Shroud of Eternity

Sister of Darkness: The Nicci Chronicles, Volume II

Terry Goodkind

The sequel to Terry Goodkind's *New York Times* bestselling *Death's Mistress*, set in the world of *The Sword of Truth* as fan favorite warrior Nicci explores new and fantastical realms

Shroud of Eternity picks up where Terry Goodkind's *New York Times* bestseller *Death's Mistress* left off, promising a thrilling brew of bloodshed, sex, deception, and sorcery.

The formidable sorceress Nicci and her companions—the newly powerless Nathan and the youthful Bannon—set out on another quest after driving ruthless Norukai slavers out of Renda Bay. Their mission: restore Nathan's magic and, for Nicci, save the world.

Guided by the witch-woman Red's mysterious prophecy, the trio makes their way south of Kol Adair toward a wondrous city shrouded behind time: Ildakar. But the grotesque omens on their path to Nathan's salvation—severed Norukai heads on pikes, a genetically modified monster, and a petrified army of half a million—are just a taste of the unimaginable horrors that await within the Shroud of Eternity.

TERRY GOODKIND is the author of the worldwide bestsellers making up *The Sword of Truth*, and the #1 *New York Times* bestseller *The Omen Machine*. He lives in Henderson, Nevada.

The Midnight Front

David Mack

Captain America meets *The Magicians*: Allied commando wizards fight their Nazi counterparts in World War II in the first book of a new action-adventure fantasy series

It's World War II and Winston Churchill has enlisted a secret front of wizards to combat the dark forces aiding the Nazis in their bid for world conquest.

Cade Martin is the key. But Cade isn't the Chosen One. The Chosen One was murdered by the sorcerous fire of Axis operatives before he could come into his power. In the war to save the world from plunging into darkness, Cade Martin is plan B.

Cade's teammates in the Midnight Front—magic users all—don't know what to make of him. Some don't trust him. But the stakes are higher than at any previous moment in human history, and the Midnight Front has no choice but to find a way to work together to somehow defeat Adolf Hitler's sorcerers before it's too late.

The Midnight Front is a thrilling, emotionally charged, action-packed tour-de-force.

Dark State

Charles Stross

Hugo Award-winning author Charlie Stross dives deep into the underbelly of paratime espionage, nuclear warfare, and state surveillance in his techno-thriller set in the Merchant Princes universe

Dark State ups the ante on already volatile situations laid out in the sleek techno-thriller *Empire Games*, the start to Charles Stross' fresh storyline in The Merchant Princes series.

In the near-future, two nuclear superpowers are about to collide across timelines. One is a hyper-police state; the other is in the midst of a technological revolution. And two women—a mother and her long-lost daughter—are about to find themselves on opposite sides of the confrontation.

In Commissioner Miriam Burgeson's timeline, her top-level agents run a high-risk extraction of a major political player.

Meanwhile, Rita, newly-minted spy and the Commissioner's estranged daughter, must contend with an activated sleeper cell that threatens unravel everything.

With a penchant for intricate world-building and an uncanny ability to realize alternate history and technological speculation, Stross' writing will captivate any reader who's a fan of high-tech thrillers, interdimensional political intrigue, and espionage.

PRAISE

"The keen eye and what-if imagination of Charles Stross fuel a fresh look at alternate worlds." —David Brin on *Empire Games*

"No one beats [Stross] at hypertechnology." —*The Wall Street Journal* on *Empire Games*

Praise for The Merchant Princes series

"Charles Stross's Merchant Princes novels are economic science fiction worth reading." —Paul Krugman, Nobel Prize winner and *New York Times* bestselling author

"Great wit and high suspense." —*San Francisco Chronicle*

The Skill of Our Hands

A Novel

Steven Brust and Skyler White

A new novel of the Incrementalists, the secret society of near-immortals that aspires to nudge the world into being a little better, from bestselling fantasists Steven Brust and Skyler White

The Incrementalists are a secret society of two hundred people—an unbroken lineage reaching back forty thousand years. They cheat death, share lives and memories, and communicate with one another across nations and time. They have an epic history, an almost magical memory, and a very modest mission: to make the world better, a little bit at a time.

Now Phil, the Incrementalist whose personality has stayed stable through more incarnations than anyone else's, has been shot dead. They'll bring him back—but first they need to know what happened. Their investigation will lead down unexpected paths in Arizona, and bring them up against corruption, racism, and brutality in high and low places alike.

But the key may lie in one of Phil's previous lives, in "Bleeding Kansas" in the late 1850s—and the fate of the passionate abolitionist we remember as John Brown.

PRAISE

*Praise for **The Incrementalists***

"A spectacular new contemporary fantasy novel....This book was an absolute homerun for me." —Cory Doctorow

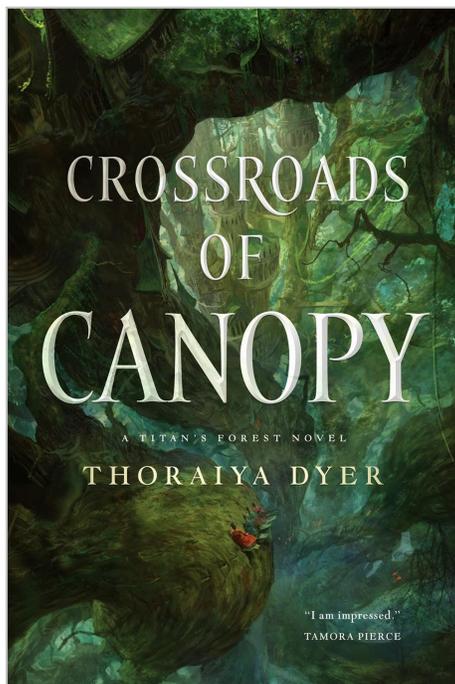

"Powerful, manipulative, and yet oh-so-very-human." —John Scalzi

Crossroads of Canopy

A Titan's Forest novel

Thoraiya Dyer

Heart-pounding debut fantasy adventure set in a giant rainforest realm, which Tamora Pierce praises as "a unique, gorgeous, and dangerous world!" Now in trade paperback.

Unar dreams of greatness.

Determined but destitute, she escapes her parents' plot to sell her into slavery. Now she serves in the Garden of the goddess Audblayin, ruler of growth and fertility.

When Audblayin dies, Unar sees her opportunity for glory, at the risk of descending into the unknown dangers of Understorey to look for a reincarnated newborn god. In its depths, she discovers new forms of magic, lost family connections, and murmurs of a revolution that could cost Unar her chance...or grant it by destroying the home she loves.

PRAISE

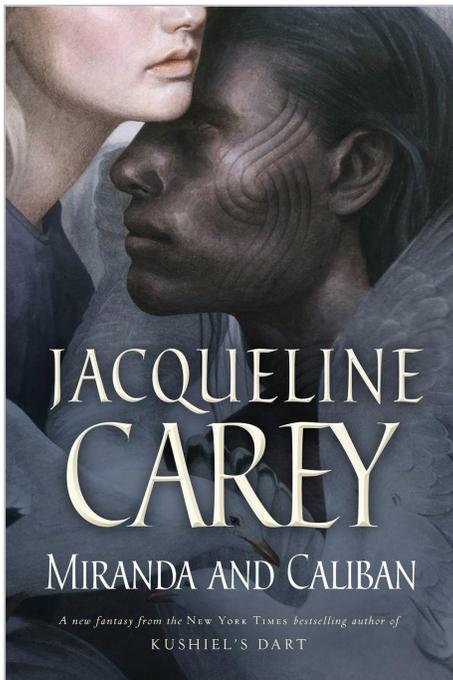

"I am majorly impressed. A unique, gorgeous, and dangerous world, a stubborn female hero, and a writer to watch!"—Tamora Pierce

Miranda and Caliban

Jacqueline Carey

Jacqueline Carey returns with a fantastical version of Shakespeare's *The Tempest*

We all know the tale of Prospero's quest for revenge, but what of Miranda's? Or that of Caliban, the so-called savage Prospero chained to his will?

In this incredible retelling of the fantastical tale, Jacqueline Carey shows readers the other side of the coin—the dutiful and tenderhearted Miranda, who loves her father but is terribly lonely. And Caliban, the strange and feral boy Prospero has bewitched to serve him. While Prospero weaves his magic and dreams of revenge, these two will find solace and companionship in each other.

Miranda and Caliban is bestselling fantasy author Jacqueline Carey's gorgeous retelling of *The Tempest*. With hypnotic prose and a wild imagination, Carey explores the themes of twisted love and unchecked power that lie at the heart of Shakespeare's masterpiece, while serving up a fresh take on the play's iconic characters. It is dazzling.

PRAISE

"Dazzling...Carey turns Shakespeare's *The Tempest* on its head."—*Publishers Weekly* (starred review)

"The same stunning worldbuilding and imagery of her *Kushiel's Legacy*, [Carey] stirs new emotions from an old story and reveals another side to Shakespeare's epic play."—*Library Journal* (starred review)

"Intriguing and impressive."—*Kirkus*

"Infused with dark magic, broken trust, and lost innocence...*Miranda and Caliban*, both narrators with distinct voices, are given rich inner lives through Carey's delicate, sensitive portrayal."—*Booklist*

JACQUELINE CAREY is the author of the *New York Times* bestselling *Kushiel's Legacy* series of historical fantasy novels, the Sundering epic fantasy duology, postmodern fables "Santa Olivia" and "Saints Astray," and the Agent of Hel contemporary fantasy series. Carey lives in western Michigan.

Nightwise

R. S. Belcher

The acclaimed author of *The Six-Gun Tarot* and *The Shotgun Arcana* launches a gritty new urban fantasy series set in today's seedy occult underworld

In the more shadowy corners of the world, frequented by angels and demons and everything in-between, Laytham Ballard is a legend. It's said he raised the dead at the age of ten, stole the Philosopher's Stone in Vegas back in 1999, and survived the bloodsucking kiss of the Mosquito Queen. Wise in the hidden ways of the night, he's also a cynical bastard who stopped thinking of himself as the good guy a long time ago.

Now a promise to a dying friend has Ballard on the trail of an escaped Serbian war criminal with friends in both high and low places-and a sinister history of blood sacrifices. Ballard is hell-bent on making Dusan Slorzack pay for his numerous atrocities, but Slorzack seems to have literally dropped off the face of the Earth, beyond the reach of his enemies, the Illuminati, and maybe even the Devil himself. To find Slorzack, Ballard must follow a winding, treacherous path that stretches from Wall Street and Washington, D.C. to backwoods hollows and truckstops, while risking what's left of his very soul

PRAISEfor *The Six-Gun Tarot*

"The Six-Gun Tarot is nothing short of fantastic: a complex page-turner with philosophical, metaphysical, and mystical underpinnings . . . so sharp you can feel the dust in your mouth." -Booklist

"A fun, rollicking, dark, and disturbing romp through a magical western world . . . a whirlwind of shootouts, assassins, cults, zombies, magic, attractive ladies, dubious morals, and demonic possession, sure to keep you on your toes." -San Francisco Book Review

"The author reinvents Wild West stereotypes into fresh, original characters and imbues the landscape with its own mystical characteristics." -Library Journal, starred review

R.S. BELCHER is the author of two acclaimed "weird westerns," *The Six-Gun Tarot* and *The Shotgun Arcana*. *Nightwise* is his first contemporary fantasy novel. He lives Salem, Virginia.

Child of a Mad God

R. A. Salvatore

This is the first book in a major new dark, epic fantasy series, *The Coven*, by bestselling author R. A. Salvatore

As the Blood Moon rises high upon the mountain of the Usgar a demon hunts. But this is not the demon's story. This is the story of a young woman, the daughter of a witch, born under the Blood Moon, how she finds herself alone in a tribe of vicious barbarians, and how she came to know the world.

From the bestselling author who created Drizzt Do'Urdern comes a brand new series that is sure to capture the hearts of lifetime fans, and ignite the passions of a whole new generation of fantasy readers.

R. A. SALVATORE is one of fantasy's most popular authors, with his books frequently appearing on the *New York Times* bestseller list and more than 10 million copies of his books sold. He lives in Massachusetts.

Semiosis

A Novel

Sue Burke

A sweeping SF epic of first contact that spans generations of humans struggling to survive on an alien world

It learned from alien colonists, but those beings abandoned it. New colonists have arrived—perhaps they will be more useful.

Colonists from Earth wanted the perfect home, but they'll have to survive on the one they found. They don't realize another life form watches...and waits.

The stranded settlers have will have to prove that they are more than mere tools if both species are to survive.

PRAISE

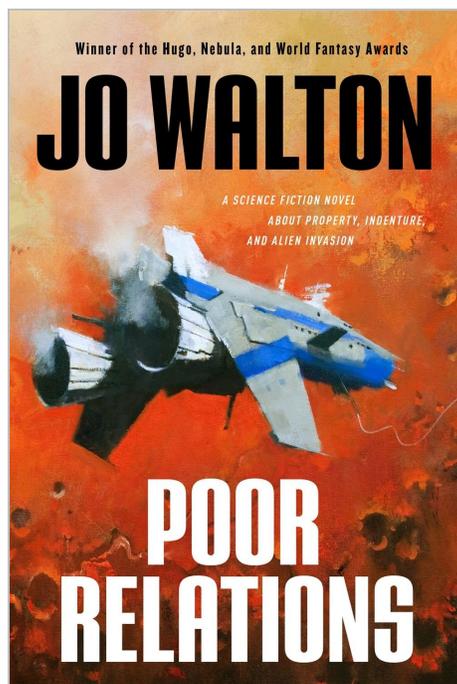

Praise for *Semiosis*

“Sue Burke blends science with adventure and fascinating characters, as a human colony desperately seeks to join the ecosystem of an alien world.” —David Brin, author of *Earth* and *Existence*.

“A gripping story of colonization and biological wonders.”—Gregory Frost, author of the *Shadowbridge* novels

“A fantastic SF debut . . . *Semiosis* will remain relevant for years to come.” —Prof. Daniel Chamovitz, award-winning author of *What a Plant Knows* and director of the Manna Center for Plant Biosciences at Tel Aviv University.

SUE BURKE spent many years working as a reporter and editor for a variety of newspapers and magazines. A Clarion workshop alumnus, Burke has published more than thirty short stories in addition to working extensively as a literary translator. She now lives in Chicago.

Poor Relations

Jo Walton

The first novel of futuristic science fiction from award-winning acclaimed speculative fiction author Jo Walton, a tale of relentless social climbing throughout the solar system

An eye-opening and entertaining tale of social and financial precarity in the interplanetary future, brilliantly imagined and entirely pertinent to today.

It's the twenty-fourth century. Humanity has spread throughout the solar system—but for most of us, life is as precarious as it was in Dickensian England. And while individuals can change their sex at will, traditional gender roles are enforced with unyielding severity.

Brothers Achille, Marcantonio, and Nore have been raised rich, but after their father spends the family fortune and puts a laser to his head, they're forced to face facts. The wealthy Luke Bailey is willing to pay top dollar for what's left of their estate, enough to buy Achille a commission in the space Navy. But only if Marcantonio and Nore will both become female—Marcantonio to marry Luke, and Nore to be their spinster housekeeper, for as long as Luke lives.

Over the next two decades, the now-female Marcantonio and Nore struggle to make lives for themselves in the service of their wealthy keeper. Then the alien invasion arrives.

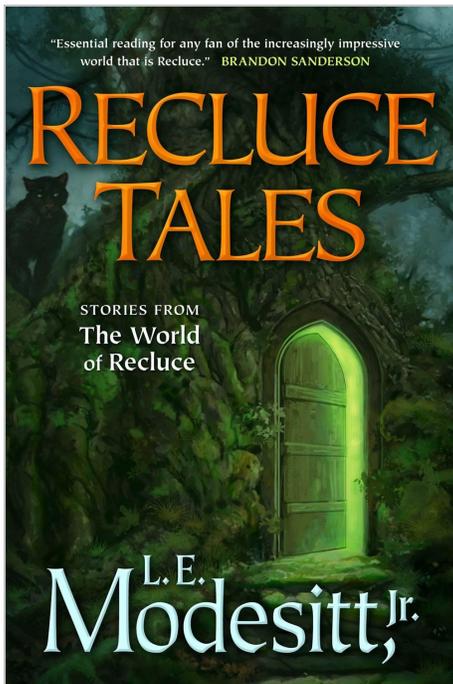

PRAISE

"A spectacular coming-of-age tale that encompasses everything from courtroom dramas to sexual intrigue." —Cory Doctorow on *The Just City*

"Haunting character complexity that ultimately holds the reader captive to the tale." —N. K. Jemisin, *New York Times*, on *My Real Children*

"Most fantasies evade [the] great and challenging opportunities to make the implausible plausible, to give magic accountability in a realistic setting and moral and emotional weight in a modern novel. Jo Walton accepts the double challenge and meets it with courage and skill." —Ursula K. Le Guin on *Among Others*

JO WALTON won the John W. Campbell Award for Best New Writer in 2002, the World Fantasy Award for her novel *Tooth and Claw* in 2004, and the Hugo and Nebula Awards for her novel *Among Others* in 2012. Her other novels include *Farthing*, *Ha'penny*, *Half a Crown*, and *My Real Children*, which won the Tiptree Award. The Librarians and the Pot of Gold

Greg Cox

An original novel based on the hit television show, *The Librarians*, by *New York Times* bestselling author, Greg Cox

For millennia, the Librarians have secretly protected the world by keeping watch over dangerous magical relics. Cataloging and safeguarding everything from Excalibur to Pandora's Box, they stand between humanity and those who would use the relics for evil.

The adventures of The Librarians continue in the third stand-alone adventure of our series of media tie-in Novels

Echoes of Understorey

A Titan's Forest novel

Thoraiya Dyer

Heart-pounding new fantasy adventure set in the same giant rainforest realm as *Crossroads of Canopy*, which Tamora Pierce praises as "a unique, gorgeous, and dangerous world!"

Great deeds are expected of Imeris.

Being the ordinary sister to a goddess, Imeris always felt pressured to be the best fighter in Understorey. During a mission to capture the body-snatching sorceress Kirrik, Imeris fails disastrously. With death on her conscience and in hiding from her peers, Imeris climbs up to the sun-kissed world of Canopy to learn new ways to defeat Kirrik. She doesn't expect to be recruited for a Hunt for the Ages, chasing a terrifying, divine monster that will take all her skills to stop.

Tomorrow's Kin

Book 1 of the Yesterday's Kin Trilogy

Nancy Kress

Nancy Kress returns with the first of an all-new hard SF trilogy based on the Nebula Award-winning *Yesterday's Kin*

The aliens have arrived. . . . They've landed their Embassy ship on a platform in New York Harbor, and will only speak with the United Nations. They say that their world is so different from Earth, in terms of gravity and atmosphere, that they cannot leave their ship. The population of Earth has erupted in fear and speculation.

One day Dr. Marianne Jenner, an obscure scientist working with the human genome, receives an invitation that she cannot refuse. The Secret Service arrives at her college to escort her to New York. She has been invited, along with the Secretary General of the UN and a few other ambassadors, to visit the alien embassy.

The truth is about to be revealed. Earth's most elite scientists have ten months to prevent a disaster—and not everyone is willing to wait.

PRAISE

Amberlough

A Novel

Lara Elena Donnelly

Now in trade paperback, *Le Carré* meets *Cabaret* in this debut spy thriller as a gay double-agent schemes to protect his smuggler lover during the rise of a fascist government coup

Secrets and lies cloak the smoldering relationship between master spy Cyril DePaul and nightclub MC Aristide Makricosta: Aristide turns a blind eye to Cyril's covert affairs, while Cyril keeps his lover's moonlighting job as a smuggler under wraps.

Everything changes, however, in the fallout of a disastrous mission, and Cyril must shield Ari from the political consequences. It isn't easy, though, for Ari refuses to let anything – not the crooked city police or the mounting rage from ultra-conservatives – dictate his life.

Enter streetwise Cordelia Lehane, a top dancer at the Bumble Bee Cabaret and Aristide's runner, who could be the key to Cyril's plans—if she can be trusted. As the twinkling lights of nightclub marquees yield to the rising flames of a fascist revolution, these three will struggle to survive using whatever means — and people — necessary. Including each other.

A Conjuring of Light

A Novel

V. E. Schwab

Witness the fate of beloved heroes and notorious foes in the trade paperback edition of V. E. Schwab's heart-stopping conclusion to the *New York Times* bestselling *Shades of Magic* trilogy...

This edition will include the following special features:

- *Full glossary of terms from the entire series
- *Exclusive short story set within the *Shades of Magic* universe
- *Q&A between V. E. Schwab and her editor

As darkness sweeps the Maresh Empire, the once precarious balance of power among the four Londons has reached its breaking point.

In the wake of tragedy, Kell—once assumed to be the last surviving Antari—begins to waver under the pressure of competing loyalties. Lila Bard, once a commonplace—but never common—thief, has survived and flourished through a series of magical trials. But now she must learn to control the magic, before it bleeds her dry.

Meanwhile, an ancient enemy returns to claim a city. A fallen hero tries to save a kingdom in decay. The disgraced Captain Alucard Emery of the *Night Spire* collects his crew, attempting a race against time to acquire the impossible.

VICTORIA (V. E.) SCHWAB has built a dedicated fan base with her popular *Shades of Magic* series and YA and middle grade novels. Her work has been profiled in *Entertainment Weekly* and *The Wall Street Journal*, and on NPR, to name a few. She has twice placed #2 in the Goodreads Choice Awards. As a *New York Times* bestselling author, Schwab's dynamic work has caught the attention of major TV and film studios. Schwab currently lives in Nashville, TN, but frequents Edinburgh, Scotland.

Good Guys

Steven Brust

A snarky, irreverent tale of secret magic in the modern world, the first solo stand-alone novel in two decades from the *New York Times* bestselling author of the Vlad Taltos novels

Donovan was shot by a cop. For jaywalking, supposedly. Actually, for arguing with a cop while black. Four of the nine shots were lethal—or would have been, if their target had been anybody else. The Foundation picked him up, brought him back, and trained him. “Lethal” turns out to be a relative term when magic is involved.

When Marci was fifteen, she levitated a paperweight and threw it at a guy she didn't like. The Foundation scooped her up for training too.

“Hippie chick” Susan got well into her Foundation training before they told her about the magic, but she's as powerful as Donovan and Marci now.

They can teleport themselves thousands of miles, conjure shields that will stop bullets, and read information from the remnants of spells cast by others days before.

They all work for the secretive Foundation...for minimum wage.

Which is okay, because the Foundation are the good guys. Aren't they?

Tessa Gratton's debut epic adult fantasy, *The Queens of Innis Lear*, brings to life a world that hums with ancient magic, and characters as ruthless as the tides.

The erratic decisions of a prophecy-obsessed king have drained Innis Lear of its wild magic, leaving behind a trail of barren crops and despondent subjects. Enemy nations circle the once-bountiful isle, sensing its growing vulnerability, hungry to control the ideal port for all trade routes.

The king's three daughters—battle-hungry Gaela, master manipulator Reagan, and restrained, starblessed Elia—know the realm's only chance of resurrection is to crown a new sovereign, proving a strong hand can resurrect magic and defend itself. But their father will not choose an heir until the longest night of the year, when prophecies align and a poison ritual can be enacted.

Refusing to leave their future in the hands of blind faith, the daughters of Innis Lear prepare for war—but regardless of who wins the crown, the shores of Innis will weep the blood of a house divided.

Dayfall

Michael David Ares

TRAINING DAY meets BLADE RUNNER. A dark, twisting, neo-noir thriller set on an earth where the sun is rising again for the first time in decades.

In the near future, patches of the northern hemisphere have been shrouded in years of darkness from a nuclear winter. The island of Manhattan is ringed by a large seawall.

Darkness and isolation have allowed crime and sin to thrive in the never-ending shadows of the once great city. When the sun finally begins to reappear, everything gets worse. A serial killer cuts a bloody swath across the city, and a violent panic sweeps through crowds on the streets. The Manhattan police, riddled with corruption and apathy, are at a loss.

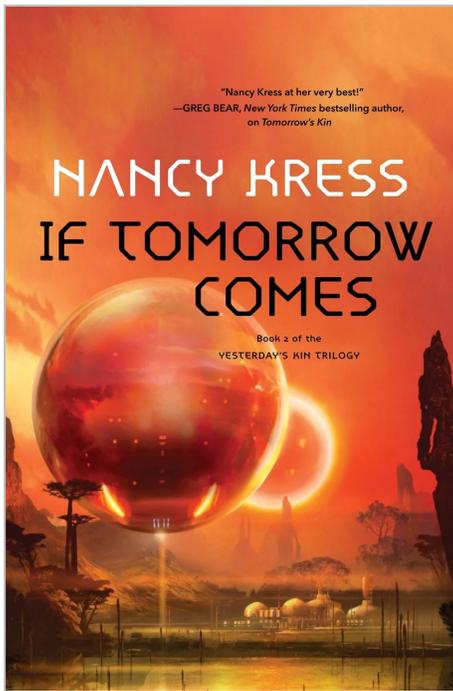

The Mayor recruits Jon Phillips, a small-town Pennsylvania cop who had just single-handedly stopped a high-profile serial killer. The young detective is partnered with a shady older cop to investigate the crimes amidst the vagaries of a twenty-four hour nightlife he has never experienced before. Soon realizing that he was chosen for reasons other than what he was told, Jon is left with no one to trust and forced to go on the run in the dark streets, and below them in the maze of the underground. Against all odds he still hopes that he can save his own life, the woman of his dreams, and maybe even the whole city before the arrival of the mysterious and dreaded event that has come to be known as... dayfall.

PRAISE

"Writers have been trying for years to mash up the thriller and dystopic genres, with varying results, but nobody has done it better than Michael Ares in his stunning novel DAYFALL. This is a deeply entertaining book. I'm looking forward to more from the talented Mr. Ares." —K. W. Jeter, bestselling author of *Farewell Horizontal* and *The Kingdom of Shadows*

"Dayfall delivers, big-time. Michael Ares' careful imagining of a post-apocalyptic world where people still kill and detectives need stop them, makes for perfect edge-of-your-seat reading." —Matthew Costello, bestselling author of *Star Road*

MICHAEL DAVID ARES is an entrepreneur and educator who has started four community service businesses while writing and editing books for other people on the side. He is now a full-time author, and lives with his family in West Chester, Pennsylvania.

If Tomorrow Comes

Book 2 of the Yesterday's Kin Trilogy

Nancy Kress

Nancy Kress returns with the sequel to *Tomorrow's Kin*, part of an all-new hard SF trilogy based on a Nebula Award-winning novella

Ten years after the aliens left Earth, humanity has succeeded in building a ship, *The Friendship*, in which to follow them home to Kindred. Aboard are a crew of scientists and diplomats, plus a squad of Rangers to protect them. But when the *Friendship* arrives, they find nothing they expected. No interplanetary culture, no industrial base—and no cure for the spore disease that ravaged Earth.

Instead of the expected instantaneous jump between worlds, more than ten years have passed.

The scientists find themselves in a race against time to save humanity from a deadly virus while a clock of a different sort runs down on a military solution no less deadly to all.

Chasing Shadows

Visions of Our Coming Transparent World

David Brin and Stephen W. Potts

A science fiction and tech-vision anthology about the coming era of transparency in the Information Age, compiled by noted futurist David Brin

As we debate Internet privacy, revenge porn, the NSA, and Edward Snowden, cameras get smaller, faster, and more numerous. Has Orwell's Big Brother finally come to pass? Or have we become a global society of thousands of Little Brothers—watching, judging, and reporting on one another?

Noted author and futurist David Brin and scholar Stephen Potts, partnering with the Arthur C. Clarke Center for Human Imagination, and inspired by Brin's nonfiction book *The Transparent Society*, have compiled essays and short stories from writers such as Robert J. Sawyer, James Morrow, William Gibson, Damon Knight, Jack McDevitt, and many others to examine the benefits and pitfalls of technologic transparency in all its permutations.

PRAISE

Praise for Chasing Shadows

“This anthology satisfies on many levels. . . . If we enter the transparent world with any kind of foreknowledge, it will be due to well-conceived and well-executed projects such as this one.”—*Locus*

Praise for The Transparent Society by David Brin

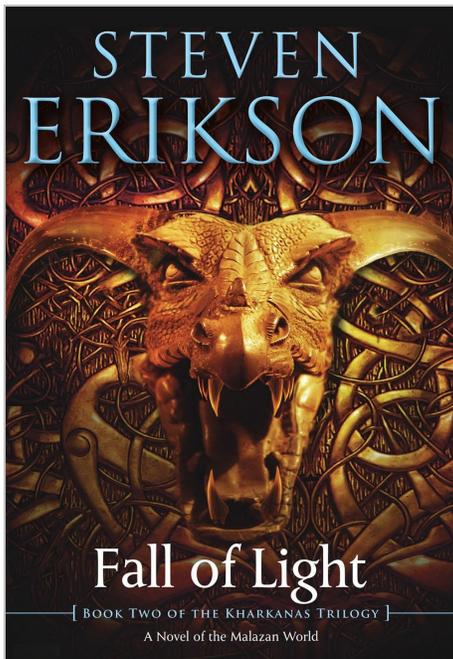

“As you follow his argument for two-way social transparency, you realize your only hope is that he is right.” —George B. Dyson, author of *Darwin Among the Machines*

Fall of Light

Book Two of the Kharkanas Trilogy

Steven Erikson

New York Times bestselling author Steven Erikson continues the tragic story of the downfall of an ancient realm begun in the critically acclaimed *Forge of Darkness*.

Steven Erikson returns to the Malazan world with the second book in a dark and revelatory new epic fantasy trilogy, one that takes place a millennium before the events in his *New York Times* bestselling Malazan Book of the Fallen. *The Fall of Light* continues the tragic story of the downfall of an ancient realm, a story begun in the critically acclaimed *Forge of Darkness*.

It's a conflicted time in Kurald Galain, the realm of Darkness, where Mother Dark reigns. But this ancient land was once home to many a power...and even death is not quite eternal. The commoners' great hero, Vatha Urusander, is being promoted by his followers to take Mother Dark's hand in marriage, but her Consort, Lord Draconus, stands in the way of such ambitions. The impending clash sends fissures throughout the realm. As rumors of civil war burn through the masses, an ancient power emerges from the long dead seas. Caught in the middle of it all are the First Sons of Darkness, Anomander, Andarist, and Silchas Ruin of the Purake Hold....

PRAISE

"Erikson is a master of lost and forgotten epochs, a weaver of ancient epics."
—*Salon*

"Erikson has no peer when it comes to action and imagination, and joins the ranks of Tolkien and Donaldson in his mythic vision and perhaps then goes one better."—*SF Site*

"Gripping, fast-moving, delightfully dark, with a masterful and unapologetic brutality reminiscent of George R. R. Martin... Utterly engrossing."—Elizabeth Haydon, bestselling author of *The Symphony of Ages*

"This masterwork of imagination may be the high-water mark of epic fantasy."—Glen Cook, bestselling author of *The Black Company*

STEVEN ERIKSON is an archaeologist and anthropologist. His *New York Times* bestselling Malazan Book of the Fallen has met with widespread international acclaim and established him as a major voice in the world of fantasy fiction. The first book in the series, *Gardens of the Moon*, was shortlisted for a World Fantasy Award. The second novel, *Deadhouse Gates*, was voted one of the ten best fantasy novels of 2000 by SF Site. Our Angry Earth

Isaac Asimov and Frederik Pohl

Two of science fiction's masters issue a wake-up call and lay out the case for action against global climate change

Isaac Asimov and Frederik Pohl were among the greatest science fiction writers who ever lived. Their talent for envisioning the future, and their clarity in writing about that future, made their novels enduring classics. In *Our Angry Earth*, they applied those skills to a careful survey of the state of Planet Earth and the probable effect of our carbon-burning culture on it. Their clear-eyed call to action is as fresh and timely today as it was twenty-five years ago, when this book was first published.

The new introduction and afterword by Kim Stanley Robinson brings the book completely up to date. Robinson is one of the greatest modern SF writers, author of the internationally bestselling Mars trilogy, the *New York Times* bestselling, *2312*, and the current climate-change focused bestseller *New York 2040*. He has written fiction and nonfiction about climate change for the past thirty years. In 2008, *Time* magazine named Robinson a "Hero of the Environment."

PRAISE

"These two old pros took on a task they cared deeply about, and the result is very impressive." —Kim Stanley Robinson

"A clear, compelling call for action now." —Michael McCloskey, former chairman of the Sierra Club

ISAAC ASIMOV (1920–1992) was one of science fiction's greatest writers. Asimov's award-winning novels include *Foundation's Edge* and *The Gods Themselves*, and his work remains a profound influence on the genre.

FREDERIK POHL (1919–2013) was an influential science fiction author and editor and was best known for his collaborations with other sf authors such as Cyril M. Kornbluth on *The Space Merchants*, and Arthur C. Clarke on *The Last Theorem*.

Head On

John Scalzi

From one of the most popular authors in modern SF, the sequel to his *New York Times* bestselling near-future thriller *Lock In*

John Scalzi returns with *Head On*, the stand-alone follow-up to the *New York Times* bestselling and critically acclaimed *Lock In*. Chilling near-future SF with the thrills of a gritty cop procedural, *Head On* brings Scalzi's trademark snappy dialogue and technological speculation to the future world of sports.

Hilketa is a frenetic and violent pastime where players attack each other with swords and hammers. The main goal of the game: obtain your opponent's head and carry it through the goalposts. With flesh and bone bodies, a sport like this would be impossible. But all the players are "threeps," robot-like bodies controlled by people with Haden's Syndrome, so anything goes. No one gets hurt, but the brutality is real and the crowds love it.

Until a star athlete drops dead on the playing field.

Is it an accident or murder? FBI agents and Haden-related crime investigators Chris Shane and Leslie Vann are called in to uncover the truth—and in doing so travel to the darker side of the fast-growing sport of Hilketa, where fortunes are made or lost, and where players and owners do whatever it takes to win, on and off the field.

JOHN SCALZI is one of the most popular and acclaimed SF authors to emerge in the last decade. His massively successful debut *Old Man's War* won him science fiction's John W. Campbell Award for Best New Writer. His *New York Times* bestsellers include *The Last Colony*, *Fuzzy Nation*, and *Redshirts*, the latter winning the 2013 Hugo Award for Best Novel. Material from his widely read blog, *Whatever* (whatever.scalzi.com), has also earned him two other Hugo Awards. Scalzi also serves as critic-at-large for the *Los Angeles Times*. He lives in Ohio with his wife and daughter.

Praise for *Lock In*

"This is the kind of thriller that Michael Crichton, Lincoln Child, and James Rollins do so well. Add John Scalzi to that list." —Douglas Preston, #1 *New York Times* bestselling author of *The Kraken Project* and *Impact*

"As much as Scalzi has the scientific creativity of a Michael Crichton, he also has the procedural chops of a Stephen J. Cannell to craft a whodunit with buddy-cop charm and suspects aplenty—most of them in someone else's body." —*USA Today*

The Guns Above

Robyn Bennis

Hailed by Patricia Briggs as "full of sass and terrific characters," *The Guns Above* is a military fantasy adventure in the vein of *Hornblower* and *Aubrey-Maturin*.

They say it's not the fall that kills you.

For Josette Dupre, the Corps' first female airship captain, it might just be a bullet in the back.

On top of patrolling the front lines, she must also contend with a crew who doubts her expertise, a new airship that is an untested deathtrap, and the foppish aristocrat Lord Bernat, a gambler and shameless flirt with the military know-how of a thimble. He's also been assigned to her ship to catalog her every moment of weakness and indecision.

When the enemy makes an unprecedented move that could turn the tide of the war, can Josette deal with Bernat, rally her crew, and survive long enough to prove herself?

PRAISE

"Full of sass and terrific characters. Great storytelling. Loved it." —Patricia Briggs

"Marvelous, witty, and action-packed! Bennis's writing is incredible, her vocabulary impressive, and she honest to God made me believe you could build an airship from spare parts."—*New York Times* and *USA Today* Bestselling author Ann Aguirre

"Wonderfully adventurous and laudably detailed." —Becky Chambers, author of *The Long Way to a Small, Angry Planet*

"Wonderfully adventurous and laudably detailed. Bennis paints airship battles so clearly you'd swear they were from memory." —Becky Chambers, author of *The Long Way to a Small, Angry Planet*

"Filled with quick act..."

ROBYN BENNIS is a scientist and airship aficionado living in Mountain View, California. Her apartment is within sight of Hangar One at Moffett Airfield, once the West Coast home to the USS Macon, America's largest airship. *The Guns Above* is her debut novel.

Martians Abroad

A Novel

Carrie Vaughn

A great new stand-alone YA crossover, science fiction novel from the author of the Kitty Norville series, inspired by a classic Heinlein novel

Polly Newton has one single-minded dream, to be a starship pilot and travel the galaxy. Her mother, the director of the Mars Colony, derails Polly's plans when she sends Polly and her genius twin brother, Charles, to Galileo Academy on Earth—the one planet Polly has no desire to visit. Ever.

Homesick and cut off from her desired future, Polly cannot seem to fit into the constraints of life on Earth, unlike Charles, who deftly maneuvers around people and sees through their behavior to their true motives. Strange, unexplained, dangerous coincidences centered on their high-profile classmates begin piling up. Charles may be right—there's more going on than would appear, and the stakes are high. With the help of Charles, Polly is determined to find the truth, no matter the cost.

PRAISE

Praise for Martians Abroad

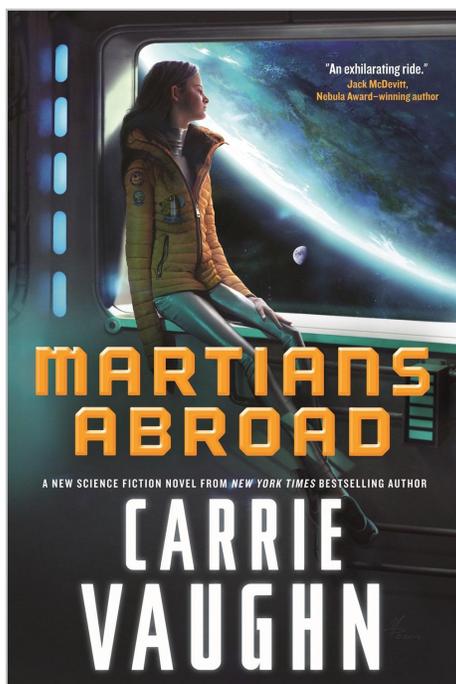

"An exhilarating ride." —Jack McDevitt, Nebula Award-winning author

"An excellent retro-SF story retold for a new generation of aspiring starship pilots." —Gwyneth Jones (aka Ann Halam), author of *Life*

"This fun adventure echoes classic space cadet themes with a bright finish."
—Gregory Benford, author of *Timescape*

CARRIE VAUGHN, the *New York Times* bestselling author of the Kitty Norville books, is also the author of the stand-alone novels *After the Golden Age* and *Discord's Apple*, and the young adult books *Voice of Dragons* and *Steel*.

Avengers of the Moon

A Captain Future Novel

Allen Steele

Our solar system needs a hero and it's about to get one in an old-fashioned, SF pulp adventure with modern sensibility

It was an age of miracles. It was an era of wonder. It was a time of troubles. It was all these things and more . . . except there were no heroes.

Naturally, one had to be created.

Curt Newton has spent most of his life hidden from the rest of humankind, being raised by a robot, an android, and the disembodied brain of a renowned scientist. This unlikely trio of guardians has kept his existence a closely guarded secret since the murder of Curt's parents.

Curt's innate curiosity and nose for trouble inadvertently lead him into a plot to destabilize the Solar Coalition and assassinate the president. There's only one way to uncover the evil mastermind—Curt must become Captain Future.

With the permission of the Edmond Hamilton estate, Allen Steele revives the exciting adventures of Captain Future.

PRAISE

Praise for Avengers of the Moon

“Ed [Hamilton], Allen, and Captain Future. All favorites of mine, and I believe, of a lot more readers ready to discover what made *Planet Stories* a monthly treat.”

—James Gunn, Science Fiction Hall of Fame Grandmaster

“If you want intelligently done, scientifically scrupulous (well, nearly) space opera, old-style and hot off the griddle, this is it.” —Gregory Benford, author of *Timescape*

“Captain Future lives again—and he couldn’t be in better hands than with multiple Hugo winner Allen Steele.” —Mike Resnick, Hugo Award-winning author

ALLEN STEELE worked as a freelance journalist before becoming a prolific science fiction writer. He has garnered multiple Hugo Awards for his novellas and novelettes, and his novel *Orbital Decay* won the Locus Award for Best First Novel. In 2013, he received the Robert A. Heinlein Award in recognition of his fiction promoting space exploration.

Fire Dance

Ilana C. Myer

Palace intrigue, dark magic, and terrifying secrets drive this beautifully written stand-alone novel set in the world of *Last Song Before Night*

Espionage, diplomacy, conspiracy, passion, and power are the sensuously choreographed steps of this soaring new high fantasy novel by Ilana C. Myer, one woman's epic mission to stop a magical conflagration.

Lin, newly initiated in the art of otherworldly enchantments, is sent to aid her homeland's allies against savage attacks from the Fire Dancers: mysterious practitioners of strange and deadly magic. Forced to step into a dangerous waltz of tradition, treachery, and palace secrets, Lin must also race the ticking clock of her own rapidly dwindling life to learn the truth of the Fire Dancers' war, and how she might prevent death on a scale too terrifying to contemplate.

Myer's novel is a symphony of secret towers, desert winds, burning sands, blood and dust. Her prose soars, and fluid movements of the politically charged plot carry the reader toward a shocking crescendo.

PRAISE

“A brilliantly imagined page-turner...uses lush, lyrical prose to propel the reader through the machinations of a wildly original fantasy world. Highly recommended.” —Scott Hawkins, author of *The Library at Mount Char*

“With its lush bouquet of elegance, intrigue, and passion, *Fire Dance* is Myer at her most intoxicating.” —Mishell Baker, author of *Borderline*

“Sings of the atrocities of kings, the conspiracy of sorcerers, and the silk poison of palace intrigue...A triumph of insight and humanity.” —Seth Dickinson, author of *The Traitor Baru Cormorant*

ILANA C. MYER lives in New York City. Under her real name, Ilana Teitelbaum, she has written for *The Globe and Mail*, the *Los Angeles Review of Books*, *Salon*, and *The Huffington Post*. Previously she was a freelance journalist in Jerusalem for the *Jerusalem Post*, the *Jewish Daily Forward*, *Time Out Israel*, and other publications. *Fire Dance* is her second novel, following *Last Song Before Night*.

Vampire lawyer Linnet Ellery's professional and personal life are headed for a showdown in this blend of urban fantasy, legal thriller, and workplace drama

Linnet Ellery, a young attorney at a prestigious New York vampire law firm has proved she has extraordinary luck—and not just in the courtroom. She has walked unscathed through events that would kill a normal person.

Linnet's elven ex-boyfriend is trapped in Fairyland, and Linnet will have to lead a raid into Fey to free him—alongside her boss, whom she is falling in love with. But a love affair between a vampire and a human is strictly forbidden, and any violation is punishable by death for both parties.

As events unfold, Linnet determines the source of her mysterious power, and is dismayed to discover that she is the most dangerous person in the world to her vampire and werewolf friends. The more secrets and treachery she uncovers, the more Linnet realizes that a decision must be made: Can she be her true self, without sacrificing everyone she cares about?

A fresh, original blend of contemporary fantasy, legal thriller, and workplace drama—with a heroine you won't soon forget

What happens when exquisitely beautiful elves start getting all the roles in Hollywood? Human actors sue, that's what. In a desperate attempt to keep the squabbling inside the Screen Actors Guild from going public, the president of SAG forces the two sides into arbitration.

Enter Linnet Ellery, a human lawyer working for a vampire law firm, to serve as arbitrator. Linnet discovers that there are sinister forces at work in Tinsel Town determined to shatter the fragile peace between elves, vampires, werewolves, and humans. Someone has been coercing famous elven actors into committing sudden and terrible acts of violence against humans in a series of tragedies that could turn the tide of public opinion against all the supernatural Powers.

During the course of her investigations Linnet realizes that a puzzling secret surrounds her, and that a strange power has been affecting the very course of her life. . . .

LEAD

This Case Is Gonna Kill Me

Phillipa Bornikova

The first book in a fantastic series that deftly blends contemporary fantasy and workplace drama.

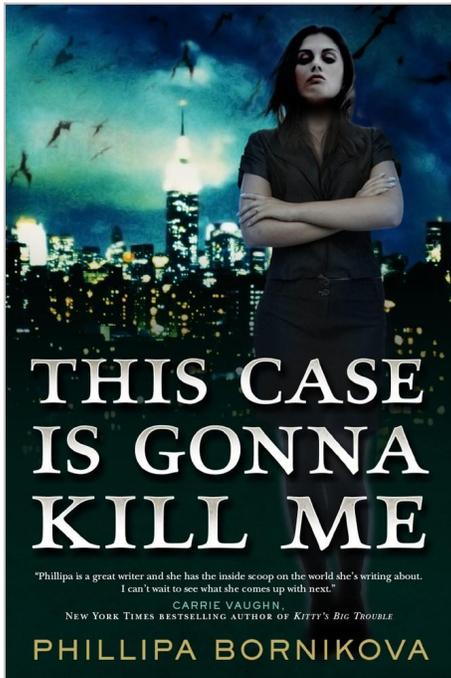

Fresh out of law school, Linnet Ellery is beginning her career in a powerful New York "white fang" law firm. She has high hopes of eventually making partner.

But strange things keep happening to her. In a workplace where employees can eventually achieve centuries of extra lifespan, office politics can be vicious beyond belief. Linnet soon finds herself sidelined and assigned to unpromising cases. Then, for no reason she can see, she becomes the target of repeated, apparently random violent attacks, escaping injury each time through increasingly improbable circumstances. However, there's more to Linnet Ellery than a little old-money human privilege. More than even she knows. And as she comes to understand this, she's going to shake up the system like you wouldn't believe...

The Night Dahlia

R. S. Belcher

Supernatural meets *L.A. Confidential* in this contemporary fantasy noir fantasy.

Laytham Ballard once protected humanity as part of the Nightwise, a secret order of modern-day mages dedicating to holding hellish supernatural forces at bay. That was before a string of sadistic ritual murders shook everything he believed in—and sent him down a much darker path. One that has already cost him most of his soul, as well as everything he once held dear.

Now a powerful faerie mob boss has hired Ballard to find his lost-lost daughter, who went missing several years ago. The long-cold trail leads him across the globe, from the luxurious playgrounds of the rich and famous to the seedy occult underbelly of Los Angeles, where creatures of myth and legend mingle with street gangs and sex clubs, and where Ballard finds his own guilty past waiting for him around every shadowy corner. To find Caern Ankou, he will have to confront old enemies, former friends and allies, and a grisly cold case that has haunted him for years.

Is Caern still alive? And, perhaps more importantly, does she want to be found?

PRAISE

Praise for *Nightwise*:

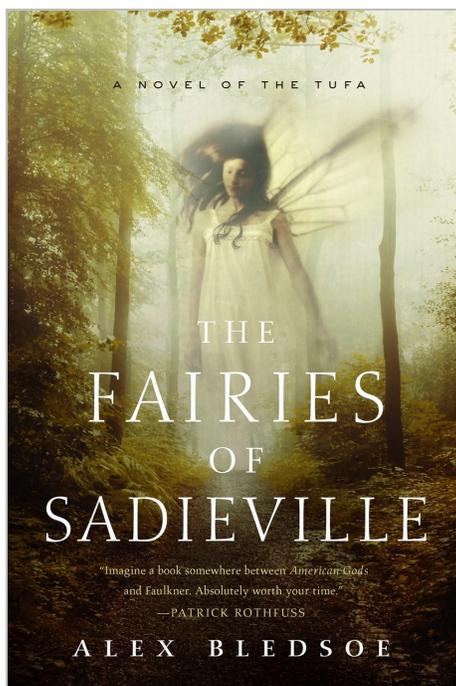

“Belcher’s relentlessly vivid imagination and brilliant prose drive this sensational noir urban fantasy . . . this is a book that is wholly addictive.”—*RT Book Reviews*

The Fairies of Sadieville

A Novel of the Tufa

Alex Bledsoe

Charming and lyrical, *The Fairies of Sadieville* concludes Alex Bledsoe's widely-praised contemporary fantasy series about the fairy descendants of Appalachia

"This is real."

Three small words on a film canister found by graduate students Justin and Veronica, who discover a long-lost silent movie from more than a century ago. The startlingly realistic footage shows a young girl transforming into a winged being. Looking for proof behind this claim, they travel to the rural foothills of Tennessee to find Sadieville, where it had been filmed.

Soon, their journey takes them to Needsville, whose residents are hesitant about their investigation, but Justin and Veronica are helped by Tucker Carding, who seems to have his own ulterior motives. When the two students unearth a secret long hidden, everyone in the Tufa community must answer the most important question of their entire lives: what would they be willing to sacrifice to return to their fabled homeland of Tír na nÓg?

PRAISE

For the Tufa novels

"Imagine a book somewhere between *American Gods* and Faulkner. Absolutely worth your time." —Patrick Rothfuss

"*Long Black Curl* makes me so happy that there are authors writing real North American—based mythic fiction...that sits so well it feels like it's always been a part of us." —Charles de Lint

"Beautifully written, surprisingly moving, and unexpected in the best of ways." —Seanan McGuire, *New York Times* bestselling author

"Captures the allure and the sometimes sinister beauty of the Appalachian backwoods." —*Library Journal*, starred review

"Bledsoe skillfully fuses music, legend, and regional atmosphere to create something ...

ALEX BLEDSOE is the acclaimed author of the Tufa novels, starting with *The Hum and the Shiver*, as well as the Eddie LaCrosse medieval noir series, beginning with *The Sword-Edged Blonde*. By His Own Hand

A Newberg Novel

Neal Griffin

Los Angeles Times bestselling author Neal Griffin returns with a chilling tale of religion, racism, and murder in small-town America

Neal Griffin's first thriller, *Benefit of the Doubt*, written while he was a serving police officer in California, was an unflinching look at the underbelly of the fictional town of Newberg, Wisconsin--a place where the bucolic rituals of life can conceal police corruption, drug smuggling, arms-dealing, and worse.

Former Marine Tia Suarez has made a name for herself in the Newberg PD: troublemaker, seeker of justice, a good cop's best friend and a bad cop's worst nightmare. When a Native American teen is found dead on the grounds of a Christian religious retreat, Tia is determined to find out who killed him despite being stonewalled by all involved.

PRAISE

"A taut, hard-hitting morality play rich with big themes: revenge, betrayal and redemption."—Andrew Gross, *New York Times* bestselling author, on *Benefit of the Doubt*

"The police work is definitive, the emotions run high, and [the] hero is one you will root for. Griffin is a solid storyteller."—T. Jefferson Parker, three-time Edgar Award-winning author on *Benefit of the Doubt*

"Cleverly-plotted page-turner! This compelling tale of revenge and family secrets will keep you guessing from the first chilling line to the unpredictable--and completely surprising--last page."—Hank Phillippi Ryan on *Benefit of the Doubt*

NEAL GRIFFIN is originally from a small town in Wisconsin and is the author of *Benefit of the Doubt* and *A Voice From the Field*. As a police officer, Griffin has been Tactical Operations Team Leader, Narcotics Investigator, Hostage Negotiator, and Supervisor of a Homicide Unit. He's written about police ethics and the relationship between police and the communities they serve. Recently retired from the force, Griffin lives in southern California with his wife, Olga Diaz.
