The crown of Dihya had been stripped from me, my face changed, my body broken.

But I was not a slave and I was not a spare.
I was my mother's daughter, and I would survive and endure. I would find my way back home.

In a star system dominated by the brutal Vathek empire, sixteen-year-old Amani is a dreamer. She dreams of what life was like before the occupation, she dreams of writing poetry like the old world poetry she loves to hear read, she dreams of receiving a sign from Dihya that one day, she, too, will have adventure, and travel beyond her isolated moon.

But when adventure comes for Amani, it is not what she expects. When she is kidnapped by the government and taken in secret to the royal palace, she discovers that she is nearly identical to the cruel half-Vathek Princess Maram. The princess is so hated by her conquered people that she requires a body double, someone to appear in public as Maram, ready to die in her place. As Amani is forced into her new role, she can't help but enjoy the palace's beauty-and her time with the princess' fiancé, Idris. But the glitter of the royal court belies a world of violence and fear, and one wrong move could lead to her death.

Attucks!
Oscar Robertson and the Basketball Team That Awakened a City
by Phillip Hoose

A rousing rags-to-riches episode, a tale of youth power, and a scarcely told chapter in African-American history, Attucks! charts the rise of the legendary Crispus Attucks High School Tigers in the 1950s. By winning the Indiana state high school basketball boys' championship in 1955, ten teens from a school meant to be the centerpiece of racially segregated education in Indiana shattered the myth of their own inferiority. Their brilliant coach had fashioned an unbeatable team from a group of boys born in the South and raised in poverty, anchored by the astonishing player Oscar "The Big O" Robertson. The Crispus Attucks Tigers went down in history as the first state champions from the city of Indianapolis and the first all-black team in U.S. history to win a racially open championship tournament.

Unstoppable Moses
A Novel
by Tyler James Smith

In this coming-of-age debut audiobook from Tyler James Smith, a seventeen-year-old boy has one week in the aftermath of a disastrous prank to prove to the authorities, and to himself, that he’s not a worthless jerk who belongs in jail.

Moses and his cousin Charlie were best friends, wisecracking pranksters, unstoppable forces of teenage energy - until the night they became accidental arsonists and set in motion a chain of events that left Moses alone, guilt-stricken, and most likely trapped in his dead-end town.

Then Moses gets a lucky break: the chance to volunteer as a camp counselor for week and prove that the incident at the bowling alley should be expunged from his record. And since a criminal record and enrollment at Duke are mutually exclusive, he’s determined to get through his community service and get on with his life. But tragedy seems to follow him wherever he goes, and this time, it might just stop him in his tracks.

When smallpox kills her parents, Camille must find a way to provide for her younger sister while managing her volatile brother. Relying on magic, Camille painstakingly transforms scraps of metal into money to buy food and medicine they need. Using dark magic forbidden by her mother, Camille transforms herself into a baroness and is swept up into life at the Palace of Versailles, where aristocrats both fear and hunger for magic. As she struggles to reconcile her resentment of the rich with the allure of glamour and excess, Camille meets a handsome young inventor, and begins to believe that love and liberty may both be possible.

But magic has its costs, and soon Camille loses control of her secrets. And when revolution erupts, Camille must choose - love or loyalty, democracy or aristocracy, reality of magic - before Paris burns.

Squad
by Mariah MacCarthy

Jenna Watson is a cheerleader. But it's not some Hollywood crap. Cheerleaders are not every guy's fantasy; they are not the "popular girls" or the "mean girls" of Marsen High School. They're too busy for that. They're literally just some human females trying to live their lives and do a perfect toe touch. But that all changed after Raejean stopped talking to Jenna and started hanging out with Meghan Finnegan. Jenna stopped getting invited out with the rest of the squad and she couldn't tell if it was on purpose or if it was all in her head.

At times heartbreaking, at others hilarious, Squad follows Jenna through her attempts to get revenge on Raejean and invent a new post-cheer life for herself through LARPING (live action role-playing) and a relationship with a trans guy that feels like love—but isn't. In the end Jenna discovers that who she is is not defined by which squad she's in.

All We Could Have Been
by TE Carter

Five years ago, Lexie Stewart decided to walk home from school after her older brother Scott failed to pick her up. When she entered her house, a pile of blood-soaked clothes sat on the kitchen table next to a knife as her brother calmly sipped lemonade after calling 9-1-1 to report himself for the murder of their neighbors.

Bullied and treated like a murderer herself at school and in her town, Lexie now moves from school to school hiding who she is - who she's related to. She struggles with loving her brother, the PTSD she now suffers from, and wanting to just live a normal teenage life. But how can she be normal when she can't even figure out how to just live?

This is a powerful look at the assumptions we make about people. Lexie's emotional journey to separate her brother's horrific act from herself is stunning and heartbreaking and a biting look at the complexities we face as human beings. This is Lexie's story and journey - not her brother's - and it will stay with you long after you turn the last page.
