Brachiosaurus vs. Giraffe
by Eric Braun
Pairing two very unlike animals together for an imaginary fight, this book has readers comparing and contrasting the features of Brachiosaurus and giraffes. Climb into the ring, and put some of your favorite animals and plants to the test. Could a tiny beetle be stronger than a huge elephant? Could a rhino win against a T. rex? These books pair two very unlike animals or plants together for an imaginary fight. Readers will have to compare and contrast the features to decide what wins.
