours as well.

You Were Never Broken
Poems to Save Your Life
by Jeff Foster

Poems for accepting all that you are - including those parts of yourself that you wish you could disown

At one time, Jeff Foster wanted to die. After a lifetime of self-loathing, crippling fear, and attempts to numb his own feelings, he was left on the verge of suicide. It was only when he opened himself completely to his emotions - both the unbearable and the wonderful - that he stopped seeking death and started truly living.

In You Were Never Broken, Foster explores this transformation through poetry so raw and vulnerable that you too will feel the full triumph of his journey. Whether exploring life's uncertainties or the joy of personal realization, Foster's poems embrace the full spectrum of human experience. Amid these verses, Foster provides his signature direct teachings on meditation, the great value of stillness and silence, and what it means to surrender completely to the beauty of the present moment. For Foster, the winding path to self-acceptance started with nonjudgmental observation of the thoughts that plagued him - and here he shares his world-renowned expertise on how to begin your own journey.

With You Were Never Broken, Jeff Foster shares the true heart of his inspiring, revelatory path to awakening. In his own words, these are poems to make you stand up and cry, Yes, I am broken . . . but I am unbreakable!

Author Bio

Jeff Foster shares from his own awakened experience a way out of seeking fulfillment in the future and into the acceptance of all this, here and now." He studied astrophysics at Cambridge University. Following a period of depression and physical illness, he embarked on an intensive spiritual search that came to an end with the discovery that life itself was what he had always been seeking.
Radical Alignment
How to Have Game-Changing Conversations That Will Transform Your Business and Your Life
by Alexandra Jamieson and Bob Gower

A proven method to get your team unstuck and into alignment
Why do so many organizations, teams, couples, families, and other groups waste energy on unproductive conflict? Even when everyone has the same general goals, what’s often missing is a deeper alignment based on mutual trust, respect, and empathy. With Radical Alignment, top-level life and business coaches (and happily married couple!) Alexandra Jamieson and Bob Gower share their potent method for helping groups to stop clashing and start working together - to jump from we can’t to an enthusiastic “hell yes!” Jamieson and Gower teach practical tools to help each member of a group skillfully express their core values, concerns, and highest hopes for any undertaking - building a foundation of understanding and respect that can support even the most ambitious goals. Their All-In Method starts with making the implicit explicit so collaborators are able to develop a foundation of empathy and trust. "The world needs more people who know how to build aligned and empathic relationships - in businesses, communities, and families - through powerful, clear conversations," write the authors. Radical Alignment brings you a "low-drama, high-joy" technique to transform the way you collaborate and communicate in every area of your life.

Catching Fire
Being Transformed, Becoming Transforming
by Joan Chittister

Beloved author, elder, and wisdom holder Sister Joan Chittister invites listeners into a rich landscape of questions and topics illuminating to those of many traditions.

How do we face unbearable hurt and struggle?
When we feel lost, alone, and in despair, how do we spark the divine fire within?
What are our unique gifts, and to what purpose are we meant to use them?

For over four decades, Sister Joan Chittister has inspired countless readers to expand the nature of their faith - to live wider, deeper, and more fully engaged in a world that needs us.

Recorded at Mount Saint Benedict Monastery, these immersive conversations speak to a wealth of topics relevant to contemplative Catholics, Christians, and anyone seeking inspiration from a wise and heartful fellow traveler on the spiritual path. With her, listeners will explore how to embrace the hidden gifts of struggle and regret, clarify our purpose, and experience the last third of our lives more richly.

Here, Sister Joan puts special emphasis on the prophetic spirituality of Jesus: his mission not only as a healer but as a prophet - one who perceives and takes action in the face of injustice and inequality.

"God created the world, but God did not complete it," she reflects. "That task is left to you and me." With Catching Fire, we are invited to embark on our own journey of self-transformation - and to transform, in turn, everyone and everything we encounter.

Author Bio

Joan Chittister is an outspoken advocate of justice, peace, and equality. She is a Sister in the Benedictine Order and is the author of more than 50 books, dedicating her life to voicing questions that test popularly accepted truths of the day. Her questions to both church and society focus on the empowerment of women, the development of contemporary spirituality, a redefinition and renewal of Benedictine life for seekers today, and justice for the oppressed and marginalized.
Befriending Your Nervous System
Looking Through the Lens of Polyvagal Theory
by Deborah Dana

Teachings and practices for harnessing the power of your nervous system to support healthy relationships and personal well-being

The same neurological processes that cause you unwanted stress and discord can also be harnessed to summon relaxation, spaciousness, and equanimity. In *Befriending Your Nervous System*, clinician Deb Dana explains how new insights into the human nervous system shed considerable light on our automatic survival responses.

In this audio offering, Dana presents a simple, hopeful message: when you approach these subconscious processes with openness, mindful attention, and above all curiosity, you can gain the understanding necessary to shape their outcomes. Dana draws from the recent explosion of research in Polyvagal Theory, which posits that our most hardwired survival responses are regulated by the Vagus nerve and can be consciously regulated through repeated exercises.

Here Dana teaches how to work with the body's innate ability to pick up social signals and cultivate micro-moments" of safety, retraining your automatic responses to stress, conflict, and hardship. Including in-depth practices such as guided imagery, meditation, and ongoing self-inquiry, *Befriending Your Nervous System* offers a practical user's manual for anyone seeking greater self-awareness.

Author Bio

Deb Dana, LCSW, is a clinician and consultant specializing in working with complex trauma and is the Coordinator of the Kinsey Institute Traumatic Stress Research Consortium. Deb's work at the Kinsey Institute is focused on using the lens of Polyvagal Theory to understand and resolve the impact of trauma and create ways of working that honor the role of the autonomic nervous system. She developed the Rhythm of Regulation Clinical Training Series and lectures internationally.
Acceptance and Commitment Therapy
Principles of Becoming More Flexible, Effective, and Fulfilled by Steven Hayes, Ph.D.

The pioneering originator of ACT teaches us the core principles and methods of this innovative, evidence-based model of life transformation. Have you ever tried to think your way out of emotional turmoil - and ended up feeling even worse? Acceptance and Commitment Therapy (ACT) emerges from a remarkable insight: that when our normal problem-solving skills are applied to painful thoughts or feelings, suffering often increases. Steven C. Hayes, ACT's originator and co-developer, has found this to be true in almost every area of life's struggles. "Fortunately," he begins, "we have discovered why this is, and we have developed ways of correcting it."

For over 30 years, ACT has been used effectively to treat not only mental and behavioral health problems such as anxiety and depression, but to help support workplace success, sports performance, and social change. ACT works by helping us to accept and learn from our emotions, to think more freely and flexibly, and to find a liberating new perspective that allows us to take action based on what matters most to us.

Here, listeners will join this pioneering researcher to learn firsthand about the essentials of ACT. For anyone seeking to improve their lives, these sessions offer an immersive way to understand this demonstrated path to greater happiness and well-being.

Steven C. Hayes is Nevada Foundation Professor in the Behavior Analysis program at the Dept. of Psychology at the University of Nevada. His career has focused on an analysis of the nature of human language and cognition, applying this study to the alleviation of human suffering. He developed the Relational Frame Theory, and has guided its extension to Acceptance and Commitment Therapy (ACT), a popular evidence-based form of psychotherapy, using mindfulness, acceptance, and values-based methods.
One of the most trusted voices in science-based spirituality offers a powerful cure for our culture of division

Perhaps the greatest irony of our times is that we have developed more technologies than ever for connecting us . . . yet our world has never felt more divided. Why? Our modern world is profoundly different from the one in which human beings evolved," Wright explains. "Our nervous systems simply weren't made to deal with the hyper-connected, hyper-stimulating reality we now face." With How Mindfulness Can Heal the World, bestselling author Robert Wright presents a deeply informative and practical audio workshop on the phenomenon of "tribalism" - and how we can choose to evolve beyond our natural tendencies for separation and conflict by using the tools of psychology and mindfulness.

In these six sessions, one of the most respected thinkers in the field of secular spirituality reveals why mindfulness is perhaps our most promising tool for creating real change in a polarized world. Here he helps you understand why our genes are programmed to delude us; why they foster cognitive biases that lead to tribalism; the principles and techniques of Buddhism and psychology that allow us to diminish negative emotions and mind states; practical ways to de-escalate the cycle of partisan outrage that play out in the media and social media; and a bold vision of a collective movement toward a more connected, tolerant, and enlightened future.

Dear Lover
A Woman’s Guide to Men, Sex, and Love’s Deepest Bliss
by David Deida

Your Call to Open to Love’s Deepest Bliss

Every woman knows the fairy tale - find the right man, give him what he wants and needs, and he’ll love you forever. But when the myth you’ve been asked to believe fails to deliver - when you sense you’ve been settling for far less than you know in your heart is possible - then how do you attract and keep a man capable of meeting what you most passionately yearn for?

In Dear Lover, David Deida explores every aspect of the feminine practice of spiritual intimacy, from sexuality and lovemaking, to family and career, to emotions, trust, and commitment. Written as a collection of letters from a man to his dear lover, here is this internationally acclaimed writer’s invitation to practice love as a living art, as you discover how to pick the man of deep integrity who will satisfy the needs of your body, heart, and spirit.
