Keystone
by Katie Delahanty

*Black Mirror* meets Ally Carter in this futuristic tale of social media gone bad, and the teens determined to save the world from ruin.

Author Bio

Katie lives in Los Angeles with her husband, pre-school-age twin daughters and toddler son. Growing up in Pittsburgh, she loved old movies and playing dress up, but never considered telling stories of her own. It wasn't until she was asked to start a blog for the sleepwear company she designed for that she began to write. And that's when Katie fell in love with storytelling. She's been waking before dawn to write ever since. https://www.katiedelahanty.com/
Malice
by Pintip Dunn

What I know: someone at my school will one day wipe out two-thirds of the population with a virus.

What I don't know: who it is.

In a race against the clock, I not only have to figure out their identity, but I'll have to outwit a voice from the future telling me to kill them. Because I'm starting to realize no one is telling the truth. But how can I play chess with someone who already knows the outcome of my every move? Someone so filled with malice she's lost all hope in humanity? Well, I'll just have to find a way?because now she's drawn a target on the only boy I've ever loved.

Princess Vela’s people are starving. Stranded on a planet that lacks food, Vela makes the ultimate sacrifice and becomes an Aegis for her people. Accepting a genetic modification that takes sixty years off her life, she can feed her colony via nutrition pills. But her best friend is still getting worse. And she’s not the only one. Now the king is dying, too.

When the boy she’s had a crush on since childhood volunteers to give his life for her father’s, Vela realizes her people need more than pills to survive. As tensions rise between Aegis and colonists, secrets and sabotage begin to threaten the future of the colony itself.

"Unless Vela is brave enough to save them all"

With a prose as incandescent as a nebula, and a romance that blazes like the sun, Star-Crossed utterly consumed me from the very first page. Readers will savor this riveting, emotional tale of hope and supreme sacrifice." - Darcy Woods, award-winning author of Summer of Supernovas
