## Binti: The Night Masquerade

Nnedi Okorafor

### The thrilling conclusion to Nnedi Okorafor's Hugo and Nebula Award-winning afro-centric sci-fi Binti trilogy

"Prepare to fall in love with Binti." —Neil Gaiman

**In the midst of war Binti discovers unimagined aspects of herself.**

Binti has returned to her home planet, believing that the violence of the Meduse has been left behind. Unfortunately, although her people are peaceful on the whole, the same cannot be said for the Khoush, who fan the flames of their ancient rivalry with the Meduse.

Far from her village when the conflicts start, Binti hurries home, but anger and resentment has already claimed the lives of many close to her. Once again it is up to Binti and her intriguing new friend Mwinyi to intervene—though the elders of her people do not entirely trust her motives—and try to prevent a war that could wipe out her people, once and for all.

Don't miss this essential concluding volume in the Binti trilogy.

# The Only Harmless Great Thing

Brooke Bolander

In the early years of the 20th century, a group of female factory workers in Newark, New Jersey slowly died of radiation poisoning. Around the same time, an Indian elephant was deliberately put to death by electricity in Coney Island.

These are the facts.

Now these two tragedies are intertwined in a dark alternate history of rage, radioactivity, and injustice crying out to be righted. Prepare yourself for a wrenching journey that crosses eras, chronicling histories of cruelty both grand and petty in search of meaning and justice.

—Kevin Hearne

**"A brutal story beautifully told. [Bolander's] prose sings like music.... Read this."**

—Chuck Wendig

**"Elephants have infrasound and memory and majesty; we have Brooke Bolander."**
