## The Radius of Us

Marie Marquardt

From the acclaimed author of *Dream Things True* comes a powerful story of two young people overcoming impossible odds to stay together when it seems the world wants to break them apart.

*What happens when you fall in love with someone everyone seems determined to fear?*

Ninety seconds can change a life—not just daily routine, but who you are as a person. Gretchen Asher knows this, because that’s how long a stranger held her body to the ground. When a car sped toward them and Gretchen’s attacker told her to run, she recognized a surprising terror in his eyes. And now she doesn’t even recognize herself.

Ninety seconds can change a life—not just the place you live, but the person others think you are. Phoenix Flores—Flores knows this, because months after setting off toward the U.S. / Mexico border in search of safety for his brother, he finally walked out of detention. But Phoenix didn’t just trade a perilous *barrio* in El Salvador for a leafy suburb in Atlanta. He became *that* person—the one his new neighbors crossed the street to avoid.

Ninety seconds can change a life—so how will the ninety seconds of Gretchen and Phoenix’s first encounter change theirs?

Told in alternating first person points of view, *The Radius of Us* is a story of love, sacrifice, and the journey from victim to survivor. It offers an intimate glimpse into the causes and devastating impact of Latino gang violence, both in the U.S. and in Central America and explores the risks that victims take when they try to start over. Most importantly, *The Radius of Us* shows how people struggling to overcome trauma can find healing in love.

# Wintersong

S. Jae-Jones

**Dark, romantic and unforgettable, a fantastical coming-of-age story for fans of *Labyrinth* and *The Darkest Part of the Forest*.**

**“A maze of beauty and darkness, of music and magic and glittering things, all tied together with exquisite writing. This is a world you will want to stay lost in.”—Marie Lu, #1 *New York Times* bestselling author**

Deep in his terrifying realm underground, the cold and forbidding Goblin King casts a dark shadow over nineteen-year-old Liesl. Her grandmother has always warned her to follow the old laws, for every year on the longest night of winter, she claims, the Goblin King will emerge into the waking world in search of his eternal bride. Sensible and plain, Liesl knows it's her duty to keep her beautiful sister Käthe safe from harm. But Liesl finds refuge only in the wild, captivating music, composed in secret in honor of the mysterious Goblin King.

When Käthe is stolen by the Goblin King, Liesl knows she must set aside her childish fantasies to journey to the Underground and save her. Drawn despite herself to the strange, beautiful world she finds—and the mysterious man who rules it—she finds herself facing an impossible choice. With time and the old laws working against her, Liesl must discover who she truly is before her fate is sealed.

Set at the turn of the 19th century, when young upstart composers like Beethoven were forever altering the sound of music, S. Jae-Jones' richly imagined debut spins a spellbinding tale of music, love, sisterhood, and a young woman's search for self-actualization.

## The Weight of Feathers

Anna-Marie McLemore

**In this critically acclaimed young adult novel, which was a finalist for the prestigious YALSA Morris Award, two teens from rival families fall in love despite almost impossible odds.**

The Palomas and the Corbeaus have long been rivals and enemies, locked in an escalating feud for over a generation. Both families make their living as traveling performers in competing shows—the Palomas swimming in mermaid exhibitions, the Corbeaus, former tightrope walkers, performing in the tallest trees they can find.

Lace Paloma may be new to her family's show, but she knows as well as anyone that the Corbeaus are pure *magia negra*, black magic from the devil himself. Simply touching one could mean death, and she's been taught from birth to keep away. But when disaster strikes the small town where both families are performing, it's a Corbeau boy, Cluck, who saves Lace's life. And his touch immerses her in the world of the Corbeaus, where falling for him could turn his own family against him, and one misstep can be just as dangerous on the ground as it is in the trees.

Beautifully written, and richly imaginative, *The Weight of Feathers* is an utterly captivating young adult novel by a talented new voice.
